PERSONAL EXPLANATION

HON. BOB GOODLATTE

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. GOODLATTE. Mr. Speaker, I was unavoidably detained during the second vote series on April 29, 2014. Had I been present, I would have voted Yes on both H.R. 4414, the Expatriate Health Coverage Clarification Act of 2014, and H.R. 627, the National Park Service 110th Anniversary Commemorative Coin Act.

IN HONOR OF BRIG. GENERAL
 CECIL NEELY

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. BRADY of Texas. Mr. Speaker, I rise today to honor General Cecil Neely, an Amer-

ican hero, dedicated public servant, and a friend.

After getting his first taste of public service as President of the Madisonville High School Honor Society, Cecil first took those leadership skills to Sam Houston State University and then into the U.S. Army. Rising from Private to Brigadier General is no small feat. It takes a soldier's soldier to climb that ladder.

General Neely spent nearly three decades serving his country above and beyond the call of duty. Not only was he honored with our nation's highest peacetime award, the Distinguished Service Medal, he received the Bronze Star for valor in Vietnam, as well as the Combat Infantryman's Badge, the Parachutists' Badge, and numerous other U.S. and foreign awards.

It is no wonder this former member of the Joint Chiefs of Staff is also a member of the Infantry "Hall of Fame" at the United States Army Infantry School.

General Neely returned to Sam Houston State University to earn his Master's degree in history. And after his retirement from the military he dove into another form of public service as County Judge of Madison County. Resolving redistricting issues and cutting property taxes while improving medical services, it took Judge Neely's work to establish a District Attorney's office and a "one-stop" center to bring county and state services together.

General Neely prepared Madison County—and the Brazos Valley—for the 21st century. As a chairman of the Brazos Valley Council of Governments from 2001–2002, and member from 1994–2006, Cecil Neely has led by example at every step.

Of course, he couldn't have done it all without the great support system he has in his wife, Lynn and their children, Susan, Russell, and Michael.

Our communities and our entire nation have been blessed by his service. Brigadier General Cecil Neely, thank you and job well done, sir.

ST. MARY MEDICAL CENTER

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. FITZPATRICK. Mr. Speaker, for more than 40 years, St. Mary Medical Center, located in my home district of Bucks County, Pennsylvania, has been serving the community and working to ensure a happier, healthier quality of life for tens of thousands of my constituents.

This week, St. Mary Medical Center was recognized for their outstanding work as they were named one of the best hospitals in the nation by Truven Health Analytics. After comparing 2,800 hospitals across the country based on 10 categories—including patient safety, patient satisfaction, and clinical standard—the group named St. Mary Medical Center one of its top healthcare providers.

Furthermore, the St. Mary's received the Everest Award—marking it as one of the most improved hospitals nationwide.

To those of us who know St. Mary Medical Center best, we are pleased—but not surprised—as St. Mary is an outstanding health care facility, employing thousands of dedicated health care professionals, on the cutting edge

of all health care innovations, and a recognized leader in the region for providing the highest quality of care to their patients every day. They are a caring, faith-based medical center in the tradition of St. Francis and they are totally prepared to meet the healthcare needs of all in our community as they do so with grateful hearts, impeccable credentials, and a clear view toward their Franciscan mission and the future role of healthcare.

St. Mary's will always have a special place in my heart—it's where I met my wife and it's where my daughter and son-in-law both work today as nurse professionals, and it's where I received critical medical treatment when I needed it most.

This national recognition is well deserved and is a testament to the hard work of everyone involved at St. Mary Medical Center—from administrators and doctors to nurses and support staff. I offer my most sincere congratulations on this well-deserved award!

Mr. ROGERS of Alabama. Mr. Speaker, I would like to pay tribute to a very special occasion today—the 50th wedding anniversary of Lynn and Glenda Martin.

Glenda Jean Dalton was born in Gainesville, Georgia, and Horace Lynn Martin was born in Anniston, Alabama. They met at First Baptist Church of Saks over 50 years ago. They were married at First Baptist Church of Saks on May 22nd, 1954, and they are still very active members today. Lynn also serves as a deacon and as the Church Administrator.

Both Lynn and Glenda attended college at Jacksonville State University. While there, Glenda got her Master's Degree in Education, and Lynn got a Bachelor's Degree in Accounting and Math. Glenda taught at Wellborn High School until her retirement, and Lynn owns his own business in Anniston, Green's Art and Framing. He has also worked for several accounting firms over the years. Mr. Martin is also very involved with the Saks High School football team where he has carried the chains for the team for about 48 years. The Calhoun County School Board just voted to name the old high school gym after Mr. Martin. It is now known as the Lynn Martin gym.

Together, Lynn and Glenda have two daughters: Sheilah Brady and Dawne Vaughn. They have 7 grandchildren: Cory Wooten, Cassidy Wooten, Trey Brady, Jessica Vaughn, Aaron Vaughn, Peyton Vaughn, and Grayson Vaughn.

Please join me in congratulating this lovely couple on 50 years together. Mrs. Martin, a cancer survivor, and Mr. Martin set an example of love and service for the people of the Third District. The celebration will take place on May 10th at a reception with their friends and family members.

HON. ROBERT E. LATTA

Mr. LATTA. Mr. Speaker, it is my great pleasure to pay special tribute to an outstanding student from Ohio's Fifth Congressional District. I am pleased to announce that Evan Ulinski of Elmore, Ohio has been offered an appointment to the United States Air Force Academy in Colorado Springs, Colorado.

Evan's offer of appointment poises him to attend the United States Air Force Academy this fall with the incoming Class of 2018. James Edward "Ed" Chaffin, III, was born on February 4, 1987, in West Columbia, South Carolina, the son of Elizabeth Rhodes

Chaffin and the late James Edward Chaffin, Jr. He passed away while serving with the 82nd Airborne Division in Kandahar, Afghanistan on Tuesday, April 1, 2014.

SAN ANTONIO MANUFACTURERS ASSOCIATION'S 100TH ANNIVERSARY

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. SMITH of Texas. Mr. Speaker, the San Antonio Manufacturers Association (SAMA) is one of the oldest manufacturing associations in the country. And this year, SAMA celebrates its 100th year as the voice of the manufacturing industry in the San Antonio area.

"Made in America" is a label we want to see on advanced technologies produced by American laboratories and factories. We must ensure that the United States provides an environment where the manufacturing industry can strive and grow.

SAMA helps with this initiative. The Association advocates for policies that will boost American manufacturing and help train the next generation of manufacturers.

The manufacturing industry stimulates the economy by providing good paying jobs and creating high-quality American products. More than 1,500 manufacturing companies operate in the San Antonio area alone, and in 2011, these companies' combined impact on the local economy reached \$22.5 billion.

San Antonians greatly benefit from the manufacturing industry. Over 50,000 residents of the Alamo City work in this industry and the

average wage is 11 percent higher than the average wage for all San Antonio jobs. So the manufacturing industry is good for all Americans, especially those in Central Texas.

Congratulations, San Antonio Manufacturers Association, on reaching the century mark. And thank you for all you do for San Antonio and the great State of Texas.

THE INTRODUCTION OF THE TRAVELING EXOTIC ANIMAL PROTECTION ACT

HON. JAMES P. MORAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. MORAN. Mr. Speaker, I rise today to introduce the Traveling Exotic Animal Protection Act. This legislation would restrict the use of exotic, non-domesticated animals in traveling entertainment.

Based upon publically available research, including video and photographic evidence, it is clear that traveling circuses cannot provide proper living conditions for exotic animals. This legislation is intended to target the most egregious situations involving exotic and wild animals in traveling circuses. Keeping elephants in chains, confining lions and tigers in small cages, forcing them to perform unnatural tricks for the sole purpose of human amusement is increasingly difficult to justify the more we learn about these intelligent, social creatures.

The Traveling Exotic Animal Protection Act would comprehensively tackle the use of all exotic animals in circuses. The bill would end the confinement of animals for extended periods in temporary facilities, stop cruel training and control methods employed by circuses, and limit the danger these animals pose to public safety. The bill intentionally targets only the most egregious conditions these exotic animals are subjected to and would not impact zoos, aquariums, rodeos or other static facilities with captive wildlife.

While this Congress needs to take action on a variety of issues vital to our nation's well-being, I believe we should also take the opportunity to focus public attention on instances of fundamental animal mistreatment. How we choose to treat animals is a reflection of our nation's values, for better or worse. Too often, however, inhumane activities are hidden, rarely discussed, and left to continue unabated.

The Traveling Exotic Animal Protection Act will ensure this significant animal protection issue, the use of exotic animals in traveling entertainment, receives proper scrutiny. I look forward to working with my colleagues to advance this important animal protection legislation.
