

### WE MUST REAUTHORIZE THE EXPORT-IMPORT BANK NOW

(Ms. ADAMS asked and was given permission to address the House for 1 minute.)

Ms. ADAMS. Mr. Speaker, I rise today in support of reauthorizing the Export-Import Bank. Since 2009, the Export-Import Bank has created or sustained 1.3 million private sector jobs, many of which are small businesses. In my district alone, from 2007 to 2014, more than 28 companies, 800 jobs, and more than \$123 million in exports were supported by the Export-Import Bank. In addition to creating jobs, the Export-Import Bank is self-sustaining. At the end of this month, the Bank's charter will expire, hampering growth of small business exports.

Foreign companies are supporting their own like never before, Mr. Speaker. In stores across America, that is evident. It is time for our foreign competitors to see more "made in America." Our American companies deserve a fair chance at success. We must reauthorize the Export-Import Bank now.

### CELEBRATING THE THIRD ANNIVERSARY OF DACA

(Mr. CÁRDENAS asked and was given permission to address the House for 1 minute.)

Mr. CÁRDENAS. Mr. Speaker, today we celebrate the third anniversary of the Deferred Action for Childhood Arrivals, otherwise known as the DACA program. Today is also another day of mourning Congress' failure to pass comprehensive immigration reform. DACA is working; 640,000 DREAMers are already part of our American fabric and are contributing to our economy every day thanks to DACA.

In fact, this summer two DACA beneficiaries are interning in my office—Monica moved from Jalisco, Mexico, when she was 7. Her father was deported, but she worked hard and will graduate this fall from Cal State University Northridge with a degree in political science. DACA allowed her to get her driver's license so she could work to pay for her education.

Stephanie was born in Mexico City, moved to Santa Barbara when she was 10, and is pursuing a degree in political science at the University of California Los Angeles, UCLA, and is researching the economic impact of DACA. Thanks to DACA, every day DREAMers like Monica and Stephanie help drive our Nation's economy forward.

GENERAL LEAVE

Mr. BURGESS. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. BURGESS. Mr. Speaker, House Resolution 319 provides for a rule to consider two separate bills, which will address two of the most flawed and ill-conceived provisions contained within the so-called Affordable Care Act.

The rule provides for 1 hour of debate on H.R. 160 dealing with the repeal of the medical device tax, equally divided between the majority and minority on the Committee on Ways and Means, as well as the standard motion to recommit provided for the minority.

The rule further provides for 1 hour of debate on H.R. 1190, which would repeal the Independent Payment Advisory Board. This is equally divided between the majority and minority of both the Committee on Ways and Means and the Committee on Energy and Commerce. Further, the rule provides that the Pitts amendment, which will cover the cost of repealing the Independent Payment Advisory Board by using the Affordable Care Act's prevention fund, a slush fund for the Secretary, which has been used to pay for everything from urban gardening to lobbying for higher cigarette taxes, be added to the bill. As with H.R. 160, the standard motion to recommit is also provided to the minority on H.R. 1190.
