HONORING THE CENTENNIAL
CELEBRATION OF THE FOUNDING
OF NATALIA, TEXAS

HON. FRANCISCO "QUICO" CANSECO

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 19, 2012

Mr. CANSECO. Mr. Speaker, I am proud to rise today to recognize and honor the centen-

nial celebration of the founding of Natalia, Texas.

Natalia, which is located approximately 30 miles southwest of downtown San Antonio, was founded in 1912 by the Medina Irrigation Company. The town was named after Natalie Pearson, daughter of Fred Stark Pearson, who oversaw the irrigation company and building of the Medina Dam. During the town's application process for a post office the following year, Natalie's name was misspelled and the town became known as Natalia.

After the deaths of Pearson and his wife, who were passengers on the ill-fated Lusitania which was sunk by German forces in 1915, the Medina Irrigation Company went bankrupt and was subsequently reorganized under the name of Medina Irrigated Farms in 1931. Despite the tough economic environment in the U.S. during that time, Charles F. C. Ladd was successful in selling bonds in the amount of \$2.5 million to pay for the Medina valley irrigation and to create a new loan fund for prospective land purchasers. As a result, the town prospered and increased its population from 150 in 1933 to 400 in 1939.

Today, Natalia is home to more than 1,400 people and is a vibrant community that is home to many families and businesses. Its centennial celebration will be marked with proud and exciting festivities that symbolize Natalia's wonderful history. I am proud to recognize this special event and have the opportunity to represent Natalia in the United States House of Representatives.
