RECOGNIZING PEA RIDGE NATIONAL MILITARY PARK

Mr. COTTON. Mr. President, in honor of the National Park Service’s 100th birthday year, I want to recognize PEA RIDGE National Military Park in northwest Arkansas. PEA RIDGE National Military Park is one of the best preserved Civil War battlefields in the United States and its history deserves to be heard.

The Battle of Pea Ridge took place in March of 1862 when 26,000 Union and Confederate soldiers fought for 2 straight days. The battle was hard-fought, but in the end, the Union forces, led by General Samuel Curtis, were victorious, and the Union won complete control of the State of Missouri.

Pea Ridge National Military Park officially became part of the National Park Service on July 20, 1956, thanks largely to the efforts of the Arkansas congressional delegation. And it was officially dedicated as a national park during the Nation’s Civil War Centennial in 1963.

Today, 4,300 acres of battlefield are preserved for visitors. The grounds include a recreation of the Elkhorn Tavern—an important landmark of the battle—as well as a visitors center and a museum. The park is also home to 2 and a half miles of the Trail of Tears, another important United States landmark.

Arkansas is a State full of rich history, and heritage and Pea Ridge National Military Park is a critical part of that history. If you find yourself in the picturesque Ozarks of northwest Arkansas this fall, take some time to drive through or walk the grounds of Pea Ridge National Military Park and see for yourself.

REMEMBERING RODGER McCONNELL

Mr. DAINES. Mr. President, today I wish to honor a Vietnam war veteran who became an incredible hometown advocate for other veterans. Sadly, Rodger McConnell passed away on July 21, 2016, in Great Falls, MT.

Rodger served his country honorably during the Vietnam war, but like so many returning veterans, he struggled with PTSD and homelessness. Rodger was able to overcome these issues and went on to serve veterans in many ways. He helped create the Veterans Drug Treatment Court and acted as a mentor to the participants. He organized the annual homeless Veterans Stand Down. He also helped bring a replica of the Vietnam Memorial to Great Falls.

Rodger was a selfless, caring individual whose actions were inspiring to the entire community. Because of his commitment to veterans, his presence will continue on through so many programs that he created. One that was very dear to him was “On Point: Veterans Talk Radio,” a radio program for veterans that he hosted on the local public radio station. Some of these interviews with wartime veterans will be submitted to the Veterans History Project through the Library of Congress. Rodger may not be with us today, but his talks with veterans will be preserved for all to hear.

TRIBUTE TO DR. MARGARET BEESON

Mr. DAINES. Mr. President, Dr. Margaret Beeson is a generous and inspiring doctor, who inexhaustibly serves her profession, her community, and the world with compassion and integrity. She is a strong yet humble leader, whose healing presence has awakened and nurtured souls from all walks of life. She is a consummate professional, conducting every aspect of her life with dignity, decorum, and propriety. Her brilliance is not only found in her intellect, but in the dynamic legacy she has created. Her vision is manifest in the thousands of patients she has cared for, the myriad of doctors she has mentored, and has embodied throughout her nonvocative.

Dr. Beeson is a loving mother and an enduring friend, generous of time, spirit, and compassion.

She has served as a medic in the U.S. Navy and also participated in an elite naval medical corps training program. This was a San Diego Naval Hospital based PA program. She trained for 6 months there and subsequently worked for a year in the outpatient clinic. She ran a chronic care clinic treating patients with high blood pressure and diabetes. She was a licensed vocational nurse, rotating through five hospitals, and traveled to India, the Netherlands, and England attaining her midwifery license. She became a naturopathic physician in 1989, and is associate clinic faculty at Bastyr University in Seattle.

Dr. Beeson is the founder and medical director of the Yellowstore Naturopathic Clinic in Billings, MT. Her clinic in the heart of Billings is also an accredited residency program through the Naturopathic Education and Research Consortium, providing opportunities for graduates of Naturopathic medical schools in a primary care setting.

Additional, she is the president of the board of directors of the Paul Gardner Veterans Pain Relief Foundation, an organization dedicated to facilitate access to nonnarcotic pain treatments for veterans by providing financial resources for access to safe, effective treatments.

Earlier this year, the American Association of Naturopathic Physicians named Dr. Beeson its “2016 Physician of the Year.” Dr. Beeson was selected for her strong leadership, authenticity, and great mentoring skills. The role of mentor is one she is particularly proud of, as her clinic runs a residency for oncology in collaboration with St. Vincent Healthcare’s Frontier Cancer Center.
