

very real. If this bill passes it will limit the ability of consumers to have access to courts and prevent them from holding companies accountable.

We have spent this week on policies that deprive Americans of their health care, deprive women of safe and secure healthcare, and protect corporations instead of protecting American citizens. If this week is a harbinger of the legislative agenda that Republicans have for 2016 then the people's House will fail to do the people's business.

REMEMBERING THOSE WHO
SUFFER FROM GLIOBLASTOMA

HON. THOMAS MacARTHUR

OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 12, 2016

Mr. MACARTHUR. Mr. Speaker, I rise today to draw attention to the scourge of glioblastoma.

The glial cells are the glue of the brain. Glial tumors, which attack and destroy this glue, account for over eighty percent of all malignant brain tumors. Glioblastomas are both the most frequent and the most aggressive kind of glial tumor. Put simply, glioblastoma is the most malignant form of brain cancer known to medical science.

The suffering caused by glioblastoma is hard to overstate. As the glue of the brain breaks down, glioblastoma causes great difficulties for patients and their loved ones. Life expectancy after diagnosis is about three months without treatment, and even with treatment, typical life expectancy is between one and two years. The five-year survival rate for patients receiving treatment is less than ten percent.

Despite these enormous odds, many patients and their families continue to fight bravely and advocate for a cure. I would like to join them in that cause. The National Institutes of Health recently received a major funding increase, and I urge them, along with other centers of medical research, to take seriously the enormous importance of finding new and better treatments for glioblastoma, which represents such a challenge for so many Americans and their families.

I also want to recognize in particular Mr. Joseph J. Rullo, a constituent of mine from Beachwood, New Jersey, who passed away after his battle with this terrible disease. His son, Joe, is an active voice in the fight to combat glioblastoma, and I thank him—and all glioblastoma advocates—for their dedication to the hard work of advocacy on behalf of those who suffer from glioblastoma and their families. It's my honor to represent them in Congress as they continue fighting the good fight.

TRIBUTE TO MIKE GIBSON

HON. SCOTT R. TIPTON

OF COLORADO
IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 12, 2016

Mr. TIPTON. Mr. Speaker, I rise today in honor of Mr. Mike Gibson. Mr. Gibson served as the manager of the San Luis Valley Water Conservancy District, and recently retired after

serving 14 years to the area. He is a standout citizen, demonstrated by his hard work and dedication to his former job, and was recently named Water Manager of the Year by the Colorado Division of Water Resources, Division 3 of the Rio Grande Basin. This is the second time he received this award in seven years. Mr. Gibson's ability to effectively manage water reinforces his commitment to excellent service to the people of Southern Colorado.

The Colorado Division of Water presents this award to a person involved in water management within the Rio Grande Basin who has shown outstanding effort in the management of their water, and demonstrated leadership in the larger water issues facing the basin. Water is a scarce resource in Colorado and the effective management of it is a top priority. Mr. Gibson has consistently demonstrated his ability to manage water and, as a result, has earned multiple Manager of the Year awards, respect from his colleagues, and the gratitude of the Southern Colorado communities which he serves.

Mr. Gibson's passion for water related issues was reflected not only by his work at the San Luis Valley Water Conservation District, but also by his leadership on other organizations, including the Rio Grande Basin Roundtable, Rio Grande Natural Area Commission, and his past duties as president of the Colorado Water Congress. His willingness to collaborate and volunteer speaks to his dedication not only to protecting the basin's water resources but to educating its citizens as well.

Mr. Speaker, Mike Gibson truly deserves the admiration he has received from the Colorado water community over the years. His services were immensely important for the communities in the San Luis Valley, and he is among the very best of the water managers in the Third Congressional District of Colorado. Mr. Gibson's work has been invaluable over the last several years. I applaud him for his outstanding accolades and his successful career, and I wish him well in his retirement.

Mr. RYAN of Ohio. Mr. Speaker, I rise today to honor the life of Pat A. Gentile, 87, who passed away on Friday January 1, 2016. Pat was born on February 2, 1928 in Belltown, Pennsylvania, a son of Antonio and Liberta DelSignore Gentile.

Pat attended Struthers High School and graduated from the New Castle School of Trades. Pat enlisted in the U.S. Navy and was in the Sea Bee Division, from where he was honorably discharged in 1948.

Pat worked in the steel mills and Kaiser Refractories and then became a self-employed carpenter for 50 years. One of his greatest accomplishments was the building of his children's homes. He was known as a jokester and loved to play tricks on the kids. Pat was an avid outdoorsman and enjoyed hunting and fishing. He loved spending time with his children and grandchildren, especially at his cabin in the Allegheny National Forest. He loved ani-

mals and music, especially his accordion. Pat was a member of the Christ Our Savior/St. Nicholas Church in Struthers.

Pat will be deeply missed by his family. He leaves behind his wife, Marian "Honey" Caggiano, whom he married on April 17, 1948, at St. Lucy's Church in Campbell. They raised four children, Patrick (Denise) Gentile of New Middletown, Michael (Lori) Gentile of Poland, Carole "Mimi" (Pat) Patterson of Fresno, Calif., and Laraine (Gary) Solvesky of Poland. He leaves one brother, Joseph P. (Eleanor) Gentile of Struthers; 12 grandchildren; and 31 great-grandchildren, with one on the way; and many nieces, nephews and cousins, all of whom adored him.

Losses like these are never easy, but we can all take solace in the fact that Pat led a long and fulfilling life. He will live on in the memory of his beautiful family.

HONORING THE LIFE OF
ROOSEVELT D. ALLEN, JR.

HON. PETER J. VISCLOSKY

OF INDIANA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 12, 2016

Mr. VISCLOSKY. Mr. Speaker, it is with deep sadness and the utmost respect that I take this time to remember a dear friend and one of Indiana's most distinguished citizens, Roosevelt D. Allen, Jr., Lake County Commissioner. On Saturday, January 9, 2016, Roosevelt Allen passed away at the age of 68. Commissioner Allen devoted his life to serving the people of Northwest Indiana, and he will be greatly missed by his family, friends, coworkers, and the many grateful constituents throughout the community whose lives he touched.

In 1965, Roosevelt Allen graduated from Roosevelt High School in Gary, Indiana, before continuing his studies at Howard University. From there, he graduated magna cum laude from Indiana University, receiving a bachelor's degree in accounting, before completing graduate classes at DePaul University. Roosevelt went on to become a successful and admired funeral director for the family business, Guy & Allen Funeral Directors, Inc., in Gary, which has served the community for eighty years.

Public service was a way of life for Commissioner Allen. He served the community of Northwest Indiana because he wanted to make a difference, and he did so with passion and enthusiasm. Roosevelt served on the Calumet Township Advisory Board for twenty-seven years. In 2006, he was elected to serve as Lake County Commissioner for the first district. Commissioner Allen was in his third term, and was serving as President of the Board of Commissioners, at the time of his passing. Fellow officials remember him as a true gentleman, a mentor to all, and an exemplary government leader. During his time in office, Roosevelt also served as the commissioners' representative on the Northwestern Indiana

Regional Planning Commission and was chairman of the Lake County Public Safety Communications Commission. Throughout his lifetime, Commissioner Allen also served in many capacities for numerous organizations. He was a life member of the NAACP, member of the Lake County Democratic Organization, a board member of Edgewater Systems for Balanced Living, and a board member of the Regional Bus Authority, among others. A faithful man, Roosevelt was a devout member of Saint Timothy Community Church in Gary, Indiana.

Roosevelt Allen is survived by his beloved daughters: Lisa, LaTrice, and Olivia. He also leaves to cherish his memory seven beautiful grandchildren, many dear friends and family members, and a saddened but indebted community.

Mr. Speaker, I respectfully ask that you and my other distinguished colleagues join me in paying tribute to my dear friend, and a true public servant, Roosevelt Allen. For his tremendous contributions to the people of Northwest Indiana, his lifetime of service is worthy of the highest praise. Roosevelt's selfless and lifelong commitment to the people of his community will be forever remembered, and his legacy serves as an inspiration to us all.

HONORING MEDAL OF HONOR RECIPIENT CORPORAL HERSHEL "WOODY" WILLIAMS

HON. EVAN H. JENKINS

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 12, 2016

Mr. JENKINS of West Virginia. Mr. Speaker, I rise today to honor Corporal Hershel "Woody" Williams, a lifelong West Virginian. When the freedom of the United States and the world was in peril during the Second World War, he gallantly heard the call to defend our nation and enlisted in the United States Marine Corps in 1943. After finishing his training in California, Cpl. Williams was stationed in the Pacific Theater and bravely fought in the Battle of Guam in 1944.

What truly distinguishes Cpl. Williams is the exceptional bravery he demonstrated during the battle of Iwo Jima. When tanks became ineffective on the beaches, he fought his way to destroy seven Japanese pillboxes while covered only by four riflemen. His bravery in taking out the pillboxes in the battle of Iwo Jima was a determining factor in turning the tide of the battle in favor of the Americans.

Cpl. Hershel "Woody" Williams was awarded the Medal of Honor by President Truman in 1945. The Medal of Honor was "For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty as demolition sergeant serving with the 21st Marines, 3d Marine Division, in action against enemy Japanese forces on Iwo Jima, Volcano Islands, 23 February 1945." Cpl. Williams is the last living Medal of Honor recipient from the Battle of Iwo Jima.

Known by all as Woody, he had a distinguished career in the military and has spent his life tirelessly helping veterans and their families. His service to America and West Virginia is unparalleled. I have known Woody for decades and am proud to call him not only a constituent but a friend. On January 14, 2016,

Woody Williams receives another honor: a ship in the United States Navy will bear his name. I congratulate and commend Cpl. Williams on a remarkable and admirable life. Woody Williams serves as a pillar for all Americans to aspire to, a brave man who put his fellow Americans before himself.

Dillingham, upon being awarded as the 2015 Northlander of the Year by the Northland Regional Chamber of Commerce.

John Dillingham grew up with a strong 6th generation Missouri heritage in Clay and Platte County, Missouri, with an education from Wentworth Military Academy, Smithville High School, and my alma mater, the University of Missouri. John also enlisted in the U.S. Army and served with distinction in Korea as a 2nd Lt. in the Lacrosse Guided Missile Battalion of the U.S. Army, was the 2nd Lt. John is so widely respected throughout Missouri that he has served Republican and Democrat Governors, Senators, Congressmen and Mayors in positions such as the Kansas City Board of Police Commission, the University of Missouri of Extension Advisory Board, the Kansas City Agribusiness Council, Children's Mercy Hospital, and was a Charter Board Member of the Clay County Veteran's Memorial built in a park named after his good friend, Anita Gorman. He has also served as an Honorary Director of the Heart of America Council of the Boy Scouts of America, the Freedoms Frontier National Heritage Area Chairman and the Governance Chairman of Harry S. Truman Library Institute, as well as serving on the Kansas City Crime Commission and the National World War I Museum National Advisory Board.

John has also been honored as a member of the Missouri Academy of Squires, an Outstanding Kansas Citizen by the Kansas City Native Sons & Daughters, an Outstanding Missourian by the Missouri State Legislature, the Silver Good Citizens Medal by the National Society of the Sons of the American Revolution, an Honorary Director for Life of the American Royal, the Meritorious Service Award from the Kansas City, Missouri, Police Department, as a Sachem in the Tribe of Mic-O-Say, the Silver Wreath Award from the National Eagle Scouts' Association, and the Silver Beaver Award from the Boy Scouts of America.

Mr. Speaker, I could list at least 50 more organizations that John has guided and worked

with over his very distinguished lifetime. However, I ask that you join me, John's wife Nancy, their sons, Bill and Allen, their families and the entire Northland community in congratulating John A. Dillingham on this accomplishment wishing him God's blessings in the years to come.

RECOGNIZING MICHIGAN STATE UNIVERSITY'S UNDERGROUND RAILROAD MOVEMENT

HON. DAVID A. TROTT

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 12, 2016

Mr. TROTT. Mr. Speaker, I rise today to recognize Michigan State University's commitment to racial equality in our country through their integration efforts for sports programs in the 1960s.

In light of the College Football National Championship game last night, I want to take the time to remember another National Title game 50 years ago. In 1966, segregation was widespread in our country. It was a time of great struggle and injustice for African Americans. Michigan State football, however, became a bastion for integration and equality. University President John Hannah and Head Coach Duffy Daugherty had a long history of providing academic and athletic opportunity to African Americans who were denied access in their home states. Daugherty spearheaded a recruitment network throughout southern states that became known as the Underground Railroad Movement. He sought out black players who were not allowed to play in their own states due to their race. His efforts culminated with the 1966 team, which included 20 black players, 11 starters, and was led by one of the only black quarterbacks among major colleges at the time, Jimmy Raye. Raye led the Spartans to win the National Title in 1966, which was a victory for MSU, and a victory for equality across America.

The leadership shown by Michigan State University and the courage of the players marked an important advancement for society. Their actions proved a catalyst for other teams to expand their recruiting profiles, and Americans to expand their perspective. The barriers that were broken in Michigan State's programs marked an important step toward full integration of collegiate sports in 1972. On this 50th anniversary of their National Title win, I commend Michigan State University for their legacy of providing opportunity for all Americans, regardless of race.
