

an Aging and Disability Resource Center. REAL Services was one of two Indiana organizations to pilot this designation, which was funded jointly by the Federal Administration on Aging and the Center for Medicine and Medicaid Services. REAL Services continues its work as an Aging and Disability Resource Center.

Additionally, REAL Services created the first Nutrition Site in the United States, a program that provides the elderly with meals, educational courses, and a sense of community. This model served as an example for nutrition programs instituted across the country as part of the Older Americans Act. It is clear that over the past five decades REAL Services has helped make our State and our country a better place for thousands of Hoosiers and Americans.

On behalf of the citizens of Indiana, I thank REAL Services for the hard work they do every day for the people of our great State who need our help the most, and I congratulate them on an important milestone. From its inception, REAL Services has demonstrated a dedication to those they serve and continues to promote human dignity. I commend REAL Services for exemplifying the beliefs we hold as Hoosiers: recognition of the value of all people and a willingness to lend a hand to those in need. I am proud that REAL Services calls Indiana home, and I wish them continued success in the years to come.

MESSAGE FROM THE PRESIDENT

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS DECLARED IN EXECUTIVE ORDER 13396 ON FEBRUARY 7, 2006, WITH RESPECT TO THE SITUATION IN OR IN RELATION TO CÔTE D'IVOIRE—PM 40

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency, unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13396 of February 7, 2006, with respect to the situation in or in relation to Côte d'Ivoire is to continue in effect beyond February 7, 2016.

The Government of Côte d'Ivoire and its people continue to make significant progress in promotion of democratic, social, and economic development. We congratulate Côte d'Ivoire on holding a peaceful and credible presidential election, which represents an important milestone on the country's road to full recovery. The United States also supports the advancement of national reconciliation and impartial justice in Côte d'Ivoire. The United States is committed to helping Côte d'Ivoire strengthen its democracy and stay on the path of peaceful democratic transition, and we look forward to working with the Government and people of Côte d'Ivoire to ensure continued progress and lasting peace for all Ivoirians.

While the Government of Côte d'Ivoire and its people continue to make progress towards consolidating democratic gains and peace and prosperity, the situation in or in relation to Côte d'Ivoire continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to continue the national emergency and related measures blocking the property of certain persons contributing to the conflict in Côte d'Ivoire.
