She took a short break from her career in the tourism industry to support her husband, Felix, as he served as the Governor of Guam for two terms. During this time, she focused on protecting the environment and improving the island community. She launched the Simple Tasks Aimed at Reducing Trash (START) program.

Joann made her comeback to the industry as the General Manager of the Guam Visitors Bureau. It was there that she was able to work with and support a team that helped increase visitor arrivals on Guam to the highest numbers seen in 15 years.

Joann then returned to DFS Group Ltd. in January 2013 where she serves as the Director of Market Development of the T-Galleria. As the Director of Market Development, she is responsible for identifying local trends in the private and public sectors and recognizing visitors' preference in local products. She plays a very instrumental role at the T-Galleria and has helped the organization develop the Guam Unique Merchandising Art program. This program allows local artisans the opportunity to showcase Guam's local art, history and culture through their work in a luxury retail setting.

Joann is passionate about all the work she does and is resourceful and determined to carry out every task she does with success. Her work in both the public and private sectors has helped various organizations to grow, and in turn has allowed the Guam tourism industry to prosper.

Additionally, Joann is heavily involved with non-profit agencies throughout the island of Guam. Joann continues a close relationship with the Guam Visitors Bureau and is involved with the Guam Chamber of Commerce, Guam Women's Chamber of Commerce, Chinese Chamber of Commerce, Guam Hotel and Restaurant Association, Make A Wish Foundation, Guam Museum Foundation, Japan Club of Guam and Guam Memorial Hospital Volunteers Association. She is also a board member of the Tourism Education Council, Guam Tourism Foundation, Latte of Freedom Foundation, Guam Red Cross and Guam Unique Merchandise and Art.

I extend my congratulations to Joann G. Camacho on being named the 2015 Guam Business Woman of the Year and thank her for her service and dedication to the island of Guam throughout the years. I also extend my congratulations to her husband, Governor Felix P. Camacho, their children, Jessica, Felix Jr. and Maria, and their grandchildren, Scotty, Colin, Raymond and Mason. I wish her the best on this important achievement.

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize the work of Alma Hickel a community volunteer in Colusa County and one of my district's 2015 Woman of the Year.

Whereas, on the Twenty-Second Day of September, of the Year Two Thousand and Fifteen, Alma Hickel was recognized as a 2015 Woman of the Year.

Whereas, when Alma Hickel won the Grand Prize at the Colusa County Fair Cook-off last year for her famous Walnut pie, it was no surprise to hear her confess, "I love to bake. I even grew and shelled the walnuts." Alma has won multiple contest prizes for her baking skills over the years, but what Alma is most known for throughout Colusa is how generous she has been with her sharing her baking skills with the community. For many years, Alma has donated baked items to be sold or auctioned in support of local fundraising efforts.

Whereas, she has also provided inspirational leadership to 4-H, Catholic Ladies Relief Society, Our Lady of Lourdes and the Colusa Regional Medical Center.

Whereas, Alma, together with her late husband James, taught their five children the value of self-reliance, hard work, and giving back to their community through leading by example. Daughter and City Councilwoman Marilyn shares, "Our mother is amazingly kind. She operated a Daycare for over 35 years and cared for so many children. She watched them all grow up and has never forgotten them. Whenever there is a funeral in town, she will bake and take it to the family to comfort them."

PERSONAL EXPLANATION

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 25, 2015

Ms. TSONGAS. Mr. Speaker, I was absent from the House on September 24th and 25th to attend my daughter's wedding.

Had I been present, I would have voted against H.R. 348. Rather than improving the environmental review process under the National Environmental Policy Act (NEPA), this legislation would only create confusion, increase litigation, and undermine one of our nation's bedrock environmental statutes.

There are people in our lives who have made an important impact on each of us and Woody Woodman was a special mentor to me and a wonderful friend over the years.

Some forty-three years ago he placed his faith and confidence in me to aid him as Executive Director, as he chaired the Orange County Local Government Study Commission. Woody Woodman helped set the stage for reorganization of Orange County Florida Government. Born to Joseph and Ella Woodman in New York City he was raised in Jacksonville, Florida where he graduated from Lee High School.
