

lifetime member of the Ohio State Bar Association, and a 50-year member of the American Bar Association.

Judge Kuffner's devotion to community service provides us with an outstanding model of civic participation. President of the local Jaycees and member of the Fraternal Order of Eagles Lodge 767, he was a charter member of the St. Marys Kiwanis Club, founded in 1956. He received Mason of the Year honors in 2008 and was a 50-year member of Mercer Lodge No. 121. A life member of VFW Post 9289 and American Legion Post 323, he also held numerous offices through the years at Zion Lutheran Church in St. Marys.

Mr. Speaker, selection for the Hall of Fame is a high honor accorded to no more than 20 Ohioans each year. To be considered for induction, individuals must not only serve the nation honorably in the military, but also reflect the high value of service to others in their post-military careers.

I am pleased to join in the accolades for Judge Jack Kuffner and his inestimable record of service as he is inducted posthumously into the Ohio Veterans Hall of Fame.

WATER RESOURCES REFORM AND DEVELOPMENT ACT OF 2013

SPEECH OF

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 23, 2013

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 3080) to provide for improvements to the rivers and harbors of the United States, to provide for the conservation and development of water and related resources, and for other purposes:

Ms. BONAMICI. Mr. Chair, I rise today in support of the DeFazio/Blumenauer/Jackson Lee/Pingree/Edwards/Bonamici amendment to H.R. 3080, the Water Resources Reform and Development Act. Our amendment would delay the so-called environmental streamlining provisions of the bill until the backlog of approved projects is meaningfully reduced. Environmental reviews are essential to the construction of better designed, more cost effective projects that meet important federal priorities like protecting public health and the environment. Unfortunately, the bill as written offers a false promise of expediting projects and reducing the backlog by paring back environmental reviews. The reality is that this will only lead to projects that damage the environment and ultimately cost more in the long run.

This WRRDA bill contains essential authorizations that will invest in our ports, waterways, and flood protection systems. The changes it makes to the Harbor Maintenance Trust Fund will benefit our nation's small ports and I am cautiously optimistic that we will soon be able to leverage all of the HMTF funds to the benefit of our ports both large and small. It also begins to reduce the project backlog by deauthorizing some older projects that have not yet begun. And even though I am disappointed in the environmental streamlining provisions of the underlying bill, it represents a bipartisan agreement that will keep us moving forward and allow House and Senate negotiators to bring this matter to a speedy resolution.

I urge my colleagues to support the DeFazio/Blumenauer/Jackson Lee/Pingree/Edwards/Bonamici amendment to improve this bill, and to support passage of H.R. 3080.

RECOGNIZING THE 50TH ANNIVERSARY OF THE CITY OF RIDGECREST

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. MCCARTHY of California. Mr. Speaker, I rise today to recognize the 50th anniversary of the founding of the City of Ridgecrest in my district.

Located in the southern portion of the Indian Wells Valley, Ridgecrest embodies what makes America exceptional—love of country, hard work, and dedication. The roots of Ridgecrest began much earlier than 1963, when the city was incorporated. In 1912, local dairymen James and Robert Crum established a small farming settlement named Crumville. As more farming families settled the Naval Ordnance Testing Station was created, the community continued to grow. By 1963, the town was officially incorporated as Ridgecrest and experienced exponential growth as the demand for expertise in the naval station's programs for weapons development increased during the Cold War. Today, the Naval Ordnance Test Station is now the Naval Air Weapons Station China Lake (NAWS) and home to the Naval Air Warfare Center Weapons Division.

Growing together with China Lake, the Ridgecrest community also grew, supporting the tireless mission of our nation's defense with zeal. One of the most patriotic communities in America, Ridgecrest remains dedicated to the defense of American ideals and helping members of the armed forces.

Ridgecrest boasts a rich historic and educational history. The city has many cultural and recreational activities, such as the Maturango Museum, the China Lake Naval Museum of Armament and Technology, and the Petroglyph Canyons. Boasting National Blue Ribbon and California Distinguished Schools, Ridgecrest schools, served by the Sierra Sands Unified School District, consistently perform at the highest academic levels. Additionally, with the establishment of Cerro Coso Community College in 1973, Ridgecrest carries a statewide reputation for hosting one of the top community colleges in California, serving over 8,500 students.

Over half a century, Ridgecrest remains a California jewel, honoring and supporting America's great warfighter, and sharing in the success of one of the Navy's premier research, testing, development, and evaluation installations. Such success cannot be replicated without the hardworking people and the close-knit community that is unique to Ridgecrest. Mr. Speaker, I urge my colleagues to join me and my friends in the Ridgecrest community as we celebrate the 50th anniversary of its incorporation as a city in the great state of California.

CELEBRATING THE CHRISTENING OF THE USS GERALD R. FORD, CVN 78

HON. GARY C. PETERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. PETERS of Michigan. Mr. Speaker, I rise today to celebrate the christening of the USS *Gerald R. Ford*, CVN 78, the first in a new class of supercarriers. The ship will be officially christened November 9th by the former President's only daughter, who is the ship's sponsor, at Newport News Shipyard in Virginia.

It is a fitting tribute to the life and legacy of our 38th President that this new ship, which will be the most powerful warship to ever sail the seas, carries his name.

The USS *Gerald R. Ford* is over 1100 ft long, has a flight deck of approximately 4 acres, displaces 100,000 tons with a complement of 4,660 Sailors. It is a magnificent vessel which will serve the nation for the next 50 years; proudly carrying the name of our former President from my home state of Michigan.

As a former Lieutenant Commander in the U.S. Navy Reserve, I know that this upcoming ceremony will be a great day for our nation, this House where President Ford served for 25 years, our Navy, and the State of Michigan as a favorite son is afforded his rightful place in naval history.

The USS *Gerald R. Ford* is scheduled to enter active service to the Navy in 2015 after completion of construction by our friends the master shipbuilders in Newport News, VA.

RECOGNIZING THE ONE HUNDREDTH ANNIVERSARY OF THE DAUGHTERS OF THE NILE

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 30, 2013

Mr. MILLER of Florida. Mr. Speaker, I am pleased to recognize Daughters of the Nile on its 100th anniversary and congratulate its members, in particular the more than 400 members of the Shimron Temple No. 133, Pensacola, Florida, on their years of service to Northwest Florida and communities throughout North America.

Founded in 1913 by Mabel Krows in Seattle, Washington, the Daughters of the Nile is an international fraternal organization for adult women related by birth or marriage to a Shriner, Master Mason, a Daughter of the Nile or a member in good standing of a Masonic organization for girls. On February 20, 1913, Mabel Krows invited wives of the Nile Temple to discuss creating a club modeled after the Zuhrah's Ladies in Minneapolis, of which Mrs. Krows' mother belonged, following the disbanding of the Daughters of Isis in Tacoma, Washington. The Ladies of the Nile expanded to include the wives, daughters, mothers, widows and sisters of Nobles of any Masonic Temple, and the officers for the first Daughters of the Nile were elected on October 16, 1913. Over one hundred years after its founding, the Daughters of the Nile membership has grown to over 26,000 women in 139 cities throughout the United States and Canada.
