□ 1118

So (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. SMITH of Washington. Mr. Speaker, on Monday, March 21; Tuesday, March 22; and

Wednesday, March 23, 2016, I was on medical leave while recovering from hip replacement surgery and unable to be present for recorded votes. Had I been present, I would have voted:

“Yes” on rollcall vote No. 130 (on the motion to suspend the rules and pass H.R. 4314, as amended).

“No” on rollcall vote No. 131 (on ordering the previous question on H. Res. 653).

“No” on rollcall vote No. 132 (on agreeing to the resolution H. Res. 653).

“Yes” on rollcall vote No. 133 (on the motion to suspend the rules and pass H.R. 4742).

“Yes” on rollcall vote No. 134 (on the motion to suspend the rules and pass H.R. 4755).

“Yes” on rollcall vote No. 135 (on the motion to suspend the rules and pass H.R. 4336, as amended).

“Yes” on rollcall vote No. 136 (on the motion to recommit H.R. 2745, with instructions).

“No” on rollcall vote No. 137 (on passage of H.R. 2745).

“Yes” on rollcall vote No. 138 (on agreeing to the resolution on H. Res. 658).

PERSONAL EXPLANATION

Mr. REICHERT. Mr. Speaker, due to an illness I was unable to vote on the following:

Rollcall No. 130.

Rollcall No. 131.

Rollcall No. 132.

Rollcall No. 133.

Rollcall No. 134.

Rollcall No. 135.

Rollcall No. 137.

Rollcall No. 138.

Had I been present, I would have voted “yes.”

On rollcall No. 136, had I been present, I would have voted “no.”

PERSONAL EXPLANATION

Mr. BLUMENAUER. Mr. Speaker, had I been present for the vote on the Democratic Motion to Recommit H.R. 2745, which would add protections for consumers by ensuring that the underlying bill would not apply to mergers that would unreasonably increase the costs of pharmaceutical drugs (rollcall No. 136), I would have voted “aye.”

Had I been present for the vote on the passage of H.R. 2745, the Standard Merger and Acquisition Reviews Through Equal Rules Act (rollcall No. 137), I would have voted “nay.” This bill would eliminate important administrative and procedural tools the Federal Trade Commission (FTC) uses to protect market competition and the American consumer. Additionally, this bill seems unnecessary, particularly after the Wall Street Journal dubbed 2015 the “biggest year ever for mergers and acquisitions.”

Additionally, had I been present for the vote on H. Res. 658, a resolution condemning in the strongest terms the terrorist attacks in Brussels on March 22, 2016, (rollcall No. 138), I would have voted “aye.” These attacks signal a painful continuation in our struggle against terrorism.

REPORT ON H. CON. RES. 125, CONCURRENT RESOLUTION ON THE BUDGET FOR FISCAL YEAR 2017

Mr. TOM PRICE of Georgia, from the Committee on the Budget, submitted a

privileged report (Rept. No. 114-470) on the concurrent resolution (H. Con. Res. 125) establishing the congressional budget for the United States Government for fiscal year 2017 and setting forth the appropriate budgetary levels for fiscal years 2018 through 2026, which was referred to the Union Calendar and ordered to be printed.

CONGRATULATING STUDENTS ON ACCEPTANCE AS DELEGATES TO THE NATIONAL ACADEMY OF FUTURE PHYSICIANS AND MEDICAL SCIENTISTS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise to congratulate several students from Pennsylvania's Fifth Congressional District on their appointments as delegates to the Congress of Future Medical Leaders. These students will be delegates to the Congress of Future Medical Leaders to be held later this year in Massachusetts.

The Congress is an honors-only program for high school students who want to become physicians or are going into a field devoted to medical research.

Each of these students was nominated by their teachers and has demonstrated tremendous academic success. Many who attend the Congress will receive full academic scholarships as they look toward completing university courses.

The six students selected to attend the Congress of Future Medical Leaders represent many communities in the Fifth Congressional District. Those chosen include: Courtney Craft from Bradford Area High School, Aubrey Feinour from Penns Valley High School, Kendra Gadley from West Forest Secondary School, Bella Huber from Central Mountain High School, Needhi Sharma from State College High School, and Laiken Turner from Mt. Union High School.

I wish these students the best of success at the Congress in June and as their academic careers progress and continue.

POVERTY AND THE AFFORDABLE CARE ACT

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, this week marks the sixth anniversary of the adoption of the Affordable Care Act.

I am proud of the role I played as majority leader in 2010 to bring that legislation to the floor, legislation that has been extraordinarily successful in making affordable coverage accessible to millions of Americans.

The Affordable Care Act has become a critical tool in fighting poverty. As a result of the Affordable Care Act, 20
