I ask that my colleagues join me in honoring the school's five decades of service and commitment to academic excellence and I look forward to seeing all that they are able to accomplish in the next 50 years.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF BERGMANN'S CLEANING

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 26, 2017

Mrs. COMSTOCK. Mr. Speaker, I am honored to use this time to recognize a local business on its 100th year in operation. Bergmann's Cleaning, whose main plant is located in Virginia's 10th District in Sterling, Virginia, provides a variety of cleaning services and is one of the oldest family-operated businesses in our region. Now managed by fourth generation family members, Bergmann's Cleaning is truly a staple in our community and region, and I commend the Bergmann family on their exemplary business practices and ability to adapt and grow throughout the years.

In 1917, W.C. Bergmann decided to supplement his income as a lamplighter in Washington, D.C. by starting a small laundry service, where he, with his horse drawn truck, would pick up the clothes of his customers, clean and press them, and then deliver them back to their homes. His services quickly gained recognition, and with the help of his sons, he opened the first Bergmann's Cleaning store within a year of starting the horse drawn truck business. The number of inner city stores increased, but many people were moving out to the suburbs of Washington, D.C. and also required new services. Accordingly, Bergmann's Cleaning not only continued their convenient and free pick-up and delivery service, which garnered thousands of new customers in the D.C. suburbs, but also expanded its cleaning offerings to include clothing, rugs, draperies, linens and more.

Today, Bergmann's Cleaning's day-to-day operations are managed by E. Peter Bergmann, the President, and Larry M. Bergmann Jr., the Vice President of Sales and Operations. Under their leadership, the company has 20 efficient delivery and pick-up routes, ranging from Reston, Virginia, to Columbia, Maryland, and has a staff of 125 people, many of whom are constituents of Virginia's 10th District. In addition to the successful door-to-door service, Bergmann's Cleaners serves more than 25 hotels in our region, uses ecofriendly and biodegradable cleaning products, and is responsible for the most successful annual coat drive in the nation. In fact now in its 17th year, the annual "Share the Warmth, Coats for Kids and the Needy" drive has delivered nearly 500,000 coats to those less fortunate.

In today's society, family owned businesses are essential to the future of our nation. It is families, like the Bergmanns, who help foster strong local economies by establishing successful business practices that can be carried out for multiple generations. While the services provided have changed and expanded over the years, the entrepreneurial attitude of the Bergmann family and common goal of serving their community has remained the same.

Mr. Speaker, I ask my colleagues to join me in applauding Bergmann's Cleaning for its dedication to serving our community for 100 years. I wish E. Peter Bergmann, Larry M. Bergmann, Jr., and the entire company the best in their future endeavors.

TRIBUTE TO HON. NELSON
JAEGER BECKER

HON. TODD ROKITA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 26, 2017

Mr. ROKITA. Mr. Speaker, I rise today to honor a prominent Hoosier leader and my close friend, Mr. Nelson Jaeger Becker, who passed away on April 7, 2017 surrounded by his loving family.

Nelson was born in Logansport, Indiana on September 16, 1940. He graduated from Logansport High School, received his Bachelor of Business Administration from Tulane University, and his Doctor of Jurisprudence from Tulane University Law School. He also graduated from the Culver Summer Naval School and served in the United States Air Force as a JAG officer where he attained the rank of captain.

Nelson was passionate about the law, the legislative process, serving the community, and politics. He practiced law in Logansport from 1968 up until his passing. He dutifully served the residents of Carroll and Cass Counties as their State Representative for over a decade in the Indiana House of Representatives. During that time, he served as Majority Whip and Speaker Pro Tempore. Nelson continued to serve the state legislature as a government affairs professional for several industries providing the part-time legislators with facts to help them make decisions on policy issues facing the General Assembly. Nelson's service to the great State of Indiana did not go unnoticed. He was a recipient of Indiana's highest civilian award, The Sagamore of the Wabash.

Nelson truly cared about the City of Logansport and it showed through his actions. He was a former member of the Board of Directors of Logansport Savings Bank and the Board of Directors of the First National Bank of Logansport. He was also the former President of the Cass County YMCA Board of Directors and held memberships with the First United Methodist Church, the Elks, and American Legion.

I had known Nelson for many years and always appreciated his advice and council on a variety of issues. Nelson was one of the very first people to support me in my bid for public service. And he was quite literally the first person to turn his verbal support into concrete action. I will never forget that . . . or the small

group of Logansport leaders who met with me in Nelson's house one evening in 2001 to support my goals for public service.

Nelson leaves Dixie, his beloved wife, five sons, and fifteen grandchildren to carry on his legacy of service to fellow Hoosiers. Anyone who knew him well knows what a great loss his passing is for our community and the State of Indiana. May he rest in peace, he will not be forgotten.

ANZAC DAY

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 26, 2017

Mr. POE of Texas. Mr. Speaker, yesterday marked the anniversary of the ANZAC Day. On this day, 102 years ago, while horrific trench warfare was taking place in Europe, half a continent away, the Australian and New Zealand Army Corps, came together for a noble cause. Together they set out to capture the Dardanelles and Gallipoli to open a route for the allied navies.
