

and the Special Court for Sierra Leone convicted Charles Taylor for war crimes and crimes against humanity, the actions and policies of former Liberian President Charles Taylor and other persons, in particular their unlawful depletion of Liberian resources and their removal from Liberia and secreting of Liberian funds and property, still challenge Liberia's efforts to strengthen its democracy and the orderly development of its political, administrative, and economic institutions. These actions and policies continue to pose an unusual and extraordinary threat to the foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to the former Liberian regime of Charles Taylor.

BARACK OBAMA.
