

I want to thank the gentleman from Rhode Island (Mr. LANGEVIN), who has been a tremendous leader on cybersecurity efforts on the Intelligence Committee. Much of our work there is classified and it goes unnoticed, and rightly so. I think it would be wrong for us not to commend in public your great leadership and efforts and work with us to try to make sure that this bill does what we say we want it to do. It has been a great privilege and pleasure to work with you throughout that process, and without that leadership, we wouldn't be standing on the floor today. I want to thank the gentleman for that.

I will support the amendment, which clarifies that entities located across multiple localities are intended to be covered by provisions in the bill exempting information shared under the bill from certain disclosures otherwise required of public or quasi-public entities. The amendment replaces the term "local" with "political subdivision." Because there is no intention to exclude such entities, this is intended as a clarification, an important clarification, and I will gladly support the amendment, and again thank the gentleman for his work on the totality of both national security issues and cybersecurity.

I reserve the balance of my time.

Mr. LANGEVIN. Madam Chair, I yield such time as he may consume to the ranking member of the Intelligence Committee, the gentleman from Maryland (Mr. RUPPERSBERGER).

Mr. RUPPERSBERGER. I thank the gentleman for yielding.

Madam Chair, first, I want to agree with our chairman, and I said it before, that you have been one of the key players in developing legislation to protect our country. From the beginning, when those of us started working on this issue, probably 2006, you were there. You have a tremendous amount of expertise. You have been a great adviser to all of us, and also not only the Intelligence Committee, but the Armed Services Committee, and I appreciate all your work.

I also support your amendment to include political subdivisions within the information, use, and protection requirements in our bill. Your amendment ensures that utility districts are not unnecessarily and unintentionally limited from protecting their own information.

Therefore, I urge a "yes" vote on your amendment.

Mr. LANGEVIN. Madam Chair, before I close, I just wanted to thank, again, the chairman and the ranking member for their comments, but, more importantly, their extraordinary collaborative work in trying to protect our Nation's cybersecurity. The work that they did in putting this legislation together, it is a real service to the country what you have done, and I am grateful to have played a part in it with you, and thank you for your friendship.

With that, I urge my colleagues to support the amendment, and I yield back the balance of my time.

Mr. ROGERS of Michigan. I yield back the balance of my time.

The CHAIR. The question is on the amendment offered by the gentleman from Rhode Island (Mr. LANGEVIN).

The question was taken; and the Chair announced that the ayes appeared to have it.

Mr. ROGERS of Michigan. Madam Chair, I demand a recorded vote.

The CHAIR. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from Rhode Island will be postponed.

Mr. ROGERS of Michigan. Madam Chair, I move that the Committee do now rise.

PERSONAL EXPLANATION

Mrs. BACHMANN. Mr. Chair, on April 17, 2013, I was not able to vote on rollcall votes 110, 111 and 112. At the time, I was performing my duties as a designee of the U.S. House of Representatives attending the funeral of Baroness Margaret Thatcher in London. Had I been present for the vote, I would have voted "aye" on all three votes.

Mr. SESSIONS. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mrs. WAGNER) having assumed the chair, Mr. MARCHANT, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 624) to provide for the sharing of certain cyber threat intelligence and cyber threat information between the intelligence community and cybersecurity entities, and for other purposes, had come to no resolution thereon.
