SPRINGFIELD-GREENE COUNTY
PARK BOARD 100TH ANNIVERSARY

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2013

Mr. LONG. Mr. Speaker, I rise today to recognize the Springfield-Greene County Park Board's 100th Anniversary.

The Park Board was founded on May 22, 1913 and immediately assumed the maintenance and preservation of Washington and Lafayette Parks, both created shortly after the Civil War. By the end of World War II, it administered Springfield's ten historic parks, including: Dickerson Park Zoo, Doling, Grant Beach, Fassnight, Lafayette, Phelps Grove, Sequiota, Silver Springs, Smith, and Washington.

Tremendous growth took place from the 1950s to the present, particularly under the leadership of longtime Parks Director Dan Kinney, who more than doubled the size of the system during his tenure from 1971 to 2005. The name changed to the Springfield-Greene County Park Board in 1996, when voters approved expansion of the system beyond city limits.

The Park Board now counts more than 100 sites and many more facilities within its county-wide system, ranging from neighborhood playgrounds to multi-use recreational facilities. The system includes three golf courses, three Emily centers, a zoo, a farm park, a botanical center, several sports and athletic complexes, two indoor aquatics centers, six outdoor swimming pools, multiple school-park sites and more than 100 miles of recreational trails.

The Park Board has earned state and national recognition, most notably the "Gold Medal Award" for best overall parks and recreation department of its size in 2000 from the National Recreation and Park Association. In 2003, the City of Springfield, Missouri—Greene County was named "Missouri Sportstown USA" by Sports Illustrated magazine. The United States Olympic Committee has designated the Park Board as one of its select Community Olympic Development Program sites for the sports of tennis, volleyball, archery, and ice hockey.

Each year, park facilities host more than 50 national, regional, state and local tournaments

in softball, baseball, soccer, hockey, tennis, volleyball and golf, and it maintains an active partnership with more than 200 volunteer groups and entities in the area, enhancing recreation and outreach both within and beyond parks facilities.

For 100 years, the Park Board has skillfully managed the beautiful parks and recreation facilities throughout the Springfield area, and I am confident that the next 100 years will be even more impressive.

CONGRATULATING ROBERT F. CERVENKA OF PHILLIPS, WISCONSIN, ON BEING PRESENTED THE LIFETIME ACHIEVEMENT AWARD BY THE PRICE COUNTY ECONOMIC DEVELOPMENT ASSOCIATION

HON. SEAN P. DUFFY

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2013

Mr. DUFFY. Mr. Speaker, I rise today to recognize the business accomplishments of Robert F. Cervenka of Phillips, Wisconsin, who has been presented the Lifetime Achievement Award by the Price County Economic Development Association.

Bob Cervenka was born and raised in the small town of Phillips, Wisconsin. He graduated from the University of Wisconsin-Madison. After his graduation in 1958, Bob returned to the community that he loved to pursue his new business venture—the Phillips Plastics Corporation.

Phillips Plastics began operations on October 20, 1964, occupying an old creamery building in Phillips. In 1967, the company broke ground on a new 12,000 square foot custom plastic facility where they employed 30 skilled workers dedicated to crafting innovative control knobs for automobiles, dishwashers, fans, dehumidifiers, and dryers. In 1973, Phillips Plastics opened Precision Decorating in Medford, Wisconsin. Shortly thereafter, the facility became known as Phillips Automotive, a full service design, manufacture, decoration, and assembly plant for high volume injection molded components. As industries from the Midwest moved to the south and offshore, Bob recognized that Wisconsin's rural, small community workforce offered a unique competitive advantage. He developed additional plants in Chippewa Falls, Eau Claire, Menomonie, New Richmond, Hudson, and Prescott among others.

Capitalizing on the company's success, Mr. Cervenka and co-founder Louie Vokurka established the independent philanthropic Ann Marie Foundation in 1974. Named after their mothers, the foundation worked to improve the quality of life within local communities that are home to Phillips Plastics facilities. Since its inception, the foundation has given over \$8 million to schools and non-profit organizations.

Thanks to the business contributions of outstanding citizens like Robert F. Cervenka, Wisconsin's economic future looks bright. I ask that my colleagues join me today to express our appreciation for Bob's entrepreneurial spirit and our congratulations to him on receiving this well-deserved award.

RECOGNIZING VICE SPEAKER BENJAMIN J.F. CRUZ ON RECEIVING THE JUDICIARY'S 2013 HUSTISIA AWARD FOR GUAM

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 14, 2013

Ms. BORDALLO. Mr. Speaker, I rise today to commend and congratulate Benjamin J.F. Cruz, the Vice Speaker of the Guam Legislature, on being awarded the Judiciary of Guam's 2013 Hustisia Award.

The Hustisia Award is awarded annually to recognize a person or organization that has contributed to improving the administration of justice and good government.

Vice Speaker Cruz has committed his life to promoting justice in Guam as an attorney, jurist, and current senator. This award recognizes his 40 years of service in advocating for justice and equality and for promoting and strengthening respect for the rule of law. Throughout this career, he fostered building public support for the judiciary, promoted understanding of the judicial system, and encouraged civic responsibility and service.

Born to Antonia C. Franquez and the late Juan Quenga Cruz, former Commissioner of Piti, Vice Speaker Cruz received a Bachelor of Arts degree in Political Science and Economics from Claremont Men's College in 1972. In 1975, he received his Juris Doctor degree from the University of Santa Clara Law School.

Vice Speaker Cruz returned home and became an attorney and member of the Guam Bar Association. Throughout his career, Vice Speaker Cruz has worked for all three branches of government. From 1975 to 1979, he served as Legal Counsel to my late husband, Governor Ricardo J. Bordallo. A few years later, in 1983, he served one year as Director of the Guam Liaison Office in Washington, D.C.

His work in the judicial branch of government began in 1984 when he was appointed a judge of the Superior Court of Guam. He was elevated to the Supreme Court of Guam and served as an associate justice from 1997 to 1999. In 1999, his colleagues elected him Chief Justice of Guam and served in this capacity until his retirement from the bench in 2001.

In December 2003, he was federally appointed as Commissioner of the Guam War Claims Review Commission. He served in this post until June 2004.

He is currently serving his second term as Vice Speaker of the 32nd Guam Legislature; he has served as a senator in the 31st, 30th and 28th Legislatures. He was also the Minority Legal Counsel for the 15th, 16th, and 29th Guam Legislatures.

Additionally, Vice Speaker Cruz remains an active member of our island community. He has been involved in numerous community and civic organizations, and has spearheaded several non-profit corporations focused on social justice issues, cultural preservation, and youth services.

I congratulate Vice Speaker Benjamin J.F. Cruz on receiving the Judiciary of Guam's 2013 Hustisia Award. I join the people of Guam in commending him for his award and thanking him for his many contributions to our community.
