

Tragically, we know that many of the individuals who experience suicidal thoughts suffer from some form of mental illness but have not received proper treatment.

Here in the House, we passed landmark legislation to overhaul our Nation's mental health treatment system to make sure these individuals have access to the care they need, and we need to see it across the finish line.

That is why I am here on the floor today to recognize National Suicide Prevention Month and, more importantly, to bring awareness to this tragic problem and recommit our efforts to help our fellow citizens struggling with mental illness.

DYSFUNCTIONAL REPUBLICAN-LED CONGRESS

(Ms. PLASKETT asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PLASKETT. Mr. Speaker, I rise today to call out the dysfunction of this Republican-led Congress.

At every turn, this House has abandoned Americans who are counting on strong action from Congress to protect families. Whether it is Flint, gun violence prevention, or the Zika virus, this Congress has shown its unwillingness to tackle the real issues affecting the American people.

Mr. Speaker, in the United States and its territories, there are now more than 23,000 confirmed cases of Zika. An emergency request for supplemental resources to fight Zika came to this House more than 6 months ago. Similarly, in the 3 months since House Democrats took to this floor to call for a vote on commonsense gun safety legislation, there has not been a single vote.

Mr. Speaker, this Congress' inaction on these issues has dire consequences for many in communities across the country, including the more than 40 men and women who have lost their lives to gun violence in the Virgin Islands this year and the number of unarmed African Americans killed in police shootings. Are they not important?

The water crisis in Flint is the very issue that this Congress should take up.

Mr. Speaker, I call on this Congress to act now to fully fund the President's emergency request to fight Zika, to support the children and families in Flint, as well as bring a vote on legislation to keep our communities safe from gun violence and aggressive police practices.

MOSES LAKE CHAMBER OF COMMERCE

(Mr. NEWHOUSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. NEWHOUSE. Mr. Speaker, I rise today to recognize the Moses Lake

Chamber of Commerce in Washington State's Fourth Congressional District as they prepare to celebrate their 75-year anniversary in October.

Moses Lake is truly a vibrant community that has developed as a hub for diverse sectors, including agriculture, aviation, manufacturing, and technology.

This success is no accident. The commitment of hardworking entrepreneurs and local civic leaders has placed Moses Lake on a path of increased opportunity for the residents of the city, in Grant County, and in the entire region.

The growing engagement of Moses Lake businesses in trade and exporting American products overseas shows the importance of access to international markets for the local economy. Moses Lake businesses and leaders know the importance of keeping our ports open and supply chains operating smoothly.

While Moses Lake's natural beauty, freshwater, and recreational and cultural activities attract visitors from all over, its growing economy supports jobs that attract families to stay and call Moses Lake home.

Congratulations to Moses Lake on 75 years of fulfilling its mission to create and maintain a prosperous economy and quality lifestyle.

RELIEF FROM OBAMACARE

(Mr. DUNCAN of Tennessee asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNCAN of Tennessee. Mr. Speaker, I rise today to encourage my colleagues to support Congressman ADRIAN SMITH of Nebraska's CO-OP Consumer Protection Act which we will vote on later today.

This bill will temporarily exempt from the individual mandate penalty anyone who had a plan under one of the many failed ObamaCare co-ops; 17 out of 23 co-ops have failed since early 2015.

Community Health Alliance was one such ObamaCare co-op based in my district. When it failed last year, 27,000 Tennesseans were forced to find new plans. This year, Tennesseans have been faced with even more bad news. Earlier this year, BlueCross BlueShield of Tennessee requested an average 62 percent increase in premium rates. Then just yesterday, BlueCross BlueShield of Tennessee announced that they can no longer afford to offer any ObamaCare exchange plans in Knoxville, Nashville, and Memphis. This will affect over 100,000, including many of my constituents who will now have the option of only one health insurance provider.

Congressman SMITH of Nebraska's bill will provide at least some relief for people who have lost their health insurance because of ObamaCare. I urge my colleagues' support of this very important legislation.

EDEN PRAIRIE: BEST PLACE TO LIVE

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise to congratulate Eden Prairie, Minnesota, for being recognized and named as the Second Best Place to Live in America by Money Magazine. It is not the first time that Eden Prairie has been recognized as a great place to live. It has made the annual list several times over the years and even finished number one in 2010.

Eden Prairie is a wonderful place for families and kids because of its excellent schools, great parks, and over 100 miles of terrific walking and biking trails. There are also 17 lakes that add to our high quality of life. The city also has a lot to offer through its economy as well. There are several great local and global brands that are headquartered in town or nearby.

Mr. Speaker, Eden Prairie residents have known this for a long period of time. It is a great place to work, to live, and to raise a family. I am honored to represent such an outstanding community and to call it home myself.
