

infrastructure, and build the Appalachian Development Highway System, ADHS.

Great strides have been made in Virginia's Appalachian Region, but more work remains. I am proud to have signed a letter to the chairman and ranking member on Appropriations requesting fiscal year 2016 ARC funding at the President's budget request of \$93 million. This critical work must continue until the 25 million Americans who live in the Appalachian Regions are helped out of poverty and can achieve socioeconomic parity with the Nation.

With the Appalachian Regional Commission's continued work and determination, I am confident that the region will continue toward economic progress, growth, and development.●

MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Mr. Pate, one of his secretaries.

PRESIDENTIAL MESSAGE

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13611 OF MAY 16, 2012, WITH RESPECT TO YEMEN—PM 16

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13611 of May 16, 2012, with respect to Yemen is to continue in effect beyond May 16, 2015.

The actions and policies of certain members of the Government of Yemen and others continue to threaten Yemen's peace, security, and stability, including by obstructing the implementation of the agreement of November 23, 2011, between the Government of Yemen and those in opposition to it, which provided for a peaceful transition of power that meets the legitimate demands and aspirations of the Yemeni people for change, and by obstructing the political process in Yemen. For

this reason, I have determined that it is necessary to continue the national emergency declared in Executive Order 13611 with respect to Yemen.

BARACK OBAMA.
THE WHITE HOUSE, May 13, 2015.
