

a monument to be erected in Grand Terrace, California. This memorial will honor the service, sacrifice and spirit of our nation's veterans, hundreds of thousands of whom called the Inland Empire home.

This will memorialize the brave men and women who gave the ultimate sacrifice in the name of freedom and liberty. We will never forget what they did for our nation, risking their lives to keep us safe and free. For over two hundred years, brave Americans have put their lives in harm's way for the sake of our country. The Veterans Wall of Freedom will allow us to pay tribute to those courageous souls, and to teach future generations of their selflessness and sacrifice.

The Veterans Wall of Freedom will serve as a constant reminder of the fearless Americans who lived beside us for decades and through multiple wars, and what they did to protect our families, communities and country.

RECOGNIZING MR. TAYLOR
LANCASTER

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2015

Mrs. CAPPS. Mr. Speaker, today I rise to recognize the accomplishments of Taylor Lancaster, my constituent who just completed a cross-country trek to bring attention to the cause of proper labeling of food products containing GMOs. Taylor has devoted the past eight months of his life to traversing 2,700 miles by foot, in order to raise awareness for this important issue.

Taylor began his journey on January 5th of this year at the famous Santa Monica Pier. From there, he crossed our country's great

deserts, mountains, and plains, to arrive on the banks of the Potomac, here in Washington, D.C. Taylor did not do this alone; he had help along the way. Kind people in diverse communities shared their homes, allied and affiliated organizations shared his story, and his sponsors supported him. Taylor also had the opportunity to meet with like-minded groups, politicians, and schoolchildren to share his message as he crossed the country.

Taylor, who is my constituent and a resident of Santa Barbara, California, has been a back-packer for more than 20 years. He has worked on an organic farm and tended to organic gardens and orchards at a monastery. It was during his time at the monastery that he decided to undertake a journey in support of something larger than himself.

Like Taylor and the majority of American consumers, I firmly believe consumers have the right to know what is in their food. Part of Taylor's mission is to bring awareness to, and oppose, proposed legislation that would prohibit any mandatory labeling of GMOs. I have consistently voted against this type of legislation and applaud Taylor and his efforts to spread this message he believes in.

I am pleased to recognize Taylor's achievements on behalf of consumers' right to know and wish him continued success in his future endeavors.

CELEBRATING THE TOWN OF
HEBRON'S 125TH ANNIVERSARY

HON. PETER J. VISCLOSKEY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 16, 2015

Mr. VISCLOSKEY. Mr. Speaker, it is with sincere pride that I recognize the town of Hebron, Indiana, as town officials and the entire community celebrate the very special occasion of its 125th anniversary.

Prior to its incorporation in March of 1890, Hebron was originally known as the "Corners" based on the crossing of two roads at its location. Although the town's first three attempts at incorporation were unsuccessful, the area thrived and continued to grow, and the first school was constructed in 1842. The year of 1845 was significant in that the first constructed log house was completed within the community, while the petition for a local post office was also submitted by Reverend Wilson Blaine during that year. The petition would be approved within a year's time and named Hebron after Reverend Blaine's congregation. A new era arose in 1863 with the construction of the Pittsburgh, Chicago, and Saint Louis Railroad, linking the community by rail with Chicago's business and economic opportunities. Residents could now leave for business in Chicago in the morning and return in the evening. The years to come would mark an exciting time for Hebron and for all of Northwest Indiana.

Although it was not yet incorporated, the census taken in 1886 showed that the area had a population of 663. By its centennial year in 1990, Hebron had demonstrated a steady growth with a population of 2696 residents. This trend has continued throughout the years, as the latest census data indicates that Hebron's population has reached 3700.

In celebration of the town's 125th anniversary, festivities will be held in Hebron during

the annual Block Party for the Town on Saturday, September 19, 2015. In commemoration of this milestone, there will be a walking tour of community homes built in the 1800s, and the town's museum will be open for residents, visitors, and friends to reflect on the rich history of Hebron. In addition, entertainment and a grand fireworks display will take place for all to enjoy. A time capsule will also be buried near the Hebron clock tower to mark this special anniversary. For their devotion to their town's memory and prosperity, I would like to take the time to acknowledge Town Council President Don Ensign, Vice President Dave Peeler, council members, Pete Breuckman, Mike Mantai, and Keith Cunningham, Clerk-Treasurer Terri Waywood.

Mr. Speaker, I ask that you and my distinguished colleagues join me in honoring the 125th anniversary of the town of Hebron, Indiana. For 125 years, the people of Hebron have demonstrated a level of pride in and service to their community that is unmatched. The town and its people have been an integral part of the Northwest Indiana community for generations, and I have been proud to serve as their representative.
