

Researchers, and Explorers (INSPIRE) Women Act (Roll Call Number 134), I would have voted "aye." I am encouraged by Rep. COMSTOCK's work to expand STEM educational opportunities for women and girls. Specifically, the bill directs NASA to encourage women and girls to study science, technology, engineering and mathematics (STEM), pursue careers in aerospace and support NASA GIRLS and NASA BOYS, the Aspire to Inspire (A2I) program and the Summer Institute in Science, Technology, Engineering, and Research (SISTER) program.

Had I been present for the vote on H.R. 4336, the Women Airforce Service Pilot Arlington Inurnment Restoration Act, as amended (Roll Call Number 135), I would have voted "aye." I support Rep. McSALLY's work to make groups of women, civilians and foreigners who served the United States during World War II eligible to be inurned in Arlington National Cemetery. This is a great victory for the families of the brave women who served during World War II.

CELEBRATING THE 25TH ANNIVERSARY OF CESAR CHAVEZ ELEMENTARY SCHOOL

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. RUIZ. Mr. Speaker, on behalf of the United States Congress and the 36th Congressional District of California, I congratulate the students, families, and teachers—past and present—of Cesar Chavez Elementary School in my hometown of Coachella, California, on the occasion of the school's twenty-fifth anniversary.

For a quarter of a century, the Cesar Chavez Elementary School has provided young scholars from the Coachella Valley with a top-rate education. Named after an American hero, it continues to carry out a vital mission to our country and our region: to carry on his legacy by educating children to be socially responsible citizens of our community.

To the parents who entrust their children to Cesar Chavez Elementary School, it is your desire to better the lives of your children that continues to build our great country. Each family's individual pursuit of their American dream contributes to making our nation a more perfect union. Your hard work, calloused hands, and tired shoulders lift up our children and our community, and Cesar Chavez would be proud.

As the son of farmworkers from Coachella, it remains my humble honor to represent my hometown in the U.S. House of Representatives. Coachella's history is steeped in the American pursuit of liberty and justice for all because of the work of Cesar Chavez. Cesar Chavez Elementary School carries the legacy of being the only school named after Cesar Chavez and whose opening was presided by the great civil rights leader himself.

Mr. Speaker, on the occasion of this silver anniversary, I commend the faculty and staff for preserving and honoring his legacy and for inspiring today's youth to live lives dedicated to justice and a love for our country. I sincerely thank the school for its contribution to

our Coachella Valley, and I look forward to its continued success in the years to come. Yes we can do it. (Si se puede).

IN RECOGNITION OF THE 100TH ANNIVERSARY OF OUR SAVIOR PARISH

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the 100th anniversary of Our Savior Parish. It is my honor and privilege to recognize the devotion and hard work of the members of Our Savior Parish, who for so long now have striven to support the communities of Detroit and Dearborn Heights.

Following the separation of the Roman Catholic Church and Polish National Catholic Church in 1897, Polish Americans throughout the country struggled to find a medium to express their religious beliefs. Independent churches soon formed throughout the country to meet the needs of the Polish community. Our Savior Parish was founded in 1916 in the City of Detroit, the first independent Polish Catholic Church in Michigan. Initially, the group focused on helping Polish immigrants better acclimate to life in America. The parish established a bilingual accredited parochial school, and enrollment reached over 350 students. By 1970, increasing membership resulted in the parish relocating to a new, beautiful church complex in Dearborn Heights.

The members of Our Savior Parish continue to give back to our community. The church performs an annual Thanksgiving canned-food drive, as well as an annual Christmas coat drive. Additionally, each Christmas the church hosts an "Adopt-a-family" program with the local school district. This program provides food, gifts, and most importantly, a warm Christmas spirit to those families in the community stricken by hard times. Their community work continues throughout the year.

Mr. Speaker, I ask my colleagues to join me today in honoring the 100th anniversary of Our Savior Parish. For a century now, the members of Our Savior Parish have displayed an immense passion and deep devotion for improving our community, and we wish them many more years of success.

HONORING PATSY CLINE OF HOBBS, NEW MEXICO

HON. STEVAN PEARCE

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. PEARCE. Mr. Speaker, I rise today to recognize Mrs. Patsy Cline, an outstanding citizen of the great state of New Mexico and resident of my hometown, Hobbs.

Patsy has spent a lifetime embracing people of all origins and helping those most in need. She has given selflessly for many years to help more than 10,000 seniors in Lea County afford necessary medications through her non-profit organization, Faith In Action.

I would like to thank Patsy for her contributions, her selfless deliverance of assistance to

those in need, and for extending a helping hand to thousands of people when they needed it most. Patsy embodies the meaning of a true volunteer. Through her actions, she has helped foster a kinder society by living a life of service to others, seeking nothing in return. We can all learn from Patsy's selfless dedication and courage.

As a fellow New Mexican, it is my honor to rise and recognize Patsy Cline's commitment to community and country.

IN HONOR OF ROBERT A. LUCAS

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. NORCROSS. Mr. Speaker, I rise today to offer my sincere condolences and to honor the extraordinary life of Robert A. Lucas, owner of the famous Donkey's Place in Camden, New Jersey.

Born in Camden, raised in Medford, and a graduate of Rancocas Valley Regional High School, Robert was truly a son of New Jersey. By the 1970s, he started running Donkey's Place, a bar opened in 1943 by his father, Leon, a former Olympic boxer. Donkey's still has a simple menu, consisting of cheesesteaks served on a poppy seed Kaiser roll from Del Buono's in Haddon Heights and a no-frills bar, just the way Robert liked it.

Donkey's is an institution in South Jersey, serving everyone from factory workers in its early days, to neighborhood residents, police officers, and city workers. Highlighted on the CNN television show Parts Unknown, chef and world traveler Anthony Bourdain said of Donkey's, "the best cheesesteaks in the area might well come from New Jersey" and it deserves to be a "national landmark."

A devoted family man, Robert even met his future wife of 39 years, Elsie, at Donkey's. It was love at first sight and Elsie remembers dreaming about her future husband that very night. Robert and Elsie had 4 children, Robert, Jr., Joseph, Lisa Bystryzcki, and Luis Mendoza, and 2 grandchildren.

Mr. Speaker, Robert A. Lucas was an incredible man, dedicated to his family, the South Jersey community, and his business. He leaves behind an indomitable work ethic and one of the finest establishments in Camden. I join with his family, friends and all of New Jersey in celebrating the life of this extraordinary man.
