

a scholarly and popular leader; he is the foremost expert on the health of Lake Erie and our Great Lakes endowment.

Dr. Reutter has tackled many issues facing Lake Erie during a distinguished career where he has witnessed the first Earth Day, the passage of the Clean Water Act in 1972, the return of nesting eagles to Lake Erie following a ban on DDT, and many other changes in our Great Lakes system.

More recently, since the mid 1990s, Dr. Reutter has concentrated his efforts on finding solutions for Harmful Algal Blooms (HAB), caused by high nutrient run-off in the Western Lake Erie Basin, the largest watershed in the Great Lakes. Dr. Reutter's commitment and service to the people of Ohio and our Great Lakes will be celebrated for years to come. His talents will continue to be applied to those endeavors to which he has dedicated his life.

I would like to extend my heartfelt appreciation for his years of service and his unparalleled dedication to a healthy Lake Erie, a restored Great Lakes ecosystem and clean water for those who count on this amazing freshwater abundance—collectively, the most important freshwater body on the face of the earth.

I encourage the American people to display the flag and hold appropriate ceremonies as an expression of our nation's sympathy and respect for our Gold Star Mothers.

IN RECOGNITION OF BISHOP
PRESTON W. WILLIAMS II

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 17, 2015

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to honor an outstanding Man of God who has provided sage counsel, wisdom, and guidance throughout Georgia, the United States of America, and the world, Bishop Preston W. Williams II. Bishop Williams is the Presiding Prelate of the Sixth Episcopal District, which spans the state of Georgia. After his term concludes in 2016, Bishop Williams will be retiring. A celebration will be held in his honor on Saturday, September 19, 2015 at Allen Temple African Methodist Episcopal Church in Byron, Georgia.

Bishop Preston W. Williams II was born in Willacoochee, Georgia and has worked tirelessly to spread the Word of God in the state throughout his life. He pastored several A.M.E. churches in Georgia, leaving a lasting mark on each through increased membership, improved worship facilities, and impactful community outreach. He also served as the Treasurer of the Sixth Episcopal District and Director of Communication in radio and television for the A.M.E. Church, where he was responsible for coordinating media outreach to more than 100,000 Georgians. He served as a member of the General Assembly of the World Council of Churches and was selected as the State of Georgia Distinguished Churchman.

From 2000 to 2004, Bishop Williams served as the Presiding Prelate of the Seventeenth Episcopal District, located in Central Africa. Under his leadership, the membership of the Seventeenth District expanded exponentially, necessitating that the district be split into two separate parts and leading to the formation of a new Twentieth Episcopal District. In fact, this trend of increasing membership would con-

tinue throughout the Bishop's distinguished career, with thousands of people inspired to give their lives to Christ by this charismatic leader's everlasting love and enthusiasm for God.

From 2004 to 2012, Bishop Williams served the Seventh Episcopal District, which consists of the state of South Carolina. There, Bishop Williams advocated for the implementation of Christian education by founding Youth Adult ministries, expanding the curriculum at Allen University, establishing scholarship funds for clergy members to pursue their Master of Divinity degrees, and increasing opportunities for seminary-level training. Moreover, Bishop Williams served the community at large by creating after-school programs dedicated to improving the lives of at-risk teens, among many other worthy contributions. Known to many, respected by all, he left an indelible mark on the Seventh Episcopal District.

In 2012, Georgia rejoiced at the return of Bishop Williams when he was appointed to lead the Sixth Episcopal District of the A.M.E. Church. From 2012 to 2016, Bishop Williams will continue to govern the 543 A.M.E. churches in the state of Georgia. He will also serve as Chairman on the Board of Turner Theological Seminary and Morris Brown College, both located in Atlanta, Georgia.

Bishop Williams has accomplished much for the Kingdom of Christ throughout his life, but none of this would be possible without the grace of God and the love and support of his wife, Wilma, and his children, Arnold Andre, Wilma Priscilla, Stella Jacinta, and Prestina Delores.

Mr. Speaker, I ask my colleagues to join me today in recognizing Bishop Preston W. Williams II for his numerous invaluable contributions to Georgia, the United States of America, and the world. Bishop Williams has made a tremendous impact on communities across the globe. Even in his forthcoming retirement, I am confident that Bishop Williams will remain an esteemed and active member of the community, as his limitless enthusiasm and diligent work ethic knows no bounds.

RECOGNIZING THE NATIONAL
COLLEGIATE HONORS COUNCIL

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 17, 2015

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to commemorate the 50th anniversary of the National Collegiate Honors Council and highlight its work to bettering the education of over 325,000 students in more than 800 member colleges and universities around the country.

I want to specifically commend my alma mater, the University of North Georgia, for its prestigious honors program. I am proud to say that this university—which I believe to be one of the finest institutions of higher learning in the state of Georgia—is located in the beautiful town of Dahlonega in the Ninth District.

I attended the school when it was still known as North Georgia College, but I am glad to say that the school continues to grow. In 2013, North Georgia College and State University was consolidated with Gainesville State University and became the well-known institution we are honoring today—the University of North Georgia.
