ATTORNEY GENERAL JEFF SESSIONS AND RUSSIA

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, I rise today after news that the Attorney General, Jeff Sessions, lied under oath about his multiple contacts with higher level officials from the Russian Government.

The American people deserve full answers from the FBI on the ever-growing list of Trump administration officials with reckless and dangerous ties to Russia. The 2016 attack by Russia on U.S. democratic institutions, election systems, and political parties represents an international crime against liberty.

We still don't know the full extent of Russia's attacks. Thus, it is essential that the FBI, which reports to the Attorney General, be absolutely free of any political pressure. Congress must empower an independent investigatory, bipartisan commission to discover the truth. And the administration must appoint a special prosecutor free of political influence by the executive branch.

Any investigation must be empowered to thoroughly probe Russia's actions against our Nation's elections and must unearth any individuals who aided and abetted Russia in furtherance of its nefarious objectives. Without question, it is essential that our FBI and Justice Department be absolutely free of any political influence by the Attorney General.

The American people are owed the truth, the whole truth, and nothing but the truth. Toward restoring integrity, the Attorney General should resign in view of his misleading answers about Russia during his Senate confirmation hearing.

Truth will out.

COMPREHENSIVE EVERGLADES RESTORATION PLAN

(Mr. MAST asked and was given permission to address the House for 1 minute.)

Mr. MAST. Mr. Speaker, I rise today in support of including Everglades restoration in the President's infrastructure plan for America.

The Comprehensive Everglades Restoration Plan is the most ambitious ecosystem restoration ever attempted and represents the ultimate infrastructure package for Florida, but many critical projects designed to add harmful Lake Okechobee discharges and algal blooms into my community are far behind where they should be and becoming far more costly by the delay in full funding.

The President has touted his record of building world-class projects ahead

of schedule and under budget; so I am calling on him to create an Everglades restoration infrastructure task force, secure the full funding, and accelerate the CERP projects to completion.

Mr. Speaker, my constituents have waited long enough to realize the massive benefits of Everglades restoration. Now let's seize this moment and put this President and this Congress to work to finish the job.

UNDERSTAND THE LEGAL MARIJUANA INDUSTRY

(Ms. TITUS asked and was given permission to address the House for 1 minute.)

Ms. TITUS. Mr. Speaker, earlier this week, Attorney General Sessions stated we won't be a better, healthier Nation if marijuana is sold at every corner grocery store. His Justice Department also signaled that it would raid a marijuana industry convention being held on tribal lands in my State of Nevada.

While it is pretty clear that the Attorney General has some other problems to worry about now, I would note that his statement and his department's actions demonstrate a complete lack of understanding of the legal marijuana industry.

The industry, which is highly regulated in States that have chosen to legalize marijuana, does, indeed, face challenges in banking, taxes, advertising, security, and working with veterans. These need to be addressed by Congress.

But in the meantime, I invite Mr. Sessions: Come to Nevada. Meet with members of the industry. Find out how it really works before you make rash decisions about enforcement that will counter the votes of many people across this country.

TRIBUTE TO ROBERT AND MEGAN TRINKLEY AND MISSION FIRST HOUSING GROUP VOLUNTEERS AND SUPPORTERS

(Mr. MEEHAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MEEHAN. Mr. Speaker, I rise today to pay tribute to Robert and Megan Trinkley and the many supporters and volunteers of the Mission First Housing Group, which places homeless veterans in need in safe, affordable, and sustainable housing.

Last Friday evening, I had the great pleasure to be present at the third annual Homes for Heroes fundraising event in Delaware County, Pennsylvania. I joined the Trinkleys and iconic radio personality and Vietnam veteran John DeBella and hundreds of community supporters who were all committed to quality housing for our vets.

The Homes for Heroes event was founded in 2015 as a way for the Trinkleys to honor the memory of Megan's late father, a United States

Air Force veteran. Homes for Heroes raised more than \$40,000 last year and surpassed that number this year.

Mr. Speaker, on any given night, some 40,000 of our veterans are homeless, and that is too many. But thanks to the work of Robert and Megan Trinkley and all of those who have supported Homes for Heroes, some three dozen veterans right now in our region sleep in safe, affordable housing.

I am grateful for their efforts, and I applaud them for their service to the homeless veterans to assure that no hero he is left behind.

CELEBRATING WOMEN HELPING WOMEN

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, as we kick off Women's History Month, I want to recognize Women Helping Women, celebrating 40 years of service to the people in my district of Maui County.

Since its founding in 1977, Women Helping Women has been an indispensable source of strength and support for survivors of domestic violence in Maui County, many of whom have fled courageously away from life-threatening situations with nothing more than the clothes on their backs, a few dollars in their pockets, and the desire to live without fear. Many of these women flee with young children and have no one to turn to and nowhere to go.

Each year, this organization serves more than 1,500 women, men, and children on the Islands of Maui and Lanai through a variety of programs, projects, and activities focused on direct intervention, shelter, advocacy, education, empowerment, and prevention.

Mahalo to Women Helping Women, and congratulations on reaching this 40th anniversary year.

EXPRESSING GRATITUDE TO SHERIFF'S DEPUTY WES HARPER

(Mr. HOLLINGSWORTH asked and was given permission to address the House for 1 minute.)

Mr. HOLLINGSWORTH. Mr. Speaker, I rise today to recognize the actions of Clark County, Indiana, Sheriff's Deputy Wes Harper.

On the evening of February 21, Deputy Harper was dispatched to a call for an unconscious person. While en route, Deputy Harper's dispatcher advised him that this individual was, in fact, a 9-month-old child, and it was possible that the child had drowned.

Wasting no time, Deputy Harper arrived on scene, scooped the infant up into his arms, and dove back into the patrol vehicle with an ambulance still minutes away. As his fellow officer drove to Kosair Children's Hospital, Deputy Harper provided CPR to the unconscious infant. As they pulled into
