Ms. JACKSON LEE changed her vote from “aye” to “no.”

So the resolution was agreed to.
The result of the vote was announced as above recorded.
A motion to reconsider was laid on the table.

IN MEMORY OF KAYLA JEAN MUELLER

(Mr. GOSAR asked and was given permission to address the House for 1 minute.)

Mr. GOSAR. Madam Speaker, we, the Arizona delegation, rise today to honor the life of one of our own, one of our young, and one of our very best.

Kayla Jean Mueller of Prescott, Arizona, was a young woman full of youthful exuberance, optimism about peace and humanity, and was willing to put her life on the line to help others halfway around the world. Kayla stood as a beacon of light and hope in a time that is too often filled with darkness. She was a beautiful soul, and I know she is with God now.

While all of our hearts are heavy with the sadness of Kayla's passing, we stand here unified and strengthened to carry on her spirit, courage, and compassion that has touched millions. We must endeavor to remain brave and strong in the face of those who wish to terrify, just as Kayla did.

No parent should ever have to endure the pain and suffering of losing a child so early, but now, let us look back fondly upon her life and the many ways she made our lives better by the words she spoke: “I find God in the suffering eyes reflected in mine. If this is how you are revealed to me, this is how I will forever seek you.”

I now yield to the gentlewoman from Arizona (Mrs. KIRKPATRICK).

Mrs. KIRKPATRICK. Madam Speaker, we are here today to honor Kayla Mueller, her courage, and her undying spirit and determination; and we are here to offer our hearts and prayers in comfort to her grieving family and friends.

In Arizona, in Flagstaff and in Prescott, we are all neighbors, and we are all friends. Kayla went to Northern Arizona University, which is in my hometown, Flagstaff. In talking to her friends and her professors, everyone talked about her dedication to serving others. Even if it meant going to faraway places that were dangerous, she was driven by a compassion to help the suffering.

We know that her short life is proof that one dedicated soul can touch a thousand others. Let us all keep Kayla's family in our prayers and her legacy in our hearts.

Mr. GOSAR. Madam Speaker, I now ask the House to join my colleagues and me for a moment of silence to honor the immortal spirit of Kayla Mueller.

There was no objection.
The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, on which the yeas and nays were ordered.

The question is on the Speaker's approval of the Journal.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 263, nays 156, answered “present” 1, not voting 12, as follows:

□ 1518

Mr. PALMER changed his vote from "yea" to "nay."

So the Journal was approved.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. ROE of Tennessee. Mr. Speaker, I was unable to vote today because of a serious illness in my family. Had I been present, I would have voted: rollcall No. 71—"yea", rollcall No. 72—"aye", rollcall No. 73—"yea."

KEYSTONE XL PIPELINE APPROVAL ACT

GENERAL LEAVE

Mr. SHUSTER. Madam Speaker, I ask unanimous consent that all Mem-

bers have 5 legislative days to revise and extend their remarks and include extraneous materials on S. 1.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

Mr. SHUSTER. Madam Speaker, pursuant to House Resolution 100, I call up the bill (S. 1) to approve the Keystone XL Pipeline, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Pursuant to House Resolution 100, the bill is considered read.

The text of the bill is as follows:

S. 1

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Keystone XL Pipeline Approval Act".

SEC. 2. KEYSTONE XL APPROVAL.

(a) IN GENERAL.—TransCanada Keystone Pipeline, L.P. may construct, connect, operate, and maintain the pipeline and cross-border facilities described in the application filed on May 4, 2012, by TransCanada Corporation to the Department of State (including any subsequent revision to the pipeline route within the State of Nebraska required or authorized by the State of Nebraska).

(b) ENVIRONMENTAL IMPACT STATEMENT.—The Final Supplemental Environmental Impact Statement issued by the Secretary of State in January 2014, regarding the pipeline referred to in subsection (a), and the environmental analysis, consultation, and review described in that document (including appendices) shall be considered to fully satisfy—

(1) all requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.); and

(2) any other provision of law that requires Federal agency consultation or review (including the consultation or review required under section 7(a) of the Endangered Species Act of 1973 (16 U.S.C. 1536(a))) with respect to the pipeline and facilities referred to in subsection (a).

(c) PERMITS.—Any Federal permit or authorization issued before the date of enactment of this Act for the pipeline and cross-border facilities referred to in subsection (a) shall remain in effect.

(d) JUDICIAL REVIEW.—Except for review in the Supreme Court of the United States, the United States Court of Appeals for the District of Columbia Circuit shall have original and exclusive jurisdiction over any civil action for the review of an order or action of a Federal agency regarding the pipeline and cross-border facilities described in subsection (a), and the related facilities in the United States, that are approved by this Act (including any order granting a permit or right-of-way, or any other agency action taken to construct or complete the project pursuant to Federal law).

(e) PRIVATE PROPERTY SAVINGS CLAUSE.—Nothing in this Act alters any Federal, State, or local process or condition in effect on the date of enactment of this Act that is necessary to secure access from an owner of private property to construct the pipeline and cross-border facilities described in subsection (a).

(f) PRIVATE PROPERTY PROTECTION.—Land or an interest in land for the pipeline and cross-border facilities described in subsection (a) may only be acquired consistently with the Constitution.

SEC. 3. COORDINATION OF ENERGY RETROFITTING ASSISTANCE FOR SCHOOLS.

(a) DEFINITIONS.—In this section:

(1) SCHOOL.—The term "school" means—

(A) an elementary school or secondary school (as defined in section 9101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801));

(B) an institution of higher education (as defined in section 102(a) of the Higher Education Act of 1965 (20 U.S.C. 1002(a));

(C) a school of the defense dependents' education system under the Defense Dependents' Education Act of 1978 (20 U.S.C. 921 et seq.) or established under section 2164 of title 10, United States Code;

(D) a school operated by the Bureau of Indian Affairs;

(E) a tribally controlled school (as defined in section 5212 of the Tribally Controlled Schools Act of 1988 (25 U.S.C. 2511)); and

(F) a Tribal College or University (as defined in section 316(b) of the Higher Education Act of 1965 (20 U.S.C. 1059c(b))).

(2) SECRETARY.—The term "Secretary" means the Secretary of Energy.

(b) DESIGNATION OF LEAD AGENCY.—The Secretary, acting through the Office of Energy Efficiency and Renewable Energy, shall act as the lead Federal agency for coordinating and disseminating information on existing Federal programs and assistance that may be used to help initiate, develop, and finance energy efficiency, renewable energy, and energy retrofitting projects for schools.

(c) REQUIREMENTS.—In carrying out coordination and outreach under subsection (b), the Secretary shall—

(1) in consultation and coordination with the appropriate Federal agencies, carry out a review of existing programs and financing mechanisms (including revolving loan funds and loan guarantees) available in or from the Department of Agriculture, the Department of Energy, the Department of Education, the Department of the Treasury, the Internal Revenue Service, the Environmental Protection Agency, and other appropriate Federal agencies with jurisdiction over energy financing and facilitation that are currently used or may be used to help initiate, develop, and finance energy efficiency, renewable energy, and energy retrofitting projects for schools;

(2) establish a Federal cross-departmental collaborative coordination, education, and outreach effort to streamline communication and promote available Federal opportunities and assistance described in paragraph (1) for energy efficiency, renewable energy, and energy retrofitting projects that enables States, local educational agencies, and schools—

(A) to use existing Federal opportunities more effectively; and

(B) to form partnerships with Governors, State energy programs, local educational, financial, and energy officials, State and local government officials, nonprofit organizations, and other appropriate entities to support the initiation of the projects;

(3) provide technical assistance for States, local educational agencies, and schools to help develop and finance energy efficiency, renewable energy, and energy retrofitting projects—

(A) to increase the energy efficiency of buildings or facilities;

(B) to install systems that individually generate energy from renewable energy resources;

(C) to establish partnerships to leverage economies of scale and additional financing mechanisms available to larger clean energy initiatives; or

(D) to promote—

(i) the maintenance of health, environmental quality, and safety in schools, including the ambient air quality, through energy efficiency, renewable energy, and energy retrofit projects; and
