As Chair of the program, Nancy was most proud of founding the Pre-licensure Bachelor of Science in Nursing Program in 2002, the first generic nursing program to open in California in ten years. Before leaving the department, she had completed a needs assessment and proposal for an MSN program which opened in spring 2009.

After earning her doctorate in 2004, Dr. Clark was appointed Interim Associate Dean of the College of Arts, Letters, and Sciences at CSU Stanislaus. Following two years of leave and twenty-eight years in academia, Nancy retired in the summer of 2008 to focus on her health and family.

Mr. Speaker it is with reverence that I recognize the memory of Dr. Nancy Joan MacDonald Clark. Nancy dedicated many years of her life educating nurses of the future, and enabling those students to not only improve the lives of California residents but the lives of people throughout our nation. May her years of service to the California State University, Stanislaus never be forgotten.
