our Nation that he brought about. This bill is an important first step toward establishing the trail, and I look forward to continuing to work with the committee and the National Park Service to make this a reality.

Ms. TSONGAS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 984 directs the Secretary of the Interior to conduct a study on the feasibility of designating the Chief Standing Bear National Historic Trail in Oklahoma, Nebraska, and Kansas. The trail extends 550 miles, following the same route taken by Chief Standing Bear and the Ponca people during Federal Indian removal in 1877 and their subsequent return to Nebraska.

Chief Standing Bear played an important role in American history as the first Native American recognized by the United States Government as a person under law, following his arrest and imprisonment in Canada. Unfortunately, at that time, leaving the reservation was a violation of the law. It is only right that we look into the feasibility of including this trail as part of the national historic trails system, to reflect on a not-so-proud period of history. Our country when Native Americans were treated as second-class citizens and to honor the courage of Chief Standing Bear and the Ponca people.

This bill passed the House last Congress. I thank my colleagues on the other side of the aisle for advancing this legislation again, and Representative FORTENBERRY for his leadership on this bill.

I support passage of this bill, and I reserve the balance of my time.

Mr. BISHOP of Utah. Mr. Speaker, I yield myself such time as I may consume.

As was just mentioned before, this bill authorizes the study, which is the appropriate first step in all these types of procedures. Any designation of a trail would require additional action from this committee and this Congress. With that, Mr. Speaker, I reserve the balance of my time.

Ms. TSONGAS. Mr. Speaker, I yield back the balance of my time.

Mr. BISHOP of Utah. Mr. Speaker, I yield myself the balance of my time.

This is a very good bill. I appreciate the gentleman from Nebraska bringing this legislation again, and Representative FORTENBERRY for his leadership on this bill.

I support passage of this bill, and I reserve the balance of my time.

Mr. BISHOP of Utah. Mr. Speaker, I yield myself such time as I may consume.

Mr. BISHOP of Utah. Mr. Speaker, I yield myself the balance of my time.

This is a very good bill. I appreciate the gentleman from Nebraska bringing it to our attention. I also appreciate him saying I am distinguished. It is obviously the new shirt that I am wearing.

I urge adoption of this particular bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah (Mr. BISHOP) that the House suspend the rules and pass the bill, H.R. 984.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
