

HONORING THE GRAND OPENING  
OF PRESTONWOOD CHRISTIAN  
ACADEMY NORTH

**HON. SAM JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 2014*

Mr. SAM JOHNSON of Texas. Mr. Speaker, I rise today to congratulate Prestonwood Christian Academy (PCA) on the grand opening of their North campus. PCA, one of the strongest Christian education programs in the country, provides students with lessons that extend far beyond the classroom. Their level of commitment to excellence in academics, athletics and arts coupled with lifelong teachings of biblical faith contributes to a brighter America and stronger future for our youth.

Larry Taylor's, Head of School, vision and promise for our youth is precisely what students need to help them succeed. In a message to the students, parents and friends of PCA—he wrote:

If your vision is for a year, plant wheat.

If your vision is for ten years, plant trees.

If your vision is for a lifetime, plant people.

I couldn't agree more. We must invest in people. A Christian education not only empowers our next generation of leaders to work hard, persevere, and reach their fullest potential but live a life according to God's will. It produces students who are strongly dedicated to their faith, values, families and communities. I am pleased to see PCA grow and have the opportunity to reach children and parents in more communities including Prosper, Celina, North Frisco, and McKinney.

As classes begin for the first time, I pray for the continued growth of the PCA community, the new principal Mrs. Donna Gilson Leadford, and for discernment in hiring godly faculty and staff.

I commend the leadership of the countless teachers, faculty, parents, and volunteers who contributed to the development of this new campus. I look forward to seeing the many ways in which the creative and innovative voices of this institution will help shape and educate our young North Texans. I am confident, PCA will soon serve as a model for more and more schools across the nation.

I ask my colleagues to please join me in welcoming Prestonwood Christian Academy North!

HONORING ASSOCIATION OF RIVERDALE  
COOPERATIVES & CONDOMINIUMS

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 2014*

Mr. ENGEL. Mr. Speaker, all vibrant communities are underpinned by strong civic associations. I would like to recognize the Association of Riverdale Cooperatives & Condominiums for their steadfast commitment to the Riverdale community and for 30 years of service.

The Association of Riverdale Cooperatives & Condominiums was formed in 1984, with the mission to educate local condominium and co-

operative owners on issues directly related to cooperative living.

As the Association expanded, it developed additional services and programs to ensure better management of residential property, such as civic engagement through political advocacy.

The Association of Riverdale Cooperatives & Condominiums succeeded in its efforts to convince ConEd to install natural gas supply lines in Riverdale and diversified communication sources by bringing Verizon to the Riverdale market.

I commend the Association of Riverdale Cooperatives & Condominiums for 30 years of service to the Riverdale community and to the greater Bronx. I am confident the organization will continue to grow and that its continued outreach will benefit future generations of cooperative and condominium owners.

RECOGNIZING THE AMERICAN  
SOCIETY OF CLINICAL ONCOLOGY

**HON. KEITH J. ROTHFUS**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 2014*

Mr. ROTHFUS. Mr. Speaker, I rise today in recognition of the American Society of Clinical Oncology's (ASCO) fiftieth anniversary.

Since ASCO's founding in 1964, it has made tremendous gains to improve the lives of Americans diagnosed with cancer. When the Society was formed, cancer was often fatal with few effective treatments. Today, new and innovative treatments have developed that are changing what it means to receive a cancer diagnosis.

As a survivor of cancer of the appendix, I can attest to this personally. In 2007 I received an innovative treatment called hyperthermic intraperitoneal chemotherapy. This involves washing the abdomen with heated chemotherapy to eliminate cancerous cells. A little more than a year after receiving this treatment, I ran my first marathon. Three years later I began my first campaign for Congress, and seven years later I am still cancer-free.

Advancements in cancer treatments like this bring hope to the millions of Americans suffering from cancer, and the 1.6 million Americans who will receive a cancer diagnosis this year.

I thank the ASCO for its continued research and contributions to the science in the last fifty years, and I look forward to the development of even more innovations to fight and cure cancer.

PERSONAL EXPLANATION

**HON. NIKI TSONGAS**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 10, 2014*

Ms. TSONGAS. Mr. Speaker, on rollcall vote No. 273 held on June 9, 2014, I intended to vote "no." I oppose Amendment 783 offered by Representative BROWN to H.R. 4745. Nearly 32 million passengers rely on Amtrak for business and recreational travel annually. The Northeast Corridor, which runs between

Washington, DC and my home State of Massachusetts, is one of the busiest and most technically advanced tracks in the world. We ought to be investing more in our nation's passenger rail system, not less.
