Mr. Speaker, I commend this great couple on their 60th year together, wishing them many more. I know my colleagues in the United States House of Representatives will join me in congratulating them on this momentous occasion.

PAYING TRIBUTE TO DR. EUGENE B. HABECKER FOR HIS 11 YEARS OF OUTSTANDING SERVICE AS PRESIDENT OF TAYLOR UNIVERSITY

HON. RANDY HULTGREN OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, May 17, 2016

Mr. HULTGREN. Mr. Speaker, on roll call no. 194, I was unavoidably detained during the roll call vote. Had I been present, I would have voted "Aye."

Dr. Habecker demonstrated a lifetime passion for education, including his own. Before becoming the 30th President of Taylor University in 2005, he received a number of degrees. He is a proud Taylor University alumnus, receiving his bachelor's degree from Taylor University in 1968. He then went on to earn a master's degree from Ball State University in 1969, Ph.D. from the University of Michigan in 1981, J.D. from Temple University in 1974, a certificate from Harvard University in 1986, and several honorary degrees from numerous colleges and universities.

After earning an impressive number of degrees, he continued pursuing his passion for education. He held executive leadership positions at several educational institutions, including George Fox University in Newberg, OR, and Eastern University in St. Davids, PA. He served as President of Huntington College in Huntington, IN from 1981–1991, and was President and CEO of the American Bible Society from 1991–2005 before he returned to his alma mater to serve as President of Taylor University.

Taylor University, located in Upland, IN, was founded in 1846, making it one of the oldest evangelical Christian colleges in America. Throughout his tenure as President of Taylor University, Dr. Habecker has been instrumental in ensuring that Taylor's strong history as a university continued to flourish and grow. Under his leadership, Taylor University has been ranked the number one Midwest University in the category “Best Regional Colleges” by US. News & World Report for nine years straight (2007 through 2016). He is also credited with raising $180 million for operating, endowment, and capital projects. The funds raised have gone to many projects that have enhanced student life such as campus beautification projects, construction of new living centers, major upgrades to athletic facilities, and the establishment of international centers and a highly successful study abroad program. He also brings a group of students to the National Prayer Breakfast in Washington, D.C. each year, recognizing the importance of young Christians participating in this historic annual breakfast designed to serve as a forum for political, social, and business leaders to create a dialogue and build relationships.

His wife, Marylou, who is also a 1968 graduate of Taylor, has been influential as well with her diverse and extensive work in campus ministries. Marylou and Dr. Habecker have a clear passion for education and love for Taylor University. The school is dedicated to living life together in a discipleship community, and Dr. Habecker and Marylou have been exceptional leaders in facilitating such an environment.

Due to his astounding leadership, Dr. Habecker was chosen to serve on several boards including the Christian Management Association, National Association of Evangelicals, and Council for Christian Colleges and Universities. Additionally, he was selected to serve on three international boards, most notably the United Bible Societies Global Board. Through his work with the United Bible Societies Global Board and through Taylor University, Dr. Habecker and Marylou have traveled extensively, both nationally and globally. The primary focus of their travels has been promoting and educating others on how to be a successful leader in Christian education.

Dr. Habecker’s astonishing commitment to higher education in Indiana and success as a leader has not gone unnoticed. He was awarded the Christian Management Award from the Christian Management Association (1989), Distinguished Alumni Citation from Huntington College (1989), Life Enrichment Award from the Charles Drew University of Medicine and Science (1996), Layperson of the Year Award from the National Association of Evangelicals (1999), and finally, his own Taylor University selected him as the 1998 Distinguished Alumnus for Professional Achievement.

Dr. Habecker made a remarkable impression on the lives of his students, faculty, and the Taylor University community. He and Marylou have left a legacy of success at Taylor for Taylor University. The school is dedicated to living life together in a discipleship community, and the primary focus of their travels has been promoting and educating others on how to be a successful leader in Christian education.

Due to his astounding leadership, Dr. Habecker has devoted his life to providing an exceptional educational experience to the students of Taylor University. The people of Indiana’s Fifth Congressional District are forever grateful for Dr. Habecker’s dedication to the education of our country’s future leaders.

Dr. Habecker’s astonishing commitment to higher education in Indiana and success as a leader has not gone unnoticed. He was awarded the Christian Management Award from the Christian Management Association (1989), Distinguished Alumni Citation from Huntington College (1989), Life Enrichment Award from the Charles Drew University of Medicine and Science (1996), Layperson of the Year Award from the National Association of Evangelicals (1999), and finally, his own Taylor University selected him as the 1998 Distinguished Alumnus for Professional Achievement.

Dr. Habecker made a remarkable impression on the lives of his students, faculty, and the Taylor University community. He and Marylou have left a legacy of success at Taylor that will be built upon for decades to come. On behalf of Indiana’s Fifth Congressional District, I’d like to congratulate Dr. Habecker on his noteworthy career and extend a huge thank you for all the wonderful contributions he has made to the Hoosier community. I wish the very best to Dr. Habecker, Marylou, their three children, and seven grandchildren as he enjoys a well-deserved retirement.

Mr. Speaker, I rise today to honor Sarah Conroy, of Ozark, Missouri, who has been accepted by the National Academy of Future Physicians and Medical Scientists as a delegate to the Congress of Future Medical Leaders.

The Congress of Future Medical Leaders is an honors-only program that is designed to motivate and direct the top students in the United States. It is specifically for students who aspire to be physicians or enter into the field of medical research, and helps to provide a path and mentorship for students to accomplish their dreams. It takes place at the University of Massachusetts over 3 days, and helps to spark meaningful dialogues and exchanges of ideas between future leaders in the medical field.

To be considered for acceptance as a delegate, applicants must be recommended by either a teacher or member of the Academy based on a proven track record of academic excellence. Students must have a minimum of a 3.5 GPA and represent all 50 states and Puerto Rico. It is an incredibly selective opportunity, and those students who qualify for selection have done so because of their hard work and diligence to their studies, not to mention their impressive intellect.

Mr. Speaker, Sarah Conroy, who attends Ozark High School, has shown a true passion for anatomy, biology and health science. Moreover, Sarah has excelled in her academics and will no doubt make Missouri proud as one of our delegates. I would like to extend my personal congratulations for her achievement, and on behalf of the 7th District of Missouri, I would like to thank her for representing our district.

HON. BILLY LONG OF MISSOURI
IN THE HOUSE OF REPRESENTATIVES
Tuesday, May 17, 2016

Mr. LONG. Mr. Speaker, I rise today to honor Sarah Conroy, of Ozark, Missouri, who has been accepted by the National Academy of Future Physicians and Medical Scientists as a delegate to the Congress of Future Medical Leaders.

According to Sarah’s mother, Marylou, she was accepted by the Academy based on a proven track record of academic excellence. Students must have a minimum of a 3.5 GPA and represent all 50 states and Puerto Rico. It is an incredibly selective opportunity, and those students who qualify for selection have done so because of their hard work and diligence to their studies, not to mention their impressive intellect.

Mr. Speaker, Sarah Conroy, who attends Ozark High School, has shown a true passion for anatomy, biology and health science. Moreover, Sarah has excelled in her academics and will no doubt make Missouri proud as one of our delegates. I would like to extend my personal congratulations for her achievement, and on behalf of the 7th District of Missouri, I would like to thank her for representing our district.

HON. RUTH MOONEY OF KENTUCKY
IN THE HOUSE OF REPRESENTATIVES
Tuesday, May 17, 2016

Ms. MOONEY. Mr. Speaker, I rise today to honor Sarah Conroy, of Ozark, Missouri, who has been accepted by the National Academy of Future Physicians and Medical Scientists as a delegate to the Congress of Future Medical Leaders.

HON. LUIS V. GUTIÉRREZ OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, May 17, 2016

Mr. GUTIÉRREZ. Mr. Speaker, I was unavoidably absent in the House chamber for votes on Monday, May 16, 2016. Had I been present, I would have voted "yea" on roll call votes 194 and 195.

HONORING BOXING BEAR BREWING COMPANY

HON. MICHELLE LUJAN GRISHAM OF NEW MEXICO
IN THE HOUSE OF REPRESENTATIVES
Tuesday, May 17, 2016

Ms. LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to honor
Tribute to Marty Rieken

Hon. David Young

In the House of Representatives

Tuesday, May 17, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Marty Rieken of Oakland, Iowa, as he ends his term as President of the Iowa Funeral Directors Association (IFDA).

Marty has a long history of service within the field. He graduated from the Worsham College of Mortuary Science and became an apprentice at the Sellergen Lindell DeMarce Funeral Home in Red Oak, Iowa. Shortly after leaving his apprenticeship, Marty was hired as the Funeral Director of the Kessler Funeral Home in Audubon, Iowa. After years of hard work and dedication Marty now owns the Rieken Vieth Funeral Home in Oakland, Iowa and the Duhn Funeral Home in Griswold, Iowa. In addition to helping Iowa’s families through their times of need, he has also been an active member of and tirelessly advocate for the Iowa Funeral Directors Association.

Marty’s loyalty to the Iowa Funeral Directors Association (IFDA) began in 2010 as the District 4 Governor, and then became the Secretary-Treasurer in 2013. In 2014, Marty served as President-Elect and was installed as President in 2015. Under Marty’s leadership, the IFDA has seen unprecedented development and growth. He also implemented the IFDA’s five year strategic plan and his guidance to the IFDA Board of Governors has helped to promote and support funeral service excellence.

Mr. Speaker, I commend Marty for his dedication and congratulations to Iowa families and the IFDA. It is an honor to represent him in the United States Congress. I ask my colleagues in the United States House of Representatives to join me in congratulating Marty for his outstanding leadership and in wishing him nothing but continued success.

Personal Explanation

Hon. Richard M. Nolan

In the House of Representatives

Tuesday, May 17, 2016

Mr. NOLAN. Mr. Speaker, I was unavoidably detained for voting on Monday, May 16th. Had I been present and voting, I would have voted accordingly: Aye on Roll Call Vote Number 194 (Motion to Suspend the Rules and Pass H.R. 4743—National Cybersecurity Preparedness Consortium Act of 2016); and Aye on Roll Call Number 195 (Motion to Suspend the Rules and Pass H.R. 4407—Counterterrorism Advisory Board Act of 2016).

President Obama’s Policies Hurt the Economy

Hon. Lamar Smith

In the House of Representatives

Tuesday, May 17, 2016

Mr. SMITH of Texas. Mr. Speaker, in a recent interview President Obama claimed that unemployment and deficits were down and the GDP was on the rise. Contrary to his claims, Americans know the facts and are well aware of his failed economic agenda. Americans understand that the labor participation rate is at an historic low. Only 62 percent of Americans are employed or are seeking employment. One way to bring down unemployment is to create jobs. The other is to drive people out of the job market, which is what the president’s policies have done.

Americans also realize that the national debt has nearly doubled under the Obama presidency and will exceed $20 trillion before he leaves office. This continued out-of-control spending has slowed our economic growth and stagnant wages. American families know the facts about the president’s failed economic policies.

Regarding the DUI Reporting Act

Hon. Steve Cohen

In the House of Representatives

Tuesday, May 17, 2016

Mr. COHEN. Mr. Speaker, I rise today in support of the DUI Reporting Act, a bill I introduced today with my Judiciary Committee colleague Steve Chabot.

If enacted, it would plug a glaring hole in our nation’s drunk driving laws that inadvertently enables repeat offenders to be tried as first time offenders.

Currently, when police make a drunk driving arrest, they don’t always have access to information about all of the driver’s previous arrests for driving under the influence.

The reason is because not all police report DUI arrests to the National Crime Information Center, or “NCIC” for short, which is the national crime database that is made instantly available to police right from their patrol cars.

The consequences of this lack of reporting can prove tragic. Just last year there was a terrible accident in northern Mississippi, just outside of my Congressional District. Two teenagers were killed when the car they were driving was struck by a drunk driver who had accrued seven DUI charges since 2008 and had been allowed to plead guilty five times to a first-offense DUI.

The reason, according to a local investigation, was that none of the driver’s DUI history had been reported to the NCIC.

When the highway patrol ran the driver’s record in the national database, his past DUI convictions never showed up.

This is shameful. This information should be reported so police can access it and get drunk drivers off the road.

Our bill would make that happen, by creating a financial incentive for states to require DUI arrests to be reported to the NCIC.

This bipartisan bill will save lives, and I urge my colleagues to help pass it quickly.

Hon. Ryan Dirksen on Being Accepted by the National Academy of Future Physicians and Medical Scientists as a Delegate to the Congress of Future Medical Leaders

Hon. Billy Long

In the House of Representatives

Tuesday, May 17, 2016

Mr. LONG. Mr. Speaker, I rise today to honor Ryan Dirksen, of Springfield, Missouri, who has been accepted by the National Academy of Future Physicians and Medical Scientists as a delegate to the Congress of Future Medical Leaders.

The Congress of Future Medical Leaders is an honors-only program that is designed to motivate and direct the top students in the United States. It is specifically for students who aspire to be physicians or enter into the medical research field. The program helps provide a path and mentorship for students to accomplish those dreams. It takes place at the University of Massachusetts over 3 days, and helps to spark meaningful dialogues and exchanges of ideas between future leaders in the medical field.

To be considered for acceptance as a delegate, applicants must be recommended by either a teacher or member of the Academy based on a proven track record of academic excellence. Students must have a minimum of a 3.5 GPA and represent all 50 states and Puerto Rico. It is an incredibly selective opportunity, and those students who qualify for selection have done so because of their hard work and dedication.
