

of Birmingham Brother Rice's football team for 45 years. Throughout these years, Mr. Fracassa taught young men at Brother Rice the values of leadership, teamwork, and discipline. In a world where mediocrity is encouraged, and even praised through things like "participation awards," Mr. Fracassa accepted nothing less than the best from his teams. As he said, ". . . the difference between good and great is just a little effort." It is this mindset, that success must be earned through hard work and perseverance, which has made America the great nation it is today.

Whereas, Mr. Fracassa has achieved a record 430 wins over the course of his career, along with nine playoff titles, and the most wins in Michigan football history, putting him at fifth in the nation; and

Whereas; he has raised an estimated \$150,000 for Brother Rice by auctioning off pasta dinners with Al; and

Whereas; he has won awards including the 1997 and 2006 NFL High School Coach of the Year, the 2002 American Football Coaches Association National Coach of the Year, and the Fred Danzinger Award; and

Whereas; he has been named Michigan's Coach of the Year four times, been inducted into the Michigan Sports Hall of Fame, and received the MSU Duffy Daugherty Memorial Lifetime Achievement; and

Whereas; the Brother Rice Football Field was renamed Fracassa Field in 2006, and he will be Coach Emeritus following his retirement; and

Whereas; he has been praised as influential, inspirational, caring, and humble, and been called a leader, a mentor, and a legend; and

Whereas; he will remain active at Brother Rice and in the community as a motivational speaker, continuing to be a paragon of strength and virtue; now, therefore be it proclaimed by the Congress of the United States of America that Al Fracassa be honored for his commitment to excellence, his pursuit of greatness, and his stalwart demonstration of American traditions and values.
