

University of Arizona on the occasion of their 25th Anniversary.

After gaining chapter status on September 28th, 1990 at the University of Arizona, Omega Delta Phi Fraternity, Inc., has set out to be an organization that prides itself with hands on community service. Its members have set out to become role models at the collegiate level for many as members are representative of first generation college students. ODPhi has been a prime example of seeking to put an end to the stereotypical images of fraternity men. As Men of Vision, members have undertaken a responsibility to think outside of the box and become committed to the constructive development of themselves and their communities.

As a service and social organization, The Gamma Chapter of Omega Delta Phi Fraternity, Inc., has continuously lent a helping hand to the Tucson community by hosting and working several community events, namely their Annual Easter Egg Hunt and Annual Haunted House. These two signature events which have been hosted by the chapter every year since the early 1990s, provide a fun and safe environment for local children and families and has been replicated at other chapter locations since. Members invest an average of 40–50 service hours (per member) back into the Tucson community and have done so every semester for the past 25 years.

The chapter at the UA was one of the original organizations in recent years to begin as a Hispanic-Founded organization and paved the way for other Multicultural Greek-Lettered Organizations to begin on campus. The chapter has seen a diverse group of men carry on a tradition of excellence as members have been of Hispanic, Native American, African American, Asian, Indian, and Caucasian descent. As a true multicultural fraternity, ODPhi has a priority of graduating members from the University of Arizona and has seen hundreds of alumni go on to see successful diverse careers in government, public services, medical, higher education, and the private sector.

What began as an idea by four founding individuals: David Gil, Carlos Contreras, Jeff Martin, and Kurt Rex Cooper, to create an organization that gives back to our local area, has now flourished into a thriving brotherhood that has taken on a continued responsibility in social and public affairs. With a rich history, ODPhi has been both humbled and honored to remain a part of Tucson's community and plans to remain an advocate for higher education and service.

Mr. Speaker, it is my pleasure to recognize and honor the Omega Delta Phi-Gamma Fraternity on the celebration of their 25th anniversary and commend the fraternity and its members for its service and achievements over the years.

HONORING AMANDEEP KAUR

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 30, 2015

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize the work of Amandeep Kaur, an advocate for Underrepresented Student Groups and one of my district's 2015 Woman of the year.

Whereas, on the Twenty-Second Day of September, of the Year Two Thousand and Fifteen, Amandeep Kaur was recognized as a 2015 Woman of the year.

Whereas, Dr. Amandeep Kaur is Science Fellow to Chancellor Linda Katehi at UC Davis. She is a UC Davis alumna and received her PhD in Physics from UC Davis in July 2014. She is a passionate leader and advocate for underrepresented student groups at UC Davis. She has consistently worked towards empowering underrepresented graduate student groups at UC Davis since the academic year 2012–13. She says that her true calling is public service and making an impact in the lives of people. One of her biggest accomplishments was to advocate for creating more fellowships for international PhD students. Her advocacy led Provost Ralph Hexter to create post candidacy NRST fellowships in the academic year 2013–14 and to implement a new budget model of \$2 million in the academic year 2014–15. This outcome has had a significant impact in the competitiveness of UC Davis and has allowed for equity for international PhD students at UC Davis. In May 2013, Amandeep was nominated by her peers and received an outstanding leadership award for her advocacy on behalf of international PhD students.

Whereas, last year, as a Graduate Student Assistant to the Dean and Chancellor (GSADC), Amandeep hosted Diversity Dialogues on Graduate Education, a series of seven discussions on creating strategies to empower women students in Science, Technology, Engineering and Mathematics (STEM), students of color, international students, undocumented students, student veterans, student parents, LGBTQIA identified students, and students with visible/invisible disabilities.

Whereas, currently as a postdoctoral science fellow to Chancellor Linda Katehi, she is furthering her advocacy on bridging the gaps for women in STEM through her Empowering Women in STEM (EWIS) initiative. She also believes that graduate students with the right expertise can help policy makers in shaping public policy which has motivated her to create Emerging Leaders in Policy and Public Service (ELIPPS) initiative at UC Davis. One of her goals through ELIPPS is to inspire more students to join public service. She believes in leading by example and is a role model for many students at UC Davis.

Resolved, That I Congressman JOHN GARAMENDI of California's Third Congressional District, do hereby recognize and celebrate the accomplishments of Amandeep Kaur.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Thursday, October 1, 2015 may be found in the Daily Digest of today's RECORD.
