

engineering sector. He was CEO of Anderson-based auto-parts maker Remy International Inc., which in 1994 spun off from General Motors Corp., where he'd spent the previous 20 years. Tom became President of Ivy Tech in 2007, right as our country was headed into the Great Recession of 2008. Though he did not have a long history in the higher education world, Tom was uniquely qualified for the job as his years of leading manufacturing companies gave him a pronounced understanding of the critical importance of preparing a trained workforce for the Hoosier economy.

Under Tom's leadership, Ivy Tech Community College grew exponentially, both in student enrollment and programming. Ivy Tech, which serves more than 175,000 students annually at 32 campuses across Indiana, is now the largest institution of higher education in Indiana and the nation's largest singly-accredited statewide community college system. Throughout his tenure as President, Tom redefined the educational experience provided at Ivy Tech. He reengineered and enhanced the college experience by implementing numerous program expansions and initiatives allowing for more educational pathways for students. Ivy Tech's dual credit program, which allows students to get a jump start on college by earning college credits while still in high school, has vastly grown under his guidance, increasing from 8,000 dual credit enrollments to over 50,000 enrolled today. Tom was able to fully develop new pathways for higher education for students including transfer credits between Ivy Tech and many four-year institutions. The number of students transferring from Ivy Tech Community College to public institutions in Indiana increased by 165 percent, equating to about 13,000 students per year.

Tom's wife, Bobbette, who is also a proud Anderson native, shares Tom's passion for education. She served as Executive Director of the Leadership Academy of Madison County for more than 22 years until she retired in 2014. She's also served as Co-Chair of the Circle of Ivy, a women's philanthropy circle at Ivy Tech aimed at cultivating and celebrating women as philanthropists and has been hugely influential in ensuring the program's success. Tom and Bobbette display a clear dedication and love for the entire Hoosier community, especially their hometown of Anderson. They have been instrumental in providing excellence in education for decades and in doing so have positively impacted the lives of countless Hoosiers.

Tom's success as a leader and astonishing dedication to higher education in Indiana has not gone unnoticed. He's received numerous awards, most notably the prestigious Sagamore of the Wabash from Governor Mike Pence (2016), Orr-O'Bannon Lifetime Achievement Award from the Indiana Economic Development Association (2014), Outstanding Achievement Award from The Greater Indianapolis Branch NAACP 3053 (2014), and was selected as a 2015 Champion of Diversity by Indiana Minority Business Magazine. He's engaged with non-profits and is a member of the Tocqueville Society of United Way, was selected to serve on numerous educational boards including the Community College Advisory Panel, Midwestern Higher Education Compact, the Indiana Career Council, and Academic Advisory Council, as well as boards focused on the growth of the community and manufacturing workforce such as Conexus,

Energy Systems Network, Manufacturing Skill Standards Council, Auto Communities Network, EnerI, Rebuilding America's Middle Class, Central Indiana Corporate Partnership, Lightweight Innovations for Tomorrow, and the National Workforce Solutions Advisory Board. Additionally, he's a member of the Executive Committee for the Indiana State Chamber, the Executive Council of the Saint Theodore Guerin High School in Noblesville, the World Economic Forum in Davos, Switzerland, and serves on the board of the Paramount Theater in Anderson. In 2008, the Manufacturing Institute selected Tom to serve on their Education Council, the first-ever national education council focused on expanding and enhancing the manufacturing workforce, and most recently in 2015, he was appointed by President Barack Obama to serve on the College Promise Advisory Board, which is a coalition focused on promoting ideas for free community college.

I had the pleasure of working with Tom when I served as Senior Vice President and General Counsel for Ivy Tech from 2007 to 2012. His leadership and passion for helping others succeed was truly inspirational and I feel fortunate to call him a dear friend. Tom has left a lasting impact on the lives of students, faculty, and the Ivy Tech community. He and Bobbette have made a remarkable impression throughout the state of Indiana and left a legacy of success that will be built upon for years to come. On behalf of Indiana's Fifth Congressional District, I'd like to congratulate Tom on his notable career and extend a huge thank you for all the wonderful contributions he has made to the Hoosier community. I wish the very best to Tom, Bobbette, their four children, and ten grandchildren the best as they begin their next adventure in our community they have worked so hard to make a wonderful place.

IN RECOGNITION OF THE HANNAH  
B.G. SHAW HOME

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 16, 2016

Mr. KEATING. Mr. Speaker, I rise today in recognition of the 75th anniversary of the Hannah B.G. Shaw Home and in appreciation of its work in establishing a permanent home to benefit seniors who are in need of assistance.

It is because of the generous donations of Hannah B.G. Shaw that this beautiful home was established. Hannah Shaw dedicated her life to philanthropic work, most notably leaving 55 acres of land and a sum of money to open the Shaw Home in 1941. This beautiful facility has been recognized as one of the top twenty-five facilities in the nation by the US News and World Report and as second in the state by the Massachusetts Department of Public Health customer satisfaction surveys.

In its 75 year history, the implementation of Hannah Shaw's vision has grown. Since opening in 1941, the Shaw Home has had five major renovations which have expanded residential spaces, modernized wellness facilities, and added a state-of-the-art rehabilitation gym and café.

Today, the Shaw Home houses a forty bed residential care facility along with a sixty-seven bed skilled nursing facility, fulfilling Hannah's goal of giving senior citizens of Massachusetts the ability to continue to maintain the highest quality of life. Through events such as Sports Day and Luau in celebration of National Nursing Homes Week, creation of care packages for troops overseas, and a "Rhythms of Life" concert by Hannah's Chorus, residents of the Shaw Home are able to enjoy their golden years in a loving community that goes beyond the standards of clinical care.

Mr. Speaker, I ask my colleagues join me in honoring the Hannah B.G. Shaw Home as it celebrates this milestone. The 75th Anniversary of the Shaw Home provides us with an opportunity to reflect on the significance of maintaining the quality of life for the elderly in the United States. May the Shaw Home continue to provide exemplary care and remain a pillar of the community in the next 75 years.
