INTRODUCTION OF A BILL TO REMOVE THE RESTRICTIONS ON CERTAIN LAND TRANSFERRED TO ROCKINGHAM COUNTY, VIRGINIA

HON. BOB GOODLATTE

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. GOODLATTE. Mr. Speaker, I rise to introduce legislation to transfer land from the U.S. Department of Interior to Rockingham County, Virginia. For over 25 years, Rockingham County, Virginia has managed a small area of land in my congressional district as if it belonged to the County to meet the needs of the community and serve the public good. Although this land was already transferred from the Federal Government to the County, it was not done effectively. This legislation will finalize the efforts of a previous Congress and fully transfer this land to the County, while continuing to meet public needs.

Since 1989, a little over 3 acres of land and its associated buildings, previously wholly held by the Federal Government, have been maintained by Rockingham County and the Plains Area Daycare Center. In that year, the Department of the Interior deeded this land, which it no longer used, to Rockingham County for public good.

Prior to this official declaration, Rockingham County had already been maintaining the lands around the facility. The land and building had been used as a garage and maintenance facility for the National Forest Service. However, it was no longer being utilized, and the County was performing upkeep on the land.

PL 101–479 was approved in the 101st Congress to allow the buildings on this land to be used for the particular use of a non-profit day care that serves the County. Unfortunately, because of the narrow way Public Law 101–479 was drafted, any extension or maintenance of the physical structures has required approval by the Department of the Interior. Given that the building is used for a child care facility, this impedes the ability of the day care to move efficiently to make any necessary upgrades. The building is currently in need of repairs; however, because of the terms of the deed, the daycare center has been unable to get a loan to complete the needed renovations.

To be clear, the center and the playground are the sole reason that this previously abandoned government land is being used by the public today. The Federal Government no longer has a vested interest in the land.

Mr. Speaker, my legislation, which was approved by the House of Representatives in nearly a unanimous manner in the 113th Congress as H.R. 5162, is a simple formality. I have been pleased to visit the Plains Area Daycare Center on many occasions. By passing this legislation and allowing Rockingham County more authority over the land, it will ensure that more children and more of the community will be served by this land.

I urge swift consideration of this bill in the 114th Congress.
