Each year schools, governments, workplaces, religious and other organizations across the country host observances and remembrance activities for their communities. For many years, the Burbank Human Relations Council has partnered with local temples and churches and presented the Days of Remembrance program, a Community Commemoration of the Holocaust to the Burbank community. In addition, the council has provided an array of Holocaust teaching materials to Burbank’s middle and high schools, including films, speakers and books, educating students about tolerance, inclusiveness and compassion. This year alone, over 2,500 students have been given an invaluable lesson in this living history.

There are few periods of time in humankind’s history that are more appalling and sinister than the Holocaust. We must always recognize the Days of Remembrance, paying tribute to those who perished and those who courageously tried to save Jewish lives, and ensure that a tragedy of this nature will never happen again.

I ask all Members to join me in acknowledging the Days of Remembrance commemoration, and in particular, the Burbank Human Relations Council’s program.

CONGRATULATING CARTER COREY NORTON ON RECEIVING THE BOY SCOUTS OF AMERICA’S EAGLE SCOUT RANK

HON. BILLY LONG
OF MISSOURI
IN THE HOUSE OF REPRESENTATIVES
Wednesday, April 27, 2016

Mr. LONG. Mr. Speaker, I rise today to congratulate Carter Corey Norton, of Ozark, Missouri, on his recent achievement of the Boy Scouts of America’s (BSA) Eagle Scout rank. The rank of Eagle Scout is the highest rank attainable in the Boy Scouts of America. It is the culmination of many years of hard work and dedication, requiring countless hours of service, training and learning. An extremely exclusive honor, less than two percent of the 112 million scouts since the BSA’s founding in 1910 have achieved the Eagle Scout distinction.

Since the age of 6, BSA has been a formative factor in Carter’s life. He has been working towards achieving the Eagle Scout rank for most of his life, seeking to actualize the ideals of community service and integrity upheld by the organization. His recently completed “Eagle Project”—an Eagle Scout rank pre-requisite—involved constructing several benches for his local church to be used by parishioners and scouting groups for years to come.

Becoming an Eagle Scout requires a significant amount of determination and self-discipline, traits which will no doubt serve Carter well in the future.

Mr. Speaker, by attaining the rank of Eagle Scout, Carter has set himself on the path to achieve future success, and I’m proud to count him among my constituents. His dedication in completing the required benchmarks and community service requirements to reach the Eagle Scout rank is indicative of his ability to accomplish whatever goals he sets his mind to. I wish Carter luck with all his future endeavors, and urge my colleagues to join me in congratulating him on this momentous achievement.

The County College of Morris is home to two award-winning student publications: its newspaper, The Youngtown Edition and its graphic arts and literary magazine, Promethean.

In the performing arts, students have the opportunity to participate in high-quality musical theater and drama productions, or can join CCM’s acclaimed Dance Theatre troupe.

Under the exceptional leadership and vision of its president for 30 years, Dr. Edward J. Yaw, CCM has continued to modernize and has become one of the finer academic institutions in New Jersey. The college ensures that its students have all of the necessary resources to develop the skills crucial for success in the world beyond the classroom.

Since its founding, CCM has been a driving force in the lives of thousands of successful students who have passed through its halls. Graduates over the years continue to serve as leaders and role models in their communities all over the country. Mr. Speaker, I ask you and my colleagues to join me in honoring and recognizing the achievements of the County College of Morris and those who devote themselves to its continuing success as an institution of higher learning.
