TRIBUTE TO SENATOR JIM BUNNING

Mr. MCCONNELL. Madam President, I rise to pay tribute to a great friend of mine and a friend of the Commonwealth of Kentucky, former Senator Jim Bunning. Jim has been an inspiration to Kentuckians for decades in many different roles—as a public servant, a man of integrity, a devoted father of 9 children, grandfather of 35, and a great-grandfather of 12, with 1 more on the way. But few public servants or family men can also claim to be in the Baseball Hall of Fame. Jim Bunning can, for his extraordinary Major League pitching career with the Detroit Tigers and with the Philadelphia Phillies.

With Father's Day approaching this weekend, I thought it appropriate to remember what Jim Bunning accomplished on Father's Day 1964. The date was June 21, and in front of his wife Mary, his eldest daughter Barbara, and more than 32,000 cheering fans, Jim Bunning delivered the perfect Father's Day gift by pitching a perfect game.

Let me take a moment to explain, for those who do not spend their youth playing baseball and collecting baseball cards as some of us did, what pitching a perfect game means and why it is such a legendary feat. To pitch a perfect game, a pitcher must pitch a full nine innings without allowing a batter to get on base for any reason—no hits, no walks, no hits by a pitch, and no errors. Twenty-seven batters must step to the plate and all 27 must sit down. It is an achievement that has been accomplished only 23 times in more than 135 years of Major League Baseball history—23 times in the history of Major League Baseball.

At the time Jimmy's pitching perfection was only the seventh perfect game in Major League Baseball history. It was the first perfect game in regular season play in more than 42 years and the first in the National League since 1880. As the Philadelphia Phillies were the visitors against the New York Mets, it was also the first-ever perfect game pitched in Shea Stadium.

Jimmy's day started as did any other Sunday. He went to 9 a.m. Mass and
