IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the

consideration of the bill (H.R. 4800) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2015, and for other purposes, with Mr. HASTINGS of Washington in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Alabama (Mr. ADERHOLT) and the gentleman from California (Mr. FARR) each will control 30 minutes.

The Chair recognizes the gentleman from Alabama.

Mr. ADERHOLT. Mr. Chairman, I yield myself such time as I may consume.

I am pleased to begin consideration of H.R. 4800, making appropriations for FY 2015 for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies. The bill before us is unique in that the programs supported in this bill will impact every American every day of the year.

We support America's farmers and ranchers, who are very vital to our Nation's economy and our health and well-being. We support those at home in need with food and housing and provide rural businesses with low-interest loans and grants to help them sustain local economies. We help others around the world that face starvation and malnutrition. We support research and development in agriculture to improve productivity and stability. We support the oversight of commodity markets, providing confidence for businesses, traders, investors, and the public. We support a safe food supply and safe and effective drugs and devices. We are fortunate this Nation can and does support these vital programs.

The bill before us this afternoon reflects a delicate balance of needs and requirements. We have drafted what I consider a responsible bill for FY 2015 spending levels for the departments and agencies that are under the jurisdiction of the subcommittee. We have had to carefully prioritize the funding in this bill. We have had to make some hard choices about how to limit spending.

I want to thank the gentleman from Kentucky, Chairman ROGERS, for supporting us with a very fair allocation for this bill and for helping us move this bill forward.

I also want to thank the gentleman from California (Mr. FARR), the subcommittee ranking member. He has been a valuable partner and colleague as we have moved forward with this legislation. I appreciate his commitment. I appreciate his understanding as we have moved forward on a wide variety of programs in this bill, and I sincerely thank him for his help. While I and the other subcommittee members have a wide array of agriculture in our districts, Mr. FARR represents an area sometimes referred to as the "salad bowl of the world."
