

community. It is great to have a national leader in the field in Ann Arbor, Michigan. This new academic building will further enhance their ability to train the next generation of nurses who will be on the front lines of providing much needed care to those who need it most. It is especially exciting that the modern tools within this facility will teach students to work in contemporary and collaborative environments, which will help them prepare to excel at their jobs. Through this 75,000 square-foot new structure, new nurses will continue to expand upon the University of Michigan's reputation of excellence and high achievement.

My friend, Dr. Kathleen Potempa, the Dean of the School of Nursing, deserves our praise for her leadership in spearheading the opening of this new facility and for her dedication to teaching. It is my hope that this grand opening will be the start of a new and continued era of excellence at the University of Michigan School of Nursing. I ask all of my colleagues to join me in honoring the opening of the new School of Nursing Academic Building at the University of Michigan. I wish each and every new student the best of luck and much success in their future endeavors.

CELEBRATING THE LIFE OF
RICHARD DUDA

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. COURTNEY. Mr. Speaker, today I rise to honor and remember the life of Richard Duda of Griswold, Connecticut who passed away late last week. Dick was a fixture in Griswold, where he lived all his life with his wife Barbara and their two children. He was the quintessential "citizen" who believed giving back to the community was his duty. He served five terms in the Connecticut State Legislature representing the 58th district and as the Town Attorney for Griswold for many years.

Dick was a lifelong Democrat, and served as the Chairman of the Griswold Democratic Town Committee for over 30 years. Outside of government, he was a board member at the local library, a member of St. Mary's Church, and a member of the board of directors for Jewett City Savings Bank. His involvement in local government and advocacy was extensive, and his capacity to help was boundless. Dick saw his local law practice as a way to give back to the Griswold community. He embodied the ideal of the profession, serving as a resource and advocate for his neighbors—often taking cases that others would have passed over or accepting rates far lower than average for the time. His goal was to serve as a resource and as a true community lawyer. The law was his calling, and his passion.

In politics and law, fields that can turn acrimonious, Dick was a true gentleman. He stayed above any bitterness, and his friends recall how he remained polite and deferential. His amiable manner, dedication to his community, and upbeat attitude will be sorely missed in Griswold. I ask my colleagues to please join me in offering our condolences to his wife Barbara, his son Christopher, and grandchildren Cameron, Caitlyn and Gavin.

TRIBUTE TO CHARLIE WEIL

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Charlie Weil of Afton, Iowa, for his retirement from Wellman Dynamics in Creston after 50 years of service.

On August 25th, 2015, Mr. Weil marked 50 years working as a molder for Wellman's, which manufactures aluminum and magnesium sand castings for aerospace applications. He also spent a year serving our country in Vietnam and when he completed his service, he demonstrated great commitment to Wellman's, immediately returning to work there.

Mr. Speaker, Charlie's hard work and dedication to his craft embodies the Iowa spirit and I am honored to represent him in the United States Congress. I know that all of my colleagues in the United States House of Representatives will join me in congratulating him on his achievement, and I wish him nothing but continued success and happiness in his retirement.

PERPETUAL POW/MIA STAMP ACT
OF 2015

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor our nation's POWs and MIA service members.

Today is National Prisoner of War, Missing in Action Day. As Vice-Chairman of the House Committee on Veterans' Affairs I am constantly in awe of the sacrifices and efforts that have been made on behalf of our great country by the men and women who have worn the uniform of our Armed Services.

Tragically, according to the Department of Defense, more than 83,000 service members remain missing since World War II. These individuals represent a unique segment of the men and women who serve or have served in the Armed Forces—men and women who are missing or captured, unable to come home.

I am proud to introduce H.R. 3558, legislation to create a forever stamp depicting the National League of Families POW/MIA flag.

This bill will help demonstrate our nation's gratitude to this special segment of heroes, both past and present. I am forever grateful for their service.

H.R. 3504 AND H.R. 3134

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. BLUMENAUER. Mr. Speaker, today I voted against H.R. 3504, which would limit women's health care choices and interfere in the doctor-patient relationship, and against H.R. 3134, which would defund Planned Parenthood.

It is bizarre to watch the manufactured controversy surrounding ambush-type, heavily-edited journalism used to discredit Planned Parenthood.

It's not just the blatantly manipulative and misleading tactics that are being used, which should be enough for most people to reject the allegations on their face. These attacks do not reflect my experience and knowledge of the amazing, dedicated, civic-minded men and women who have built, supported, and led Planned Parenthood in my community.

For decades, I have admired these pillars of community, leaders in education, religion, business, and other civic affairs that provided the vision, the volunteer effort, and personal contributions to women's health and reproductive freedom. There is no question that because of their efforts, tens of thousands of abortions never occurred in our community and those that did occur, did not result in harm to women.

Because of their efforts, Oregon's 11 Planned Parenthood centers provided care to over 70,000 women in 2013, including over 25,000 breast and cervical cancer screenings. Nationally, Planned Parenthood cares for more than 2.5 million women annually. Planned Parenthood centers serve a greater share of safety-net clients than any other type of safety-net providers. Nearly 80 percent of women using Planned Parenthood have incomes at or below 150 percent of poverty—these clinics offer affordable health care options for women who may have no alternate source of care.

The fact that we are engaged in a concerted assault against the provision of essential services to women, especially women of color and low-income status is appalling. If people would take the time, as I have, to visit these facilities, meet the employees, and most importantly, know these community leaders that have made it possible to protect women's health, to prevent countless abortions, and to promote wellbeing and education, would see the lies behind this heated rhetoric and misguided attacks.
