IN RECOGNITION OF KATHLEEN
HODEL

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. GOSAR. Mr. Speaker, I rise today to recognize an exemplary Arizonan, volunteer and fundraiser. Kathleen Hodel has become one of Lake Havasu City's greatest assets over her 20-year career. During this time she has been involved with and served on the boards of some 18 community organizations.

Two years ago, Kathy Hodel was diagnosed with an aggressive form of bone cancer. The irony of the situation that Kathy has spent years of her life fundraising for cancer research and cancer patients is not lost. She still continues fundraising and is an active member of her community.

Some of Ms. Hodel's most lasting efforts can be attributed to the fundraising she has done on behalf of Mohave Community College Foundation, resulting in a new library, classroom buildings, and scholarships for students.

Her list of achievements and awards is long and well-deserved. Most recently, in November of 2014, Kathy Hodel was recognized by the Greater Arizona Chapter of the Association of Fundraising Professionals with the Spirit of Philanthropy Award at the 30th Annual Leadership in Philanthropy Awards Dinner.

It is my honor to commend Kathy Hodel for being such a shining beacon of positive influence and selflessness in the Mohave County community. She is an example to us all of what can be achieved with hard work, determination, enthusiasm and compassion. Kathy, we thank you for your lifetime of service.

TRIBUTE TO COLONEL WILLIAM B.
WALKUP—TENNESSEE AIR NA-
TIONAL GUARD

HON. SCOTT DesJARLAIS

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. DesJARLAIS. Mr. Speaker, I rise today to honor Colonel William B. Walkup, Commander of the Tennessee National Guard's 118th Wing, Mission Support Group.

After 32 years of dedicated service to our state and country, Colonel Walkup has announced his retirement, effective April 18, 2015.

Through the numerous roles and positions of leadership, Colonel Walkup has made a lasting impact on the guardsmen of the 118th Wing and our state's Air National Guard.

Over the past three decades, Colonel Walkup was a Squadron Navigator, Chief of Current Operations, Chief Navigator, Operations Support Squadron Commander, Aircraft Maintenance Squadron Commander and Maintenance Group Commander. Colonel Walkup has participated in deployments to the Middle East, Europe, Central and South America, and Southwest Asia. He has flown combat and support missions in Somalia, Bosnia and Southwest Asia.

While deployed abroad during Operation Iraqi Freedom, Colonel Walkup served as the 485th Deputy Maintenance Group Commander, in charge of the largest C-130 contingent in the war with 46 assigned aircrafts. In addition, Colonel Walkup served as the 486th and 332nd Maintenance Group Commander, during which he successfully lead over two hundred members in humanitarian, logistics and aircraft maintenance support with deployments to Afghanistan, Saudi Arabia, United Arab Emirates and Kuwait for Operation Enduring Freedom, Operation Joint Forge, the Global War on Terrorism, and Operation Unified Response.

Colonel Walkup's success as a guardsman is the product of hard work, an exceptional level of dedication, and a love for country that is unparalleled.

Mr. Speaker, this recognition is certainly well-deserved and is a testament to the heroism and dedication to duty that has marked Colonel Walkup's exemplary service in the Tennessee Air National Guard. I, along with the citizens of a grateful state and nation, extend a heartfelt thanks for his outstanding service to this great country and wish him the very best upon his retirement.

THE MEDICAID PHYSICIAN SELF-
REFERRAL ACT OF 2015

HON. JIM McDERMOTT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. McDERMOTT. Mr. Speaker, I rise today to introduce the Medicaid Physician Self-Referral Act of 2015. This bill makes a necessary clarification to Section 1902 of the Social Security Act. It provides that Medicaid designated health services claims are subject to the same requirements as Medicare designated health services claims under the Physician Self-Referral Law.

Currently, there is uncertainty among stakeholders regarding the extent to which the requirements of the Physician Self-Referral Law apply to Title XIX of the Social Security Act. As a result, an important tool for fighting fraud in the healthcare system—which has successfully been employed for many years in the Medicare program—is underutilized in the Medicaid context. Congressional action is needed to provide legislative clarity that will strengthen the integrity of the Medicaid program in this area.

Health care providers subject to the Physician Self-Referral Law should not be able to avoid penalties simply because a claim is a Medicaid claim rather than a Medicare claim. Both programs involve taxpayer money and we need to ensure that law enforcement officials have the tools they need to combat fraud, waste, and abuse.

Although the law has long provided that the Medicaid and Medicare programs are on equal footing with respect to the Physician Self-Referral Law, this bill leaves no doubt that Congress intends this to be the case.

HONORING LARRY SHARP

HON. PETE AGUILAR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. AGUILAR. Mr. Speaker, today I rise to honor the life and legacy of Larry Sharp, a community leader from California's Inland Empire. Over the course of his career, Larry Sharp was a consistent advocate for working families. From his leadership on crucial economic projects, to his devotion to public education, to his dedication to support local businesses, Larry was an integral part of our community.

While Larry was the successful CEO and President of Arrowhead Credit Union, he was better known in the community as a leader, activist, father, and grandfather. He was a true community leader, never failing to stand up and defend his friends or neighbors when they were in need. During one of the most difficult times in recent memory, the 2008 economic crisis, Larry was at the forefront of helping Inland Empire residents facing housing and financial challenges. He worked with Republicans and Democrats at all levels of government, as long as it meant he was working on behalf of his community.

Larry was a leader, an advocate, but most importantly—he was a dear friend and mentor. He served his community for decades, and we are so much better for it. He will be dearly missed by his wife Cassie, five children, four grandchildren, and the entire Inland Empire Community. We will always be indebted to him for his devotion and work that bettered the lives of San Bernardino County's working families.

HONORING THE LIFE AND MEDICAL CONTRIBUTIONS OF DR.
JOHN SHEA, JR.

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. COHEN. Mr. Speaker, I rise today to honor the life and medical contributions of renowned surgeon, innovator and "father of middle-ear surgery," Memphian Dr. John Shea, Jr. A graduate of the University of Notre Dame and Harvard Medical School, Dr. Shea served in the Korean War before returning to Memphis and taking over his father's medical practice in 1952. Two years later, he traveled to Vienna, Austria where he began extensive research into otosclerosis that would lead to his inventing the world's first prosthetic stapes—the tiny stirrup-shaped bone in the middle ear—and performing the groundbreaking stapedectomy procedure, which has since been used by doctors worldwide.

While in Vienna, he read German manuscripts on otosclerosis, which is a condition of the inner ear that causes calcification of the

stapes and is considered a leading cause of deafness. Although the medical community ended surgical attempts to address this condition 50 years earlier, Dr. Shea had a vision to combat this cause of deafness in middle-aged adults by replacing the calcified bone with a prosthetic. While many of his colleagues questioned the procedure as dangerous, Dr. Shea was convinced through his research that the revolutionary surgery would work. On May 1, 1956, he successfully performed the first stapedectomy and went on to repeat the procedure nearly 50,000 times during his career before retiring in 2011.

In addition to inventing the prosthetic stapes and developing the stapedectomy, Dr. Shea contributed to otology surgical instruments, including drills and microscopes, and intratympanic perfusion treatment for Meniere's disease or spontaneous vertigo. His ingenuity earned him a spot on the London Times list of "1,000 Makers of the Twentieth Century" and a 1962 featured cover article in Life magazine as one of five people who were recognized as part of "The Takeover Generation." In 2013, he donated 406 papers, including over 300 published articles, documenting his life's work to the local Memphis Public Library's Memphis Room. Dr. Shea belonged to more than 50 scientific societies, and was a clinical professor in the otolaryngology departments of the University of Tennessee, the University of Mississippi, the University of North Carolina and Tulane University. Additionally, he received honorary doctorates from Memphis schools Christian Brothers University and Rhodes College, and an honorary fellowship from the Australian and English Royal College of Surgeons.

In 1985, Dr. Shea opened the Shea Ear Clinic at Poplar and Ridgeway in Memphis where his son, Dr. Paul Shea, continues the family practice today. Dr. Shea, Jr. was a pioneer in the field of otology and a legendary doctor who helped usher in a new era of treatment. He came from one family of physicians and leaves behind another. My father, Dr. Morris D. Cohen, taught me about Dr. Shea, Sr. and Jr. and always spoke admiringly of them and their level of professionalism. While many Memphis physicians have received national acclaim, none have been more renowned than Dr. John Shea, Jr. Memphis will miss Dr. John Shea, Jr., and I send my condolences to his wife Lynda Lee Mead; sons Paul and Dr. John Shea III (private practice otologist); daughters Susanna Shea and Wendy Canarios; seven grandchildren and three great grandchildren; and his friends and loved ones. I ask my colleagues to join me in recognizing the life and medical contributions of Dr. John Shea, Jr. His was a life well-lived.

PERSONAL EXPLANATION

HON. JOHN FLEMING

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mr. FLEMING. Mr. Speaker, I was unable to be in Washington for votes on Tuesday, February 24, 2015. Winter weather conditions in Northern Louisiana caused my flight to be cancelled. Had I been in attendance, I would have voted NAY on H.R. 212 and AYE on H.R. 734.

HONORING DR. ERNO DANIEL

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 25, 2015

Mrs. CAPPS. Mr. Speaker, today I rise to honor the memory of Dr. Erno Scipiades Daniel who passed away on February 21, 2015. Dr. Daniel was a devoted and renowned physician in our local community of Santa Barbara, California and although he has passed, his legacy will remain with us for years to come.

Dr. Daniel was born on December 15, 1946 in Budapest, Hungary and as a child lived through the Hungarian Revolution of 1956. As a teenager he immigrated to the United States with his mother and sister to reunite with his father who left for the U.S. a decade earlier. In 1964, Dr. Daniel not only earned his American citizenship, but also a high school diploma from Santa Barbara High School. He continued his studies at the California Institute of Technology earning an undergraduate degree in chemistry, later receiving a master's degree and PhD from the University of California, San Diego. An outstanding and hard-working student, Dr. Daniel then graduated from medical school at the University of California, Los Angeles, where he also completed his residency in internal medicine.

Dr. Daniel is known as a dedicated and distinguished physician throughout our community where he practiced at the local Sansum Clinic since 1978. Later in his life he also served as the medical director of the Vista del Monte Rehabilitation and Care Center, was on the medical and scientific advisory board of the Center for Cognitive Fitness and Innovative Therapies of Santa Barbara, and devoted his time at Santa Barbara's Cottage Hospital teaching in the internal medicine residency program. Known for his expertise in geriatric medicine, Dr. Daniel established himself as a leading educator in dementia and Alzheimer's disease. He traveled across the United States lecturing on these diseases and was the author of a variety of educational sources discussing the topic.

Not only was Dr. Daniel a brilliant physician, but also a loving husband, father, and grandfather. Married to the love of his life for over 38 years, there was nothing that brought him greater happiness than his family. His medical legacy and kindness towards others will live on through both his family and the numerous patients whose lives he touched throughout his professional career. He will be greatly missed by his colleagues, patients, family, and the greater Santa Barbara community.

I offer my heartfelt condolences to Dr. Daniel's family and friends, and ask my colleagues to join me in honoring this exemplary citizen and member of the Santa Barbara community.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference.
