

members, there is no better delegation in America to serve with than all of you.

I thought I would get a standing ovation for that one, but obviously not.

I will say this, though, that one of the things that I've learned in this House is that there is a way to disagree without being disagreeable. And JIM CLYBURN, you've helped me to understand that.

To my guys here, I will say without any question that being a part of the team is important. And when I think about our country, I think of our country as a team. And as a kid coming from a single-parent household looking for opportunities, I found that in my team at home and my mentor. And now as I head to the Senate, I hope that we will continue to be a team. But America needs us to remember them. So thank you all so very much for this opportunity.

Mr. WILSON of South Carolina. I yield back the balance of my time.
