

Since 2011, the Rutgers University-Newark debate team has hosted an ever-growing collegiate tournament every year and a high school tournament in collaboration with the Newark Debate Academy. They support debate from the elementary to high school level by offering internships as assistant coaches at many local schools. RU-N debate team has also participated in a series of public debates, including a debate I participated in about student debt hosted at Rutgers University-Newark.

From September 11 to 15, the Rutgers University-Newark debate team sent two teams to the Baby Jo Memorial Debate Tournament at UMKC, the first national-level debate tournament of the season. Programs from the University of Texas, University of Kansas, Oklahoma University, the University of Iowa, and others participated in the tournament as well.

The team of Nicole Nave and Devane Murphy won six of eight of their preliminary debates and were awarded 6th-place speaker and 11th-place speaker, respectively.

The Rutgers University-Newark debate team entered the elimination rounds as the seventh-ranked team and continued to the final round to face the first-ranked team in the Nation, UC Berkeley. By a 2-to-1 decision, the RU-N team defeated UC Berkeley to be crowned champion. Going into the 2015-2016 season, this means the Rutgers University-Newark team will be ranked the No. 1 team in the Nation.

I am proud to acknowledge this landmark achievement in the Rutgers University-Newark Debate Team's history and its efforts to support debate at all age levels.

Thank you.●

TRIBUTE TO BEVERLY ANDERSON

● Mr. DAINES. Mr. President, today I wish to recognize Beverly Anderson of Conrad, MT, for her incredible generosity and service to the people of her community. Beverly has a huge heart for helping those in need and has truly cared for those around her.

Beverly previously worked as an emergency dispatcher before taking on the many volunteer roles that she now serves in. She is head of her community's Salvation Army, serves at the food bank every Friday, and volunteers for the local abused spouses advocate groups, DFS and CASA.

She has a heart for children as well. Every week, she plans crafts and other afterschool activities for area students. Beverly prioritizes spending time helping underprivileged children and, every year, coordinates local efforts to gather school supplies for those in need.

As a woman of faith, Beverly regularly takes individuals in recovery from drug abuse with her to church and out to lunch. She visits and prays for those who are sick and dying in her community and takes a special effort to cook food and provide encouragement for the bereaved families.

During the holiday season, Beverly is known to secretly shop for children of families in need and gathers people across town to participate in a "knock and drop" with presents. She also delivers turkey dinners to families at both Thanksgiving and Christmas. A proud parent of two soldiers, Beverly gladly promotes every veteran activity that takes place in her community and helps the VFW send gift boxes to soldiers every Christmas.

I am humbled by Beverly's heart for service and her selfless commitment to putting the needs of others before herself. She is truly a standout in her community and has made Montana a much better place. It is with deep gratitude that I honor her today.●

REMEMBERING JESSE DANNELS

● Mr. DAINES. Mr. President, I would like to honor Jesse Dannels—a young man with a kind smile and a strong leader in all aspects of life, who was lost from us on February 7, 2016, at the age of 18.

Jesse came into this world on November 29, 1997, to Robert and Ruth Dannels of Chinook, MT. Jesse's motivation and happy spirit impacted everyone he met. His love for sports was evident in his swimming, football, track, and wrestling. He excelled at everything he did. His teammates were not only friends, but brothers. Jesse's willingness to always help others was inspiring. He was continually motivating others to do their best, and he was there to cheer them on. He will be missed by all who knew him.

Sugarbeeter Nation, I extend my condolences to Jesse's family, his football and wrestling brothers and coaches, to Chinook High School, and to the entire community of Chinook. May God rest his soul.●

TRIBUTE TO LARRY GIANCHETTA

● Mr. DAINES. Mr. President, Larry Gianchetta, the dean of the University of Montana School of Business, has announced that he will be retiring at the end of this school year. Dean Gianchetta has been a part of the University of Montana staff for 41 years and has served as dean of the School of Business for the past 30 years.

Dean Gianchetta has been an inspiration not only for his staff, but also for his students. Dean Gianchetta is an enthusiastic teacher who has instilled an excitement for learning and a commitment to service in his staff and students. He created positive environment for his staff and students, making experiences at the University of Montana enjoyable for all.

Dean Gianchetta made sure the school of business could support students for generations to come through its scholarship program. He worked tirelessly to promote the University of Montana School of Business Administration name to gain the financial support needed to educate Montana's next

generation of leaders. His dedication not only resulted in donations for the school's scholarship program, but also funding for new school buildings, including the Gallagher Business Building, which opened in 1996, and the Gilkey Center for Executive Education, which opened earlier this year.

One of Dean Gianchetta's most admired accomplishments is the founding of the American Indian Business Leaders. It began at the University of Montana and, today, has grown to be a national organization that includes 76 high schools, colleges, and universities. Dean Gianchetta has also helped the University of Montana develop new college majors in marketing and management, a minor in business program, and six certificates in several different areas.

Dean Larry Gianchetta does not boast about the accomplishments he has made while at the University of Montana School of Business, but they can be clearly seen not only on the University of Montana campus, but also throughout the country. I may be a Bobcat, but I recognize the tremendous impact this Grizzly has made on our State and our Nation. He will be greatly missed at the University of Montana, but I am confident that the legacy he's left will be carried on for years to come.●

TRIBUTE TO MIRANDA CROSS AND KATE KROLICKI

● Mr. HELLER. Mr. President, today I wish to congratulate two students, Miss Miranda Cross and Miss Kate Krolicki, who have gone above and beyond in their academic pursuits and were selected to represent the Silver State as delegates of the 54th annual United States Senate Youth Program, USSYP. This is an incredible accolade, recognizing the very best students across the Nation, and I extend my most sincere congratulations to these two Nevadans.

USSYP was created in 1962 to bring excellent students to our Nation's Capital to gain knowledge and insight on the three branches of government. Every year, this program brings 104 outstanding students to Washington, DC, for a weeklong program highlighting the Federal Government. Students also receive a \$5,000 undergraduate college scholarship to encourage them to continue on in their scholastic pursuits. Students selected for the program generally fall in the top 1 percent academically within their State. Both Miss Krolicki and Miss Cross have excelled in their academic ambitions and are certainly deserving of the opportunity to attend this weeklong program.

Miss Cross is a student at Reno High School and serves on the Washoe County School District's student advisory board. She is a proud member of the Future Business Leaders of America, taking three State championship titles and serving as a national finalist. She
