SUBMITTED RESOLUTIONS

SENATE RESOLUTION 517—EX-PRESSING SUPPORT FOR ISRAEL'S RIGHT TO DEFEND ITSELF AND CALLING ON HAMAS TO IMMEDIATELY CEASE ALL ROCKET AND OTHER ATTACKS AGAINST ISRAEL

Mr. GRAHAM (for himself, Mr. SCHUMER, Ms. AYOTTE, Mr. CARDIN, Mr. RUBIO, and Mr. BLUMENTHAL) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 517

Whereas, on July 17, 2014, the Senate unanimously passed a resolution supporting Israel's absolute right to defend its citizens

and ensure the survival of the State of Israel, condemning the actions of Hamas, and calling for the President of the Palestinian Authority to dissolve the unity government with Hamas;

Whereas, since June 2014, Hamas has fired over 1,800 rockets at Israel;

Whereas Hamas has used a system of tunnels to smuggle weapons and launch attacks on Israel;

Whereas, since ground operations in Gaza began, the Israeli Defense Forces (IDF) have discovered 28 of these tunnels whose only purpose is to kill and kidnap Israelis;

Whereas Hamas' weapons arsenal includes approximately 12,000 rockets that vary in range;

Whereas innocent Israeli civilians are indiscriminately targeted by Hamas rocket attacks;

Whereas 5,000,000 Israelis are currently living under the threat of rocket attacks from Gaza;

Whereas the Iron Dome system has saved countless lives inside Israel;

Whereas, consistent with Article 51 of the United Nations charter, which recognizes a nation's right to self-defense, Israel must be allowed to take any actions necessary to remove those threats;

Whereas the IDF has used text messages, leaflet drops, phone calls, and other methods to clear out areas and avoid unnecessary civilian casualties;

Whereas Hamas uses civilians in Gaza as human shields by placing missile launchers next to schools, hospitals, mosques, and private homes;

Whereas Hamas' interior ministry has called on residents of Gaza to ignore IDF warning to get out of harm's way; and

Whereas any effort to broker a ceasefire agreement that does not eliminate those threats cannot be sustained in the long run and will leave Israel vulnerable to future attacks: Now, therefore, be it

Resolved, That the Senate—

(1) reaffirms its support for Israel's right to defend its citizens and ensure the survival of the State of Israel;

(2) calls on the United Nations Secretary General to immediately condemn the terrorist attacks by Hamas on Israel;

(3) urges the international community to condemn the unprovoked rocket fire at Israel;

(4) recognizes that the Government of Israel must be allowed to take actions necessary to remove the present and future threats posed by Hamas' rockets and tunnels;

(5) calls on Hamas to immediately cease all rocket and other attacks against Israel;

(6) opposes any efforts to impose a cease fire that does not allow for the Government of Israel to protect its citizens from threats posed by Hamas rockets and tunnels; and

(7) calls on Hamas to stop using residents of Gaza as human shields.

SENATE RESOLUTION 518—DESIGNATING THE WEEK OF OCTOBER 12 THROUGH OCTOBER 18, 2014, AS "NATIONAL CASE MANAGEMENT WEEK" TO RECOGNIZE THE ROLE OF CASE MANAGEMENT IN IMPROVING HEALTH CARE OUTCOMES FOR PATIENTS

Mr. PRYOR (for himself and Mr. BOOZMAN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 518

Whereas case management is a collaborative process of assessment, education,

planning, facilitation, care coordination, evaluation, and advocacy;

Whereas the goal of case management is to meet the health needs of the patient and the family of the patient, while respecting and assuring the right of the patient to self-determination through communication and other available resources in order to promote high-quality, cost-effective outcomes;

Whereas case managers are advocates who help patients understand their current health status, guide patients on ways to improve their health, and provide cohesion with other professionals on the health care delivery team;

Whereas the American Case Management Association and the Case Management Society of America work diligently to raise awareness about the broad range of services case managers offer and to educate providers, payers, regulators, and consumers on the improved patient outcomes that case management services can provide;

Whereas through National Case Management Week, the American Case Management Association and the Case Management Society of America aim to continue to educate providers, payers, regulators, and consumers about how vital case managers are to the successful delivery of health care;

Whereas the American Case Management Association and the Case Management Society of America will celebrate National Case Management Week during the week of October 12 through October 18, 2014, in order to recognize case managers as an essential link to patients receiving quality health care; and

Whereas it is appropriate to recognize the many achievements of case managers in improving health care outcomes: Now, therefore, be it
