

family units. Currently, the Neighborhoods of Cypress Waters contain 673 multi-family units which are open for lease. The second phase of the multi-family construction will commence in early 2015 and will offer approximately 500 additional units. The Neighborhoods will be within the Coppell Independent School District and a new elementary school, junior high school, and high school will all be built to educate the young residents.

The Shops of Cypress Waters sits at the entrance of the development and will serve as a retail hub in Dallas-Fort Worth by adding 400,000 square feet of retail space, most of which has now been built. In addition, the development will host 4.5 million square feet of Class A office space which will be home to some of Texas' largest corporations. As a result, thousands of new jobs will come to the 24th District, furthering the area's resilient economic growth.

Cypress Waters also features a great outdoors environment consisting of hiking and biking trails, including a five mile loop around North Lake and connections to adjacent cities' trail systems. There are also watercourse environments and preservation areas for native species of plants and animals.

Mr. Speaker, I ask all of my distinguished colleagues to join me in celebrating the grand opening of Cypress Waters and welcoming its new residents to the 24th Congressional District of Texas.

#### HONORING THE LIFE OF JOHN W. WELLS

#### HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 6, 2014*

Mr. COSTA. Mr. Speaker, I rise today to honor the life of John W. Wells, who passed away on March 24, 2014, at the age of 86. John was a community leader in the City of Madera, and his unwavering service will be greatly missed.

John spent much of his life in Madera County. He was born to John and Mary Wells, and grew up in a large family with eight siblings. In 1947, he graduated from Chowchilla Union High School and joined the United States Army.

John served as a member of the infamous Wolfhound Division. He was wounded in action and after receiving treatment in Japan was sent back to Korea, where he remained until the end of the war. He served as an airborne forward artillery observer. John was awarded the Purple Heart medal for his brave and honorable service.

John continued his military service in El Paso, Texas, where he met his wife Bette Collins. In 1952, John and Bette married. After completing his final tour in Germany, John remained in the Army Reserves for many years and retired with the rank of Captain. John attended Fresno State College and earned his teaching credential. As a student, John also served as an officer for Madera's Police Department. He later worked as a teacher and eventually retired from teaching at Sugar Pine High School, a Madera Unified School District continuation high school.

John had a long and distinguished career in city politics. In 1964, he was elected to Madera City Council, and he served for 10 years. For part of that time, he served as mayor. John went on a hiatus from elected office, but returned and was re-elected to the city council in 1990. He served consecutive terms as city councilman until 2006. John was truly committed to serving the people of Madera and doing what was best for the city. He faithfully attended council meetings and members of the community felt they could always count on him.

Because of John's dedication and commitment to ensuring the success of young people, the City of Madera inaugurated the John W. Wells Youth Center to commemorate John's service and accomplishments. The center now stands as a fitting tribute and memorial to John's life. Apart from the youth center, John also promoted and worked tirelessly to build a skate park within Rotary Park. He was driven to serve the youth in Madera and worked tirelessly to create places where the youth could remain busy and out of trouble.

Mr. Speaker, it is with great respect that I ask my colleagues in the U.S. House of Representatives to join me in honoring the life of John W. Wells. John will undoubtedly be

missed by his family, friends, and community, but his legacy will surely live on.

HONORING JONATHAN BAKER

**HON. HENRY A. WAXMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 6, 2014*

Mr. WAXMAN. Mr. Speaker, I would like to recognize Jonathan Baker, my constituent from Redondo Beach, who has been selected as a finalist for the 2014 Samuel J. Heyman Service to America Medals (Sammies). The Sammies are presented annually by the non-profit, nonpartisan Partnership for Public Service to honor outstanding federal employees who have made significant contributions to our nation.

Jonathan is the Delta IV Launch Systems Deputy Chief Engineer at the United States Air

Force Base in El Segundo, California. At his young age of 35, Jonathan has been entrusted with overseeing the extremely delicate and expensive process of launching Air Force rockets carrying satellites into orbit. Since 2010, 13 satellites, which are worth more than \$7 billion and provide important wireless communication, national reconnaissance, infrared missile warning, and precision timing and navigation capabilities, have been launched under Jonathan's supervision.

Jonathan's position requires not only a high degree of skill and knowledge in the technical aspects of launches, including making sure rockets are correctly built and assembled, but also the ability to lead public and private-sector engineers and foster team cohesion that eliminates any chance of error. Jonathan is well-respected for his leadership. He has set standards for his team by establishing a training and certification program that Air Force engineers must take before performing duties on launch day. In this line of work, there is no room for error and Jonathan has an outstanding record.

One particularly notable accomplishment is Jonathan's success in reducing the cost of a contract for 40 new rockets from \$14 billion to under \$10 billion. His technical expertise and incredible attention to detail has saved taxpayers over \$4 billion.

I would like to congratulate Jonathan Baker on his selection as a finalist for the 2014 Sammies. It is an honor to represent him in Congress. I ask that my colleagues join me in celebrating his inspiring career and in wishing him all the best for the future.

HONORING HENRY RAMSEY JR.

**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 6, 2014*

Ms. LEE of California. Mr. Speaker, I rise today to honor the extraordinary life of Henry Ramsey, Jr., former Alameda County judge, member of the Berkeley City Council and dean of Howard University's law school. Known throughout the Bay Area and the nation for his dedication to civil rights and justice, Mr. Ramsey has left an indelible mark on our national discourse. With his passing on March 14, 2014, we look to the outstanding quality of his life's work and the inspiring role he played in the fight for social justice.

Henry Ramsey, Jr., moved to California to pursue an undergraduate degree, becoming one of the first African-Americans to graduate from the University of California, Riverside in 1960. After receiving his law degree a few years later from the University of California, Berkeley, Mr. Ramsey started his career at the Contra Costa County District Attorney's office. Once again, he broke racial barriers being among the first African American prosecutors hired in the office.

Throughout the 1970s, Henry Ramsey, Jr. was a member of the faculty at Boalt Hall. During this time, he also served on the Berkeley City Council, working to ensure the growth and innovation for the City of Berkeley. Later, Mr. Ramsey was appointed to the Alameda County Superior Court bench before serving as dean of Howard University's School of Law from 1990 to 1996.

Throughout Mr. Ramsey's career, he was acutely aware of the role the judicial system played in the fight for equality and justice. He represented those who could not obtain representation, including members of the Black Panthers. Mr. Ramsey was committed to helping others, especially youth and seniors, and to giving back to his community.

Mr. Ramsey was keenly committed to education, ethics reform and the rule of law, serving as chairperson of the Law School Admission Council's bar passage student committee and the American Bar Association (ABA) section of legal education and admissions to the bar. He also served as a member on the ABA Commission on Evaluation of the Rules of Professional Conduct as well as on Ethics and Professional Responsibility.

Throughout his prolific career, Henry Ramsey, Jr. received various accolades for his outstanding achievements. Mr. Ramsey was honored with Boalt Hall School of Law's Citation Award, the highest honor recognizing a distinguished graduate. In 2000, he was the recipient of the Robert J. Kutak Award for promoting understanding between legal education and the active practice of law.

I met Henry in the early 1970's. I knew immediately that he was a force to be reckoned with and recognized that he understood that "power concedes nothing without demand." Yet even with his brilliance and bold work for racial and economic justice, he had a gentle and kind spirit, counseling my dear beloved friend, the late Beth Meador, and me on Black political empowerment and why we must get and stay involved in politics. Judge Ramsey's spirit and legacy will continue to soar and inspire young people as he inspired me and Beth to fight the good fight.

Today, California's 13th Congressional District salutes and honors an outstanding individual, Henry Ramsey, Jr. As a distinguished Alameda County resident, Mr. Ramsey's efforts and devotion to social equality have truly paved the way for minorities and impacted so many lives throughout the nation. I join all of Henry's loved ones in celebrating his incredible life. He will be deeply missed.
