#### ADDITIONAL STATEMENTS

##### REMEMBERING BOB MORALES

• Mrs. BOXER. Mr. President, today I ask my colleagues to join me in honoring the life and work of Teamsters Local 350 Secretary-Treasurer Bob Morales, who died in South San Francisco on January 26 at the age of 71. Bob was a great labor leader and a dear personal friend, and I will miss him terribly.

Born in El Salvador in 1943, Bob came to the United States with his family as a teenager. After completing his education in San Francisco, he served in the United States Army for 2 years, reaching the rank of Sergeant Fifth Class.

Bob began his extraordinary career with the Metal Polishers and Platers Union of the AFL-CIO. He joined the Teamsters Local 350 in 1973 as a busi-

ness representative, quickly becoming secretary-treasurer after only 2 years. In this role, Brother Bob negotiated some of the best union contracts in the Nation, providing his members with outstanding wages and benefits. A fearless advocate for California workers, Bob held several positions within the Teamsters, serving as the first and only director of the union's Solid Waste, Recycling and Related Industries Division, secretary-treasurer of Teamsters Joint Council 7, and Chairman of both the California and National Teamsters Hispanic Caucuses. As a testament of his successful leadership, Bob's colleagues named him a trustee to the Western Conference of Teamsters Pension Trust—the largest labor pension fund in the western United States. In 1992, Bob was honored as Labor's Man of the Year in San Francisco.

Beyond his tireless work in the labor movement, Bob was involved with numerous charitable organizations, including the United Way of California, the Martin Luther King Jr. Society of San Francisco, the A. Philip Randolph Institute, the Hispanic Foundation, and the San Francisco Senior Centers.

On behalf of the people of California who Bob so diligently served, I send my deepest condolences to his wife Maria, son David, their extended family, and Bob's many friends, colleagues, and admirers.●

#### RECOGNIZING THE IMPORTANCE OF SCHOOL CHOICE

• Mr. BOOZMAN. Mr. President, the Senate passed a resolution that I was proud to cosponsor recognizing this week as National School Choice Week.

As a former school board member, I understand that State and local governments are best equipped to make education decisions for their communities—not Washington. Students and parents deserve to choose the education that meets their needs. I am committed to empowering parents with the ability to choose the best education options for their children.

I asked Arkansans to share with me why school choice is important to them. Crystal Holland of Beebe wrote to me about her son, Hunter, who has high-functioning autism. She wrote that he was misdiagnosed with ADHD when he was 4 years old and diagnosed with autism when he was 11 years old. "He missed out on some very important critical skills because of all the discipline problems he was having due to anxiety," Holland wrote. "School choice allows me to homeschool him as a result and I am very thankful for the opportunity."

Bob and Mary Anne Fielder of Hot Springs included competition in their email to me. "Competition is always good. You would see a much improved public school system," they wrote.

I agree with the Fielders. Competition among schools improves the standards for everybody. This Congress
