

EXTENSIONS OF REMARKS

RECOGNIZING THE 75TH THEODOR LANG MAY DAY MEDICAL CONFERENCE

HON. ADAM KINZINGER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 28, 2014

Mr. KINZINGER of Illinois. Mr. Speaker, I rise today to recognize OSF Saint Anthony Medical Center in Rockford, Illinois, as it holds the 75th Theodor Lang May Day Medical Conference on May 1 and 2, 2014. One of the oldest medical conferences in the United States, May Day was started by Dr. Lang, a radiologist serving Saint Anthony Hospital. Dr. Lang's goal was to improve patient care by gathering physicians from the region for a day of education and fellowship under a large tent. The May Day conference has outgrown the tent on the front lawn, but OSF continues to strive to improve patient care by bringing fellowship and continuing medical education to health care providers.

Throughout the years, the May Day conference has attracted such renowned speakers as Dr. Christiaan Barnard, the surgeon from South Africa who performed the first human-to-human heart transplant, as well as Abigail Van Buren and Ralph Nader.

The physicians who have addressed the May Day conference through the years have come from some of the most prestigious institutions in the United States, including the University of Illinois Medical School, Washington University Medical School, Chicago Lying-In Hospital, University of Chicago, Penn State School of Medicine, Cleveland Clinic, Children's Memorial Hospital, Hines Veterans Administration Hospital, Northwestern Medical School, Baylor University Medical Center, Sloane-Kettering, and the National Institutes of Health.

Mr. Speaker, on behalf of the 16th District of Illinois, I wish to express our deepest thanks to OSF Saint Anthony Medical Center for continuing to provide valuable continuing education to clinicians and students.

IN THE HOUSE OF REPRESENTATIVES

Monday, April 28, 2014

Mr. HUFFMAN. Mr. Speaker, we rise today in memory of John Kramer, who passed away on February 26, 2014, after a battle with cancer. A longtime Sonoma State University political science professor and icon of the North Bay progressive community, Mr. Kramer was a champion of social justice and environmental causes and an outspoken advocate for the issues in which he passionately believed.

After a childhood in suburban Cincinnati, Kramer earned a bachelor's degree from Miami University and a master's degree in

physics from the University of Illinois. In 1961, he volunteered with a program that was the precursor to the Peace Corps and helped build a community building in Guinea, West Africa. After receiving a Ph.D. in political science from Massachusetts Institute of Technology, John joined the faculty of Sonoma State in 1970, lecturing hundreds of students during a distinguished career spanning more than 40 years. In 1987, he was awarded a Fulbright scholarship to study public broadcasting policy in Europe.

Together with his wife, Nancy Dobbs, Kramer co-founded local public television station KRCB and was an active board member of Sonoma County Conservation Action, the political arm of the local environmental movement, in addition to his involvement in many other community organizations and pursuits.

Mr. Speaker, John Kramer leaves a legacy of political action, education, and community service that will not soon be forgotten. It is therefore appropriate that we pay tribute to him today and express our deepest condolences to his wife Nancy Dobbs, and his children Annie Dobbs Kramer, Andrew Dobbs Kramer, and Ian Dobbs Dixon.

HONORING THE WEST SUBURBAN WATER COMMISSION 50TH ANNIVERSARY OF ITS INCORPORATION

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 28, 2014

Mr. LIPINSKI. Mr. Speaker, I rise today in honor of the 50th anniversary of the West Suburban Water Commission, which celebrated the milestone on April 23, 2014. The Water Commission was created to provide the residents of Justice and Willow Springs clean and safe water. Chairman Alan Nowaczyk, who also serves as the Mayor of Willow Springs, has provided great leadership to the Water Commission and continues to expand the excellent service it provides.

Founded in May of 1964, it was originally named the Justice-Willow Springs Water Commissions. The Water Commission became incorporated in Cook County which created a utility with a mission to providing safe and clean water to the residents of Justice and Willow Springs. From that point on the newly formed Water Commission began planning major projects to enhance and expand service throughout community.

One of the Commission's first major accomplishments came in 1975 when the Water Commission finished installing a new water main to expand service to North Willow Springs. Just over a decade later in 1986 the Water Commission faced its first major crisis when the Des Plaines River flooded. The flood displaced thousands and caused an estimated \$35 million in damage to the surrounding community. The Water Commission responded by working around the clock to pump water from the streets and get life back to normal in the western suburbs.

Since the flood, the Water Commission has committed itself to upgrading and improving the infrastructure of the rapidly growing area. For example, The Commission added a new computerized monitoring system increased the efficiency of the newly renamed Water Commission. This year the Water Commission was renamed the West Suburban water Commission to signify the expanding scope of the commission and usher in the next chapter of its history.

Mr. Speaker, I ask my colleagues to join me in recognizing the great service that the West Suburban Water Commission has provided to the citizens of Justice and Willow Springs. May their selfless dedication to their community serve as example to us all.

HONORING THE LIFE AND LEGACY
OF G. RICARDO SALAS

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Monday, April 28, 2014

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of former Guam Senator G. Ricardo Salas, a dedicated public servant and successful businessman on Guam. Senator Salas passed away on April 4, 2014, at the age of 90.

Affectionately known as Rick, G. Ricardo Salas was born in Guam's capital city of Hagåtña on November 14, 1923, to Jose and Coltilde Santos Salas. When he was just eight years old, Rick began helping with his family's business; he would assist his father and brother in their architecture and land-surveying professions and walk through the streets of Hagåtña selling baked goods.

As a young man on Guam after World War II, Rick decided to move to the U.S. mainland to pursue higher education. He graduated with a Bachelor of Arts degree in Business from Doane College in Crete, Nebraska, in 1949.

Mr. Salas married Rosa Teresita Perez on November 26, 1951. Together they had eight children: Richard Conrad, Sr.; Melissa; Ronald John; Kathleen Angelica; Lucina Elaine; Teresita Marie; Vicente Ramon and Solange Mirim. They also raised their first grandchild, Richard "Ricky Boy" Conrad, Jr., and were blessed with 19 grandchildren and three great-grandchildren.

Rick began his career of public service with the Government of Guam, working at the Department of Land Management and later at the Department of Revenue and Taxation. He was an active member of the Republican Party of Guam, and in 1972, he represented Guam as a delegate to the Republican National Convention. In 19XX, he was elected a Senator to the 12th Guam Legislature. He went on to serve an additional term in the 13th Guam Legislature before returning to the private sector.

As a businessman, Senator Salas played an integral role in diversifying business on Guam. He used his background in real-estate to successfully attract international clientele from Asia to invest in Guam. He also managed his family businesses, the Salas Agency Corporation, Salas Services, and Salas Equipment Co. until his retirement in 2005. However, despite retiring many continued to rely on his advice and expertise of real estate on Guam.

Senator Salas will always be remembered for his years of public service and many contributions to the people of Guam. I am deeply saddened by his passing, and I join the people of Guam in mourning a great businessman and statesman. My thoughts and prayers are with his family and friends. His legacy will live on in the memories of the people of Guam.

IN RECOGNITION OF THE ART OF
MAGIC

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 28, 2014

Mr. SESSIONS. Mr. Speaker, I rise today on behalf of one of my constituents, Dal Sanders, National President of The Society of American Magicians, to recognize magic as an art.

The art of magic has been around for centuries and is intended to entertain audiences with the staging of tricks and creating seemingly impossible illusions. Throughout its history, magic has grown to show innovative and creative ways to delight and engage audiences worldwide. It takes a great deal of dedication and a strong work ethic to devote the practice time necessary to master this art.

I would specifically like to take this opportunity to recognize the world's oldest magic organization, The Society of American Magicians, SAM. Since its founding in 1902, The SAM has attempted to elevate and advance the art of magic by promoting an environment for magicians worldwide to come together and share their passion. The SAM members follow in the footsteps of renowned magicians Harry Houdini and Howard Thurston, who each served as national president of The SAM, and Harry Blackstone, Jr., and David Copperfield, who both have served as The SAM ambassadors.

Mr. Speaker, I ask my esteemed colleagues to join me in recognizing the art of magic.
