COMMENDING PRINCE WILLIAM
CHAMBER OF COMMERCE CHAIR-
MAN DALENA KANOUSE

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2016

Mr. CONNOLLY. Mr. Speaker, I rise to congratulate Dalena Kanouse on the completion of her term as Chairman of the Prince William Chamber of Commerce. Each July, a new Chairman assumes the responsibility of working with Chamber staff and board members to promote the interests of the local business community.

After the passing of her late husband, SGM (Ret) Sam Kanouse in 2009, Mrs. Kanouse assumed the reins of his business, Management and Training Consultants, Incorporated (MTCI) as President and Chief Executive Officer. As a U.S. Department of Defense contractor, Mrs. Kanouse sets the strategic vision and strives for excellence as the leader of more than 100 employees.

Mrs. Kanouse brought the same resolve to her role as Chairman. Recognizing the evolution of the Northern Virginia economy, she stressed the importance of remaining current on workforce development trends and broadening a business' footprint within the field of government contracting. She also led the Prince William Chamber's workgroup on the establishment of a 3-year strategic plan.

The Prince William Chamber of Commerce represents the interests of nearly 70,000 employees in the metropolitan community of 432,000 residents. Dedicated to maintaining an environment where businesses and people thrive, the Prince William Chamber focuses its efforts in the area of business growth, economic development, advocacy, education, and community outreach. Signature events include the Prince William Valor Awards, Business Awards, Education and Innovation Scholarship Program, and Salute to the Armed Services Luncheon.

As a military spouse, mother of two, and grandmother to three, Mrs. Kanouse has proven to be a strong advocate for military families and early childhood education both personally and professionally. She actively serves on

multiple committees and councils within the Chamber, including the Chambers Veterans Council and Education and Innovation Committee. Under Mrs. Kanouse's leadership, the Chamber awarded \$7,500 in scholarships to local high school students this year. Mrs. Kanouse is a strong believer in practicing what she preaches. As a display of her commitment to hiring veterans, MTCI maintains a Bronze Level Certification in the Virginia Values Veterans (V3) program. During her tenure, Mrs. Kanouse increased Chamber membership, retention, and utilized her personal network to expand the reach of the Prince William Chamber of Commerce in the community.

Mr. Speaker, I ask my colleagues to join me in commending Dalena Kanouse on her effective leadership and successes as Chairman. Mrs. Kanouse has proven herself to be a visionary leader whose efforts will leave a lasting impression on the Prince William Chamber of Commerce and the community it serves.

COMMENDING AND CONGRATU-
LATING FAY G. CARBULLIDO
AFTER 40 YEARS OF SERVICE ON
GUAM

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2016

Ms. BORDALLO. Mr. Speaker, I rise today to commend and congratulate Fay Diana Garrido Carbullido on her retirement after 40 years of service as a Registered Nurse on Guam. Fay has diligently served our community in almost every arena of nursing, including numerous leadership positions with the Guam Department of Education, Guam Department of Public Health and Social Services, Guam Memorial Hospital, and Naval Hospital Guam.

Fay was born on January 9, 1953 to Facundo Diego Borja Garrido and Florencia Crisostomo Lizama Garrido of Agana Heights. She was drawn to the nursing profession by her father, who served in the U.S. Navy, and mother, who was a Navy trained nurse. As a teenager, Fay volunteered as a Candy Stripper at the Guam Memorial Hospital. Upon her graduation from the Academy of Our Lady of Guam in 1971, Fay was awarded the Government of Guam's Professional Technical Scholarship to study nursing. She received her Bachelor of Science degree in Nursing from Seattle University in 1975.

She began her career providing direct nursing care in community and teaching hospitals. She was employed at the University of California—Davis Medical Center, where she worked to support her soon to be husband, Franklin Philip Carbullido, while he attended law school. Fay and Phil were married on August 2, 1976. She is the daughter-in-law of Francisco Chaco Carbullido and Maria Salas Castro Carbullido of Chalan Pago. They have four children: Brandon, Kristina, Adam, and Steven, and their family has been extended by Kristina's marriage to Charles Rapadas and their only grandson, Kellan Philip.

When Philip graduated from law school in 1978, they returned home to Guam. She continued as a hospital nurse caring for patients in the Emergency Room and Critical Care Unit, Labor & Delivery, and Medical-Surgical wards at Guam Memorial Hospital. After the

birth of her first child, Fay decided she needed to work regular hours.

A majority of her career was as a school health counselor and school nurse for the Guam Department of Education, a position she held for nearly 18 years from 1979–1984, 1989–1995, and 1997–2003. She cared for thousands of students during her assignments at Finegayan Elementary, Carbullido Elementary, C.L. Taitano Elementary and Tamuning Elementary Schools. As a school nurse, Fay demonstrated a kind and gentle care for each student, at times having up to 30 students in her health room. Many who have grown still fondly refer to her as Nurse Fay.

Between her assignments as a school nurse, Fay served in several leadership and administrative positions with GDOE and the Guam Department of Public Health and Social Services. She was the School Health Program Coordinator of the entire education department from 1984–1989, where she oversaw the comprehensive School Health Program for all of Guam's public schools. Under her leadership, she championed having a school nurse in every public school and worked collaboratively with government agencies and private medical providers on issues affecting school-aged children.

In 1995, she was recruited by a Northern California home care agency to establish Guam's first home care nursing service, which provided much needed services and care to elderly and homebound patients throughout Guam. From 1995–1997, Fay was appointed to several positions within DPHSS, including the Community Health Nurse Supervisor then Administrator of the Bureau of Family Health and Nursing Services. She was Maternal and Child Health Program Director, and Alternate Response Activity Coordinator during times of typhoons and the Korean Airlines Flight 801 crash. She provided expert advice to department directors and senior leadership within the Government of Guam, including the Governor of Guam, and worked with local leaders to expand public health programs and nursing services in Guam and the Pacific region.

Fay retired from the Government of Guam in 2003 after 27 years of local government service when she was recruited by Naval Hospital Guam to be the Patient Safety Manager. She established and coordinated Naval Hospital's first Patient Safety Program that resulted in two successful accreditation surveys by The Joint Commission. In 2009 she transitioned to be the Breast Health Coordinator where she worked with medical staff, patients and their families to provide support and education to more than 300 women with breast health concerns. She is currently the Population Health Nurse who worked closely with medical providers and patients to bring Naval Hospital Guam to be among the Top 3 in Navy Medicine for several months.

Throughout her life, Fay has been an active member of our community. She is a member of numerous professional associations, and spearheaded initiatives to raise awareness of health issues and disease prevention on Guam and the Pacific region. She worked with the Government of Guam and community partners to establish the Hemophilia Foundation of Guam, where she served as a founding member, vice chairwoman and board member. She has served as the chair of the Guam Board of Nurse Examiners, Guam Interagency Consortium for Individuals with Special Needs, and

Pediatric Evaluation and Development Services, and she was Guam's Delegate to the National Association of School Nurses. She is also a former vice chair of the American Red Cross Guam Chapter, charter member of Soroptimist International of the Marianas, and member of the Guam Memorial Hospital Volunteers Association, among other organizations. Fay is also deeply involved in Guam's Catholic Church, as a member of the Christian Mothers, Legion of Mary Auxiliary, and Catholic Daughters of America.

Fay has had an exceptional career and has made our island a better place. I join our community in commending her for her tireless work to advance health issues on the island. On behalf of the people of Guam and a grateful nation, I extend my deepest appreciation to Fay Carbullido for her 40 years of dedicated service to our island and our country. I congratulate her on her retirement and I wish her the best as she begins the next chapter of her life. Thank you (Si Yu'os Ma'ase), Fay.

YOUTH ORATORICAL CONTEST

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2016

Mr. CONNOLLY. Mr. Speaker, I rise to recognize the 31st Annual King Day Celebration and the cornerstone of the event, the 26th Annual Martin Luther King, Jr. Youth Oratorical Contest, hosted by the Prince William Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated.

The Reverend Dr. Martin Luther King, Jr. will forever be engrained in our history as the formative figure in the quest for justice through civil dialogue. His legacy is one of tolerance despite the violence perpetrated against him and other leaders of the Civil Rights Movement. Responding through peaceful and principled communication to condemn the injustice of social and racial inequality, Dr. King worked tirelessly to establish a more united society. In his Letter from a Birmingham Jail, Dr. King highlighted the need for civility in order to establish equality. For his courage, vision, and perseverance, we celebrate Dr. King, not just for the man he was, but for his vision of the American Dream and what America can be.

Each year, residents of Prince William County gather to reflect upon the past year and receive a message of hope from the youth of today and leaders of tomorrow. Contestants in the MLK Youth Oratorical Contest pay homage to the legacy of Dr. King through their effective communication. SPRINKLER FITTERS, LOCAL 550,
100TH ANNIVERSARY

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2016

Mr. LYNCH. Mr. Speaker, I rise today in recognition of Sprinkler Fitters, Local 550, on

the occasion of their 100th Anniversary and to congratulate Business Manager Peter Gibbons as he leads the Sprinkler Fitters, Local 550, into their second century of excellence.

Mr. Speaker, on June 17, 1916, United Association General President, John R. Alpine, had the foresight to move the Sprinkler Fitters, Local 550, toward independence from one of the several auxiliary locals, to their now sister local Road Sprinkler Fitters, Local 669. During the United Association General Convention of 1946, the Sprinkler Fitters, Local 550, were awarded their autonomous status. After significant debate, the delegates voted to give the auxiliaries their independent status and made that status retroactive to the signing of each charter. In the case of Local 550, their status was retroactively dated on June 17, 1916.

Until 1993, Local 550 had offices at various locations in Boston and monthly union meetings were hosted in several different locations. On November 1, 1993, Sprinkler Fitters, Local 550, moved into their newly reconstructed home at 46 Rockland Street in West Roxbury, Massachusetts; a building which was large enough to house a union meeting hall. Ironically, the building was destroyed twice by fire damage during previous inceptions as the Leiderkranz German Club, and the Roberts Post, before Local 550 purchased the land and commenced renovations that included the installation of a working fire protection system. The purchase and renovations were overseen by the late Brother George McCarthy, who served as Business Manager for 30 years from 1974 until 2004 when current Business Manager, Financial Secretary, Peter Gibbons took office.

The Rockland Street location also served as the original home to the Local 550, Apprenticeship Training Facility until 2014 when, under the direction of Business Manager and Joint Apprenticeship Coordinator Peter Gibbons and the entire Joint Apprenticeship Committee, the apprentices were relocated to a new, state-of-the-art training center in Weymouth, Massachusetts. At present, apprentices are now trained in all aspects of the installation and inspection of fire protection systems, while capably providing the future workforce of Local 550. Among the many skills they learn, apprentices of Local 550 are provided with hands-on training using actual working fire pumps that flow water to facilitate training in the installation and inspection of all aspects of fire pumps. Included in the new training facility is a mock two-story house constructed within the training center where apprentices learn to plan and implement sprinkler installations. This hands-on approach fully prepares apprentices for real life situations that often arise on the job.

Mr. Speaker, there have been many changes in the industry since the Local's inception 100 years ago, but the one thing that has remained constant is the bond of the Union Brotherhood and Local 550's commitment to the communities they serve. Not only are there nearly 650 Local 550 hardworking brothers and sisters quick to lend a hand to fellow members, they are also known for their tremendous acts of selfless charitable giving to the many communities throughout the state. Local 550 members have donated their time and resources to many important community efforts. These projects include the Gavin Foundation, Chez-Vous Roller Rink, and Habitat for Humanity. In addition, Local 550 members sponsor a golf fundraiser; most recently
