

multi-pronged strategy which would involve a sustained humanitarian response, government and civil society capacity building, and the creation of resilient political and security infrastructures and landscapes.

This proposed Victims of Terror Protection Fund is one of the strategies for addressing the growing African migrant and refugee crisis.

I commend President Buhari's commitment to Nigerian security and his directive to local authorities to tighten vigilance in vulnerable places.

I hope we continue to build a stronger alliance with President Buhari and Nigeria.

To succeed at all our objectives, Nigeria must have continued U.S. support in protecting victims of terror, technical training, logistical and infrastructural capabilities and professionalizing its military force to battle Boko Haram.

Nigeria has emerged from so many trials and tribulations stronger, more united, more focused, and committed to reestablishing the stability, peace, security, growth, and development of the country.

I invite all Members including those who have supported previous efforts, letters and resolutions related to combatting terrorism and Boko Haram and the promotion of U.S. Nigeria relations to join me in sponsoring this resolution expressing a sense of the House of Representatives regarding the Victims of Terror Protection Fund.
