

and see them quickly and efficiently and the most up-to-date reporting.

And with that, I reserve the balance of my time.

Ms. ESTY. Madam Speaker, again, this is one of those ultrarare instances where we have bipartisan support, where we can save money, improve efficiency, and have greater transparency and accessibility to taxpayers.

I wanted to flag just a couple of other items that illustrate this point.

We are going to be taking up the surface transportation bill, a very important bill coming up later this year. Well, some of the reports related to that bill have to do with the infrastructure investment need. That report has always come at the wrong time. It has come after we have already looked at the highway transportation bill. So this bill, among other things, aligns the reports to be available and ready for Congress, ready for stakeholders, ready for the public to evaluate at the time we are considering important legislation on behalf of the American people.

So, again, this is an important initiative. I would urge not only support for what we have done under Chairman SHUSTER's excellent leadership, but for other committees in Congress to join us in reviewing what the GAO has provided at our request, to review those lists of agency reports and to find other ways that we can save money, expedite delivery of important information, both to Congress to facilitate our oversight as well as to make it available to the public so they can oversee what we are doing and ensure that we are spending taxpayer dollars in the most effective way possible.

□ 1500

Again, I want to thank the chairman for his leadership on this and many other initiatives. It is a wonderful committee. We have important work to do, and this will help us get that work done.

Madam Speaker, I yield back the balance of my time.

Mr. SHUSTER. Madam Speaker, I thank the gentlelady from Connecticut for her kind words and for all of her hard work on the committee. We have been working very hard in a bipartisan manner. There aren't many things in this Congress that really bring people together; but when it comes to transportation and infrastructure, that is certainly one of them. We will continue to work together.

Again, this bill is a good-government bill. I urge all of my colleagues to vote "yes" on H.R. 3628, which again eliminates and consolidates 27 congressionally mandated reports. It is good government, saves money, and increases transparency.

With that, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. SHUSTER) that the House suspend the rules and pass the bill, H.R. 3628.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. SHUSTER. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

CLEAN AIR ACT AMENDMENT

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 724) to amend the Clean Air Act to remove the requirement for dealer certification of new light-duty motor vehicles, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Ohio (Mr. LATTA) that the House suspend the rules and pass the bill.
