

Cleveland Catholic Diocese parishes that will be reopening this year.

In 2009 it was announced that several of the Cleveland Catholic Diocese's area churches, including St. Barbara's, were to close. However, just months ago, the Vatican overruled this decision and St. James' will be reopening its doors on Wednesday, July 25, 2012.

St. James Church was founded in 1908 as the founding parish for the cities of Lakewood and Rocky River. For more than a century, St. James has been a house of worship and gathering for the Catholic residents of Lakewood, Ohio.

After Bishop Lennon's 2009 announcement parishioners gathered together and formed Friends of Saint James/Save Saint James in an effort to stop the closing of their church. The members of Friends of Saint James/Save Saint James are committed to the preservation of Saint James as a parish and an architecturally significant structure in the City of Lakewood. They have dedicated themselves to the development of a long range financial plan for capital improvements and maintenance of the church and its programs.

Mr. Speaker and colleagues, please join me in recognizing the reopening of St. James' Church, a beloved parish that has returned to the City of Lakewood.

HONORING DR. JOHN EVANS ATTA
MILLS

HON. CORRINE BROWN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Ms. BROWN of Florida. Mr. Speaker, I rise today in remembrance of Dr. John Evans Atta Mills, President of the Republic of Ghana. I was saddened to hear about the untimely death of President Mills. My thoughts, prayers and condolences go to his wife, Ernestina Naadu, son, Samuel Kofi Atta Mills and the people of Ghana. The world has lost a leader, visionary and champion for democracy.

President Mills pledged his life to education and the betterment of his beloved Ghana. He was born in July 1944 in the Western Region of Ghana. He was a master student who began his schooling at the revered Achimota Secondary School in Accra. He later went on to earn his bachelors and law degrees from the University of Ghana at Legon in 1967. Upon the completion of his PhD in African and Oriental Studies from the University of London, President Mills was selected as a Fulbright Scholar at Stanford University School of Law.

After setting a strong foundation he returned home to educate and impart his lessons on the youth. President Mills dedicated nearly 25 years to higher academia as a professor in numerous areas such as law, tax and African studies. He was passionate about teaching and politics. First serving in the capacity of Vice President from 1997 through 2001, Dr. Mills was sworn in as President and Commander in Chief of the Republic of Ghana in January of 2009.

I join with President Obama and various world leaders as we remember President Mills, who was often referred to as a calm politician and gentle giant. In 2009, President

Obama and the First Family traveled to Ghana in his first presidential visit to Sub-Saharan Africa. President Obama praised President Mills for making Ghana a "good news story" that had good democratic credentials. Under the leadership of President Mills, the United States and Ghana deepened our partnership in the promotion of good governance and economic development.

President John Evan Atta Mills is credited with leading Ghana through a period of stability and economic growth in the midst of unforeseen global circumstances. He is quoted as saying "Every leader has a period of service". Though his service has come to an unexpected end, as we reflect upon his life and legacy, we can appreciate his tireless efforts that have come to fruition. A shining star in West Africa, Ghana was and still remains a trailblazing nation for the region and continent, with its strong tradition of democracy. Epitomizing humility in leadership, President Mills was a calming and stabilizing force for not only his people but the continent as a whole.

HONORING MAYOR BETTY ANN
MATTHIES

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. CUELLAR. Mr. Speaker, I rise today to recognize the retiring Mayor of the City of Seguin in Texas, Betty Ann Matthies. She was elected Mayor of the City of Seguin in 2004 and is ending her tenure in 2012. Her tireless efforts have improved the community and served to better the development and progress for the City of Seguin.

Mayor Matthies was born in Guadalupe County, Texas on September 23, 1934. She graduated from Seguin High School in 1953 and pursued her higher education degree at the University of Texas at Austin. Mayor Matthies graduated from Seton School of Nursing in Austin, Texas three years after graduating high school. As a registered nurse she was employed at the Nix Hospital for five years as an Operating Room Registered Nurse. By 1961, she moved to Seguin where she worked at the Guadalupe Valley Hospital until 2004—serving the patients and health care community for 41 years. As Director of Nursing, she was promoted to Associate Administrator by 1978, the same year she received her certificate in Health Care Administration from Trinity University in San Antonio.

By 2000, Matthies was elected to the Seguin City Council and re-elected for a four year term in 2002. After resigning from her council position she was elected as Mayor in 2004 and is currently on her second term in office, which expires in November 2012. I had the pleasure of working with the Mayor on various projects, such as securing over \$850,000 in federal funding on landscape improvements throughout Seguin on Interstate Highway 10, US 90 and SH 123. The transportation improvement project started in 2009 and is nearly complete.

Along with helping the city in her work as Mayor, she was active in the community as serving on the Seguin Area Chamber of Commerce, Hispanic Chamber of Commerce and American Legion Auxiliary. She was also a

member of the First United Methodist Church and Seguin Shakespeare Club. Mayor Matthies was married to her late husband C.H. Matthies Jr. in 1957 until his passing in 2000. C. Henry Matthies III, Elizabeth Kelly and Wesley Matthies are their children.

Mr. Speaker, I am honored to recognize Ms. Betty Ann Matthies, retiring Mayor of the City of Seguin. Her years of dedication and commitment to our community have truly impacted the quality of lives for the people of the city.

PERSONAL EXPLANATION

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. GEORGE MILLER of California. Mr. Speaker, on July 23, 2012, I was in California attending to family obligations. Had I been present, I would have voted as follows:

On rollcall vote No. 499, I would have voted "nay."

On rollcall vote No. 500, I would have voted "nay."

On rollcall vote No. 501, I would have voted "yea."

RECOGNIZING THE SERVICE OF
CAPTAIN STANTON E. COPE IN
THE UNITED STATES NAVY

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. BURTON of Indiana. Mr. Speaker, I have the distinct privilege of rising to honor an outstanding Hoosier for his patriotism and military service. CAPT Stanton E. Cope served with honor in the United States Navy from 1989–2012, where he served in the Medical Service Corps as entomologist for 20 years.

Captain Stanton Elijah Cope was born January 5, 1954 in Huntington, Indiana. In 1976, he graduated from Swarthmore College in Pennsylvania with a B.A. degree in Biology and received a Master of Science degree in Entomology from the University of Delaware in 1981. In 1988, he completed his Doctorate in Public Health at the University of California, Los Angeles, and was commissioned in the United States Navy.

Captain Cope's first assignment, in 1989, was to the Navy Disease Vector Ecology and Control Center, Jacksonville, Florida, where he served as the Head of the Operations Department. In June 1992, he reported to the Naval Medical Research Unit No. 3, Cairo, Egypt, where he served as Head, Medical Zoology Division and Head, Risk Assessment Branch. In July 1994, Captain Cope reported to the Navy Environmental and Preventive Medicine Unit No. 6, Pearl Harbor, Hawaii, as Assistant Head, Department of Entomology and became Head in August 1995. He also served as Special Assistant to the Officer in Charge for Operational Issues. In August 1997, he reported to the Navy Environmental Health Center in Norfolk, Virginia as Entomology Department Head. In January 2000, he was selected to be Executive Assistant to the Assistant

Chief for Operational Medicine and Fleet Support, Bureau of Medicine and Surgery, Washington, DC. Captain Cope served as the Executive Officer, Naval Institute for Dental and Biomedical Research, Great Lakes, Illinois from September 2001–August 2004, at which time he fleeted up to Commanding Officer. He also served as the Surgeon General's Specialty Leader for Navy Entomology August 2002–May 2004. In August 2006, Captain Cope reported to the Armed Forces Pest Management Board as Research Liaison Officer. In August 2008 he took over as Director.

During his tenure as the Director, Captain Cope distinguished himself by superior service. He organized his workforce into three divisions: Operations, Research and Information Services, aligning the AFPMB to increase efficiency and enhance direct warfighter support. He was directly responsible for superior improvements to installation pest management and insect-borne disease prevention programs resulting in increased readiness and warfighter protection. During this period, he demonstrated the highest levels of leadership, initiative and dedication to duty. As a result, his leadership of DoD pest management received international recognition for contributions to the global public health community for their work on the President's Malaria Initiative (PMI).

Furthermore, in support of U.S. allies, Captain Cope reestablished liaison with North Atlantic Treaty Organization (NATO) counterparts to foster effective and efficient multi-national medical entomology, preventive medicine and pest management collaborations during contingency operations. Through NATO's Force Health Protection Working Group, he secured updates in the U.S. section to Standardization Agreement 2048, Chemical Methods of Insect and Rodent Control, which provided NATO members with information on pesticides that the U.S. may use during NATO operations.

Captain Cope's passion stayed with him after he left the service, as he maintains membership in the American Society of Tropical Medicine and Hygiene, the American Mosquito Control Association and the Society for Vector Ecology. He is currently serving as the Director of the AMCA, Mid-Atlantic Region and serves on the board of Armed Forces Pest Management in Silver Spring, MD. In addition, he has presented at meetings, authored or co-authored over 70 scientific publications and holds an Adjunct Assistant Professorship at the Uniformed Services University of the Health Sciences.

Captain Cope is married to infectious disease epidemiologist Amyanne N. Keswani of St. Peter, Minnesota. They have a daughter, Kemmer Keswani and a son, Stanton Elijah.

I ask all of my colleagues to join me now to thank Captain Stanton E. Cope for his service and sacrifices for our country.

13TH DISTRICT CONGRESSIONAL
FIRE AND RESCUE AND EMS
AWARDS (CFREA)

HON. VERN BUCHANAN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. BUCHANAN. Mr. Speaker, I rise today to recognize fire and rescue and EMS per-

sonnel who have provided distinguished service to the people of Florida's 13th Congressional District.

As first responders, fire departments and emergency medical service teams are summoned on short notice to serve their respective communities. Oftentimes, they arrive at scenes of great adversity and trauma, to which they reliably bring strength and composure. These brave men and women spend hundreds of hours in training so that they are prepared when they get 'the call.'

This year, I established the 13th District Congressional Fire and Rescue and EMS Awards to honor officers, departments, and units for outstanding achievement.

On behalf of the people of Florida's 13th District, it is my privilege to congratulate the following winners, who were selected by an independent committee comprised of a cross section of current and retired fire and rescue personnel living in the district.

Lieutenant Timothy Geer of the Bradenton Fire Department received the Career Service Award.

The Englewood Area Fire Control District received the Community Safety Awareness Campaign Award.

Captain Tom Sousa of the West Manatee Fire Rescue District received the Career Service Award.

Training Officer Timothy Hyden of the East Manatee Fire Rescue District received the Career Service Award.

Firefighter Deborah Schuster of the Sarasota County Fire Department posthumously received the Dedication and Professionalism Award.

I offer my sincerest appreciation for the service and dedication of these exceptional individuals. I thank the fire departments that made such worthy nominations and the panel that reviewed them.

These awards truly are a necessary reminder of the men and women who risk their safety on a daily basis, bound to their duty to ensure our own.

PERSONAL EXPLANATION

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. SMITH of Washington. Mr. Speaker, on Monday, July 23 and Tuesday, July 24, 2012, I was unable to be present for recorded votes. Had I been present, I would have voted:

"No" on vote No. 499 (on the motion to suspend the rules and pass H.R. 2362, as amended);

"No" on vote No. 500 (on the motion to suspend the rules and pass S. 2039);

"Aye" on vote No. 501 (on the motion to suspend the rules and pass H.R. 3477);

"No" on vote No. 502 (on ordering the previous question on H. Res. 738); and

"No" on vote No. 503 (on agreeing to the resolution H. Res. 738).

HONORING UNITED STATES MARINE CAPTAINS MARK SILVERS AND SEAN GOBIN

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. MICHAUD. Mr. Speaker, I rise today to honor U.S. Marine Captains Mark Silvers and Sean Gobin for their tremendous efforts on behalf of our nation's wounded warriors.

Everyday our men and women in uniform place themselves at great personal risk in order to defend our nation's freedom and security. Captain Silvers and Captain Gobin are two such heroes who decided to continue serving their fellow soldiers after their tours had ended. Moved by the number of service members returning home from Iraq and Afghanistan with debilitating injuries, the two men pledged their efforts to improve the lives of our nation's wounded warriors.

On March 15, 2012, Captain Silvers and Captain Gobin commenced a 2,180 mile hike of the Appalachian Trail to raise funds and awareness of the debilitating injuries our soldiers have suffered while in service to our country. Their journey will come to an end next week at the summit of Mount Katahdin in Baxter State Park. As they travelled through 14 states, Captain Silvers and Gobin have hosted a number of fundraisers at separate VFW posts on behalf of Operation Military Embrace; a nonprofit that advocates on behalf of wounded servicemembers. All of the proceeds from these events will be used to purchase adaptive vehicles for veterans who have sustained multiple amputations in the course of their service in Iraq or Afghanistan.

These men have set a remarkable example for what it means to serve our country. Operation Military Embrace and Warrior Hike remind us all of our enduring responsibility to honor and care for those who have sacrificed so much in defense of our freedom. As the Ranking Member on the Health Subcommittee of the House Committee on Veterans' Affairs, I am pleased to join the chorus of congratulations celebrating the completion of these men's impressive journey.

Mr. Speaker, please join me in recognizing Captain Silvers and Captain Gobin on achieving so much on behalf of our wounded veterans.

INTRODUCTION SAFETY AND FRAUD ENFORCEMENT FOR SEAFOOD ACT

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 25, 2012

Mr. MARKEY. Mr. Speaker, in my home state of Massachusetts, commercial fishermen take pride in the product they bring to the dock. Whether they harvest cod, lobster, or scallops, these hardworking Americans provide consumers with superior quality seafood. Unfortunately, getting a fair price for this seafood has become a challenge. Competition from low quality imported fish and shellfish drives down prices, especially when these imports are passed off on consumers as higher value species.
