On behalf of the U.S. House of Representatives, I congratulate Jerry on his retirement and thank him for his dedication and outstanding contributions to the institution. I wish him the best in all his future endeavors.

RECOGNIZING THE REMARKABLE
ACHIEVEMENTS OF JOSEPH
CALABRESE, MD

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Ms. KAPTUR. Mr. Speaker, I rise today to acknowledge the outstanding accomplishments of Doctor Joseph Calabrese, professor of psychiatry at Case Western Reserve University and director of the Mood Disorders Program at University Hospitals Case Medical Center in Cleveland. Doctor Calabrese recently gained international acclaim when he was presented with the Lifetime Achievement Award by the European Bipolar Forum at its annual meeting in Seville, Spain.

The accolades are well deserved—and I speak from personal experience—because Doctor Calabrese has taken the lead role in a major initiative that I helped launch under the auspices of the U.S. Department of Defense to study the effects of post-traumatic stress disorder on soldiers returning from combat zones. I have watched as Doctor Calabrese, working in concert with doctors at the University of Toledo, has conducted truly groundbreaking research involving combat veterans who suffer from PTSD.

As a member of the Defense Subcommittee of House Appropriations, I have long been concerned about the incidence of suicide among our combat veterans. In communities and families throughout our country, we have seen the devastating impact of PTSD. The ambitious research project by Doctor Calabrese that I have been privileged to support has studied the relationship between PTSD and suicidal ideation among members of the Ohio Army National Guard.

After completing a research fellowship at the National Institute of Mental Health, Doctor Calabrese returned to Cleveland to start the Mood Disorders Program. He also co-directs, along with Doctor Robert Finding, M.D., the NIMH-funded Bipolar Research Center in Cleveland. Doctor Calabrese has been the recipient of no fewer than five federal research grants from the NIMH. The Mood Disorders program at University Hospitals Case Medical Center was designated as a Center of Excellence under Dr. Calabrese's exceptional leadership.

Dr. Calabrese has dedicated his work to the improvement of clinical outcomes in underserved populations of bipolar disorder, including people who receive care at community health centers, children, adults, older adults, those in prison and those currently abusing alcohol or drugs. His research reflects a caring nature and true gift of service.

During the course of his career, Doctor Calabrese has published more than 300 peer-reviewed papers. He is a member of a number of scientific advisory boards and is affiliated with the American Psychiatric Association.

I am proud to support his clinical efforts and his exemplary service to the Cleveland community, our nation, and veterans everywhere. I am pleased to commend Doctor Joseph Calabrese on the occasion of his receipt of the European Bipolar Forum's Lifetime Achievement Award and thank him for his noble work.

HONORING DAN SPENCER FOR HIS
INDUCTION INTO THE "MUMMERS
HALL OF FAME"

HON. ROBERT E. ANDREWS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Mr. ANDREWS. Mr. Speaker, I rise today to honor Dan Spencer for his immense contributions to the string band community in South Jersey. For the past forty-one years, Mr. Spencer has diligently served as an active leader and has promoted success in numerous string band and mummery associations across New Jersey.

Mummery traces its routes to the countless cultures brought to America by European immigrants. Mummies, as the performers are called, dress in elaborate costumes and perform choreographed musical numbers largely on brass and string instruments. The city of Philadelphia and the surrounding region has a vibrant history of mummery stretching back to colonial times. Today, this tradition is kept alive and showcased every New Year's Day in Philadelphia, an event that has happened every year for over a century.

Mr. Spencer became the Drill Master of Garden State String Band in 1981 and later led the band for six years. During his time with the Garden State String Band, Mr. Spencer helped the band receive their best drill points earning them 2nd prize.

Mr. Spencer united the string band communities of Pennsylvania and New Jersey as a delegate and later the first secretary of the Penn Jersey String Band Association. He also played a vital role in string band parades. Mr. Spencer revamped the Gloucester City String Band Parade by narrating the events as emcee and television correspondent. In 1989, he was nominated to organize the New Year's Day Parade as Director.

After his time as Master of Garden State String Band, he became a drummer in the Ferko String Band. He continued to prove his leadership skills serving as Director, Secretary, and Vice President for seven years, and later became President of the Ferko String Band. Mr. Spencer has dedicated forty-one years of his life to string bands and mummery in the greater South Jersey area. On April 6th, 2013, he was inducted into the Mummies Hall of Fame due to his outstanding efforts to promote and produce activities incorporating string band entertainment.

Mr. Speaker, the commitment of Mr. Spencer to the string band community should not go unrecognized. I join all of South Jersey in expressing our gratitude for Dan Spencer as he celebrates his induction into the Mummies Hall of Fame.

IN RECOGNITION OF KADVA PATIDAR SAMAJ 8TH NATIONAL CONVENTION

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to salute the members, attendees and supporters of Kadva Patidar Samaj 8th National Convention, which will take place on Friday, June 14, 2013 through Sunday, June 16, 2013 at Shree Umiya Mataji Mandir, located at 4770 Raley Road in Macon, Georgia.

A Hindu place of worship and prayer, Shree Umiya Mataji Mandir, Kadva Patidar Samaj was established in Macon, Georgia in 2003. The first established Shree Umiya Mataji Mandir in the United States, the facility spans 32 acres and includes a 45,000 square foot cultural hall and temple. The temple was inaugurated on June 15, 2003. Approximately 5,000 people attended the grand opening of the temple held on June 13, 2003 to June 15, 2003.

There are many legends and theories that attempt to explain the history of Kadva Patidars. According to the most credible theory, the roots of Kadva Patidars go all the way back to the origin of Hindus. Called Aryans at the time, they worshipped life-sustaining elements such as the sun, wind, fire and rain. The Aryans migrated to India from the Pamir region on the Ayu River in central Asia, which is present-day Azerbaijan. They settled in the plains of a big river that they named "Sindhu", which means "big like an ocean," and over time, fully integrated with the natives living there. Between B.C. 7000 and B.C. 2000, the Sindhu Valley Civilization, also known as the Indus Valley or Harappan Civilization, was established. Covering 400,000 square miles from Kashmir in the north to the Godavari River in the South and from Delhi in the east to the Arabian Sea in the west, the Sindhu Valley Civilization was the largest known ancient civilization and a very advanced one thriving on agriculture, commerce, engineering and social amenities.

Over the years, some of the descendents of the Sindhu Valley Civilization spread to what is present-day Gujarat and Saurashtra and became known as Kadva Patidars.

The Kadva Patidar Samaj 8th National Convention is expecting about 5,000 attendees this year. Over the course of three days, participants will engage in social, cultural, educational and matrimonial events. Several dignitaries and political leaders from India have also been invited.

Mr. Speaker, I ask that my colleagues join me in recognizing the members and supporters of Shree Umiya Mataji Mandir and the Kadva Patidar Samaj 8th National Convention.

I am proud that while the Hindu community of Middle Georgia is becoming more intricately woven into the fabric of our American tapestry, they are also coming together in observation and celebration of their vibrant culture, religion and values.
