

Would this not be a refreshing change in this country? I saw a poll this afternoon that showed the Congress at a 9 percent approval rating, and I would like to find out who those 9 percent are. Would it not be nice if the American people actually saw us doing what is best for America, and stopped this pettifoggery? Let us do what is right for America.

There being no objection, the material was ordered to be printed in the RECORD, as follows:
