RECOGNIZING THE PASSING OF FORMER REPRESENTATIVE HERBERT HARRIS

Mr. CONNOLLY. Mr. Speaker, it is with great sadness that I rise with the members of the Virginia delegation to inform our colleagues of the passing of one of our colleagues, former Member of this Chamber, Herbert Harris. Herb died at the age of 88 on Christmas Eve at his home in the Mount Vernon district of Fairfax County.

He served three terms in this body, from 1974 to 1980, representing what was then Virginia's Eighth Congressional District.

Like his predecessor Stan Parris, my predecessor Tom Davis, and myself, Herb served on the Fairfax County Board of Supervisors prior to his election to Congress, and that experience served him well here in the House.

He was a champion for the region, helping secure the necessary Federal funds to complete construction of the Metro system here in the Nation's Capital and to expand the Manassas National Battlefield Park for Civil War preservation. He returned to private law practice after leaving the House.

Our former colleagues, Representatives Moran, Davis, and Wolf, collaborated in 2001 on a bipartisan basis to honor Herb by naming a new post office in the Mount Vernon district in his honor.

Many of us attended funeral services for Herb earlier this week, and flags were flown at half-mast throughout Fairfax County and at the capitol in Richmond.

Mr. Speaker, I now ask my colleagues to join all of us in extending our gratitude for his public service and our sympathy to his family and friends by standing with us at this moment to observe a moment of silence in Herb Harris' memory.

AUTHORIZING THE SPEAKER TO ADMINISTER THE OATH OF OFFICE

Ms. FOXX. Mr. Speaker, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 20

Resolved, Whereas, Alan Nunnelee, a Representative-elect from the First District of the State of Mississippi, has been unable from illness to appear in person to be sworn as a Member of the House, and there being no contest or question as to his election; Now, therefore, be it

Resolved, That the Speaker, or deputy named by him, is hereby authorized to administer the oath of office to the Honorable Alan Nunnelee at Tupelo, Mississippi and that such oath be accepted and received by the House as the oath of office of the Honorable Alan Nunnelee.

The resolution was agreed to.

A motion to reconsider was laid on the table.

APPOINTMENT OF HON. MICHAEL MILLS TO ADMINISTER OATH OF OFFICE TO HON. ALAN NUNNELEE

The SPEAKER pro tempore. Pursuant to the provisions of House Resolution 20, 114th Congress, the Chair appoints the Honorable Judge Michael Mills of the Northern District of Mississippi, United States District Court, to administer the oath of office to the Honorable ALAN NUNNELEE.

BIPARTISAN JOBS BILLS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, over the past three terms, the House has acted to grow our economy, control spending, and limit the abusive Federal regulations that are harming small businesses and making it harder for American families to make ends meet.

Despite some progress, a large portion of this agenda was denied consideration in the Senate.

As we begin this new Congress, we face new opportunities and challenges, but what is certain, Mr. Speaker, is the American people sent a clear message: they have called on Washington to put forward solutions and solve the problems that they face.

This week, we begin on that path with consideration of several legislative measures designed to grow the economy and create jobs, including the Hire More Heroes Act, the Save American Workers Act, and approval of the Keystone XL pipeline.

These are several of the many jobs bills that have received broad bipartisan support; yet for one reason or another, they have been denied consideration under the previous Senate majority.

The American people deserve better, Mr. Speaker, and more gridlock is not the option.

THE SEPARATION OF POWERS ACT

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, the United States Congress has been sworn into office. We all took an oath to support and defend the United States Constitution.

The Constitution, however, is under attack by the policies of the administration. The administration has unconstitutionally, illegally, and unwisely issued a decree that, in essence, grants amnesty to about 5 million people.

The real issue is not an immigration issue because we need immigration re-

form, but it is a constitutional issue. The Constitution has been bruised by the improper act of the President.

All Members who support the Constitution and constitutional government, rather than a government run by one person, should oppose the illegal action memo of the administration.

Along with Representative BLACK of Tennessee, I have introduced the Separation of Powers Act. This bill will prohibit taxpayer funds to be used or appropriated for the recent illegal actions of the administration's granting amnesty.

The President also has been sworn to support the Constitution, and it is Congress' duty to make the laws, whether the administration likes it or not. The Constitution is not a mere suggestion. It is the law of the land.

And that is just the way it is.

FIGHTING TERRORISM

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, in the last couple of days, we have seen tragic incidents occurring against innocent people, today in particular, the tragic killing of journalists and police officers in Paris, France, terrorist acts against innocent persons and persons who we know in the United States have the right to the First Amendment and freedom of expression that is the very core of the principles of this Nation of which we value and which our soldiers have gone to faraway wars to fight for.

At the same time, Boko Haram, a terrorist group that has plagued the African continent, mainly in Nigeria, Chad, Cameroon, and around the areas of Niger, have taken a city near Lake Chad. They have seized that city. They have taken over the military base. They are continuing to kill thousands and causing 1.5 million to be displaced.

Again, we have to fight terrorism in a universal manner, both in terms of our attitudes and values, but more importantly, in the organizing of African nations to stand up against these heinous terrorists, who have stolen children, 300 girls and boys, and taken them from their families and lives. Boko Haram cannot be in control. We must, in a united way, stand against them and provide for the peace and tranquility of the people of the continent where they are.

AMERICA'S NEW CONGRESS

The SPEAKER pro tempore (Mr. ABRAHAM). Under the Speaker's announced policy of January 6, 2015, the gentlewoman from North Carolina (Ms. FOXX) is recognized for 60 minutes as the designee of the majority leader.

Ms. FOXX. Mr. Speaker, since I was first elected to Congress in 2004, I have heard from thousands of constituents across North Carolina's Fifth District.
