HONORING CALVARY M. B. CHURCH

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 22, 2015*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a church family whose desire is to do God's will, Calvary M. B. Church. Calvary M. B. Church has served the Yazoo County community over a century through faith and service.

Calvary M. B. Church desire is to bring people closer to the Lord. They want to build the foundation of faith in young people and remind the Yazoo community that anything is possible through love, faith and prayer.

Calvary, located on Broadway, began welcoming the community to its services over 100 years ago. November 15, 2015 will mark 131 years of praise, prayer and worship.

On April 1, 1889 a small group purchased a lot for \$50 which became the site of Calvary. For an additional \$35, another lot was purchased along with the original and this site would later develop into the modern day church.

According to church history notes the first pastor was Rev. Phillips. As the years progressed the congregation grew, even amidst growth, there were challenges. Small fires struck the church. Over the years several pastors called Calvary home. But it seemed like perfect timing when Pastor RaSean O. Thomas arrived at Calvary in 2009. Pastor Thomas is a product of Calvary.

Calvary has a rich history within the Yazoo community, its recent ministries and growth show what can be done through strong prayer and fellowship. Currently, the church has two hundred members and growing. The church has Sunday School, morning worship every Sunday, Wednesday night Bible Study, monthly street evangelism and prayer services, outreach project health fairs, men and women empowerment conferences and other ministries. There is always something going on inside the walls of Calvary.

Mr. Speaker, I ask my colleagues to join me in recognizing Calvary M. B. Church for its dedication to serving the community and doing God's will.

IN HONOR OF DON A. BUCKALEW  
AND BUCKALEW CHEVROLET

**HON. KEVIN BRADY**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 22, 2015*

Mr. BRADY of Texas. Mr. Speaker, today I honor my dear friend, Don A. Buckalew, and the golden anniversary of his ownership of Buckalew Chevrolet. For five decades Don and his family have supported our community and been a huge part of the Montgomery County success story.

Raised by L. A. and Nellie Mae Buckalew in the sawmill community of Magnolia, Don was Valedictorian of Magnolia High School before earning his business degree at Baylor University. After starting his automotive career in Tomball and Humble, he became a partner in the Weisinger Chevrolet Company in Conroe. When W. B. Weisinger sold 50 percent of the company to Don in January of 1965, the name became Weisinger-Buckalew Chevrolet. After Mr. Weisinger's passing, Don bought the remaining 50 percent and the name became Buckalew Chevrolet.

Over the last half century, the name Buckalew has been synonymous with customer service and community. Don has served as chairman of the Board of the Texas Automobile Dealers Association and on the Board of Directors of the Houston Automobile Dealer Association.

This Lion of the Year, Past International Director and Lions International Ambassador of Goodwill is a Lifetime Executive Committee Member and Director for the Houston Livestock Show & Rodeo, Lifetime Executive Committee and past Chairman of Montgomery County Fair Association, and has served as Chairman of Greater Conroe Economic Development Council, two-time Chairman and Man of the Year of Conroe/Lake Conroe Area Chamber of Commerce, President of Conroe Industrial Park, Inc., and Chairman of Montgomery County Hospital District. From being awarded the Time Quality Dealer Award by Time Magazine and National Automobile Dealers Association to receiving the Texas Automobile Dealers Association Legends Award, Don's industry and community accolades prove that with strong business and family principles, everything is possible.

Don Buckalew's unwavering support of youth and education is evident in his service as past President and Board Member of the Conroe Independent School District Board of Trustees. In a rare honor, Conroe ISD opened Don A. Buckalew Elementary School in 1998. In keeping with Don's love for all things Baylor, the Bear was named the school mascot and the colors are, not surprisingly, Green and Gold.

Don and his wife Elaine are members of First Baptist Church Conroe. They have 7 children, Debbie, Donnie, Denny, Deann, Kristen, Bryan and Lacey and 13 grandchildren. Five of Don's children, a daughter-in-law and three grandchildren have earned Baylor degrees and at least two more grandchildren will soon follow.

An outstanding record of leadership, service, honesty and integrity and love of family are only part of the Don Buckalew legend. My friend's philanthropic heart—his unsung support of those in his community who need it the

most—is an example to us all of how to walk in the steps of Our Lord. Please join me in celebrating the 50th Anniversary of Buckalew Chevrolet in Conroe and in honoring the man who has set that standard, Don Buckalew.

CONGRATULATING THE CANDLE-LITE COMPANY

**HON. BRAD R. WENSTRUP**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 22, 2015*

Mr. WENSTRUP. Mr. Speaker, on July 25, 2015, we congratulate the Candle-Lite Company of Leesburg, Ohio, for 175 years of continuous business in Southern Ohio, dating back to 1840.

Across three different centuries, the Candle-Lite Company has manufactured quality candles, lighting the region for generations. The company thrives on the American values of hard work and entrepreneurial perseverance as its employees craft beautiful, quality goods to share with residents throughout Ohio, the United States, and the world.

Candle-Lite Company's story is the American story. Founder Thomas Emery, an immigrant from Europe to Southwest Ohio, started simply enough: door to door sales.

Innovation and dedication led to a growing business and new formulas for higher quality candles that continued Emery's tradition of maintaining a vision for the future.

175 years later, Emery's vision and persistence is now the largest employer in Highland County with products around the world.

As we recognize this historic anniversary, we follow the example of the Candle-Lite Company and look to the future, knowing that the Candle-Lite Company will continue to flourish as a company and employer we are proud to have in Ohio.

HONORING THE LIFE AND SERVICE OF SGT. CARSON ALLEN LOUIS HOLMQUIST

**HON. SEAN P. DUFFY**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 22, 2015*

Mr. DUFFY. Mr. Speaker, it is with deep sorrow that I stand today to recognize the death of Sgt. Carson Allen Louis Holmquist. Sgt. Holmquist was a loving man: He loved cars, trucks, and farming. He was an avid fisherman and hunter, and devoted to his family, friends and serving his country.

On the morning of July 16, 2015, Sgt. Holmquist gave his life for the country he loved. He was shot and killed while working at a military facility in Chattanooga, Tennessee. It is in these stark moments, when soldiers are killed on our own soil, that we recognize just how fragile our freedom is. Liberty is a precious gift whose benefits we all enjoy, but too often we give little thought to the price that is paid.

Vice President Cheney once said, "Our nation grieves for the brave men and women whose lives have ended in freedom's cause. No one can take away the sorrow that comes to the families of the fallen. We can only say

. . . that these Americans served in a noble and a necessary cause, and their sacrifice has made our nation and the world more secure. We will honor their memory forever." Through this moment of reflection, we can help keep Sgt. Holmquist's memory alive. We owe him nothing less than to remember, and to give thanks for all he has done on our behalf. Sgt. Holmquist is survived by his wife, Jasmine, and his young son, Wyatt, for whom Rachel and I offer prayers of comfort.

Mr. Speaker, on behalf of a grateful nation, I ask that we salute him, and pledge that we will never forget.

HONORING MAJOR GENERAL  
MICHAEL R. REGNER

**HON. WALTER B. JONES**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 22, 2015*

Mr. JONES. Mr. Speaker, I am proud to rise today to honor Major General Michael R. Regner, for his thirty-nine years of service to our nation in the United States Marine Corps.

Major General Regner's extensive career started in 1976, when he received his commission through the Naval Reserve Officer Training Corps after graduating from The Citadel.

Major General Regner's storied career is distinguished by his willingness and desire to serve the Marine Corps each and every day. He is a man who has served faithfully and to the best of his abilities in all positions in which he has been assigned, which has made him invaluable to the Marine Corps and to our nation. He has successfully used his skills as Commanding General, both in the field and in garrison. It is likely that most of Major General Regner's service will never fully be recognized, but his leadership will truly be felt for years to come.

During his decades of service, Major General Regner has served with distinction in support of anti-terrorism operations, including Operation Desert Storm, Operation Enduring Freedom, and Operation Iraqi Freedom. During his time as a field grade officer, he commanded at the battalion and Marine Expeditionary Unit level and also deployed to Somalia, Bosnia and the Former Republic of Yugoslavia. Mike Regner continued to serve tirelessly after successful command tours and was selected as the 1st Marine Expeditionary Force Operations Officer where he helped plan the liberation of Fallujah as well as overseeing the first free elections in Al Anbar Province, Iraq.

In 2005, Mike Regner was promoted to Brigadier General and served as the Legislative Assistant to Commandant. During this time he was successful in instituting multiple programs

and ideas, including publishing the U.S. Marine Corps' Legislative Strategy. This ultimately increased congressional awareness and funding of over \$1.2 billion for fundamental Marine programs. In 2009, Mike Regner deployed in support of Operation Enduring Freedom, to serve as the Deputy Chief of Staff for Joint Operations at the International Security Assistance Force Joint Command. Major General Regner retires from his post as Staff Director at Headquarters Marine Corps, Washington D.C.

Major General Regner's achievements go far beyond his impressive resume and hand in relentlessly protecting and serving the American people. Mike Regner established the Department of Defense Enlisted Defense Fellowship Program. This program, created originally for the Marine Corps, has become the model for the entire Department of Defense as all the services now have enlisted members serving in this program. The program has enabled Congressional members and staff to obtain invaluable insight into the workings of all military services, allowing them to make appropriate decisions that affect the military. Mike Regner was recognized in the U.S. House of Representatives for his work as a Marine Corps' Liaison Officer from 1999–2002, before being assigned as the Commanding Officer of the 13th Marine Expeditionary Unit (MEU).

Major General Regner closely assisted in the establishment of the Wounded Warrior Employment Program, acting as a spokesman on behalf of all those service members who were wounded in combat and their families to the United States Congress and worked with then Speaker NANCY PELOSI on the implementation of this program. This program has specifically helped over 130 military service members obtain employment to date. Mike Regner is a passionate advocate for those that are wounded, ill, or injured, and continually uses his voice to speak on behalf of those who have served our country relentlessly.

Of the many words used to describe Major General Regner, strategic planner and coalition builder would be two that best characterize him. Mike Regner has worked with the U.S. Congress to testify on multiple issues that relate to military personnel. He has worked with Former Senator James Webb on instituting the Post 9/11 G.I. Bill, which was signed into law in 2008 and has benefited thousands of service members and their families.

Mike Regner has acted as a lead facilitator when providing security during Afghanistan's presidential elections, and further displayed his ability to form alliances with co-authoring The Republic of Korea Counter Provocation Peace Plan. Mike Regner's ability to plan strategically has led to the creation of the NATO International Joint Command, which produced increased security and operational effectiveness within Afghanistan.

Over the three decades that Major General Regner has served our nation, Mrs. Mary S. Regner, Major General Regner's wife, has equally served the people of the United States. Noted as an educator and leader, Mrs. Regner serves as a member of the Board of Governors for the National Military Family Association. Mrs. Regner is also a Spouse Ambassador for The White House Joining Forces Initiative, Military Spouse Employment Partnership.

Her greatest professional accomplishments stem from her time working as a Department

of Labor contractor for the Department of Defense Transition Assistance Program, where she was able to further support military spouses in careers as trainers and managers. Mrs. Regner is a woman that continually educates those around her, and has presented on various topics at the Marine Corps' Cornerstone Spouses' Courses and at Department of Defense conferences.

Mrs. Regner is involved in and serves a multitude of other organizations in the Washington, D.C. area while being a wife and a mother to three adult children who also strive to make a difference in their daily lives.

Their family includes their oldest son, Michael, who is serving in the Marine Corps as an Infantry Officer, and he is married to Erin, who is busy raising three small children, Michael, Caroline and Charlie. Their daughter, Julia Linton, is working for the South Carolina Research Authority, in Charleston, S.C., as a Project Administrator for SC Launch. Julia and John, an attorney, are expecting their first child. Finally, John Regner, their youngest child, is a high school teacher in Lynchburg, VA, and his wife, Katie, is a social worker.

I have personally known the Regner family since 1998, and I am extraordinarily proud of the work they have done for our nation and will do in the future. I have many fond memories of both Mike and Mary from my early days in Congress, but my favorite memory is the story of USMC K-9, Lex. When Lex's handler, Corporal Dustin Lee, was killed in action in 2007, the Lee family wanted to have the injured Lex retired and adopt him. I turned to my good friend Mike Regner to help make this happen. On December 21, 2007, Lex was officially retired with a Purple Heart and turned over to the Lee family. Without Mike Regner, this would have never happened. It is something for which the Lee family and I will be forever grateful.

On behalf of my colleagues on both sides of the aisle, I would like to recognize Major General Regner's outstanding accomplishments, courageous attitude, and past and present devotion to our nation. I wish to congratulate him, his wife Mary, and children, Michael, Julia, and John on the completion of a long and highly distinguished career.

In closing, may God continue to bless the Regners and may they have "fair winds and following seas" as they embark on a new journey of service to our beloved nation.

Semper Fidelis.
