

IN RECOGNITION OF BYRON BUNKER FOR BEING NAMED A FINALIST FOR THE SAMUEL J. HEYMAN SERVICE TO AMERICA MEDAL

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 11, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Byron Bunker for being named a finalist for the Samuel J. Heyman Service to America Medal. Mr. Bunker's work as Director of Compliance Programs for the Environmental Protection Agency was key to uncovering Volkswagen Group's automotive emissions evasion scheme and safeguarding public health.

Since 1999, Mr. Bunker has worked for the EPA's National Vehicle and Fuel Emissions Laboratory in Ann Arbor, Michigan, which conducts tests to certify that vehicles and engines meet the United States' emissions and fuel economy standards. As Director of the NVFEL's Compliance Division, Mr. Bunker tests automobiles and their components to ensure that they comply with clean air regulations. Working in conjunction with academic researchers and other federal officials, Mr. Bunker helped uncover and halt a scheme by Volkswagen to evade emissions standards through the use of software designed to intentionally fool regulators about the true emissions levels of its diesel vehicles. This discovery eventually resulted in the largest penalty ever levied against a car manufacturer and helped lay the foundation for additional criminal investigations. These have resulted in \$4.3 billion in civil and criminal penalties, as well as indictments against Volkswagen executives.

Mr. Bunker's expertise and tireless efforts played a critical role in uncovering this wrongdoing and underscore the importance of the EPA's enforcement efforts. As a result of Mr. Bunker's work, the EPA was not only able to detect a sophisticated and widespread emissions evasion scheme, but also strengthen its testing procedures to prevent similar deceptions in the future. Through his rigorous work and collaboration with other officials in the EPA, Mr. Bunker has been an important driver of efforts to protect Americans' health and the environment, and it is my hope that he continues to effectively safeguard public health and safety in the years ahead.

Mr. Speaker, I ask my colleagues to join me in honoring Byron Bunker for being named a finalist for the Samuel J. Heyman Service to America Medal. Mr. Bunker's rigorous enforcement work has been important in protecting public health and safety.

HONORING NEAL A. DEANGELO

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 11, 2017

Mr. BARLETTA. Mr. Speaker, it is with great pride that I honor my good friend, Neal DeAngelo, and congratulate him on being named the 2017 Distinguished Citizen of the Year by the Greater Hazleton Area Boy

Scouts. With years of success with his family business, and his commitment to giving back to Hazleton and the broader community of Pennsylvania's 11th district, it comes as no surprise to me that he has been chosen to receive this honor.

Neal has been an instrumental figure in the Hazleton community. I can say with certainty that there are few people who have done as much for Hazleton as Neal. He has served on the boards of several non-profit organizations, including the YMCA and United Way. He has also served as the President of the Professional Lawn Care Association of America, and is a founding member of the State Association, for which he also served as President. Neal has been a longtime supporter of Scouting in the Greater Hazleton Area. Through his generosity and commitment, Neal has helped make a positive difference in the lives of more than 500 young men throughout our community, providing them with an opportunity to participate in Scouting's character-building and leadership programs.

Not only is Neal one of the most charitable people I know, he is also a well-respected businessman. Neal co-founded DBI Services with his brother in 1978 and grew the company into an international diversified services enterprise, exceeding \$250 million annually with a global network of over 50 locations and 1,800 employees. His hard work made it possible for his company to spur growth in and bring quality service to Hazleton, as well as the rest of the Commonwealth.

Mr. Speaker, please join me in recognizing Neal for all he has contributed to the Hazleton community and once again congratulating him on being recognized as the Greater Hazleton Area Boy Scouts' 2017 Distinguished Citizen of the Year.

Mrs. NAPOLITANO. Mr. Speaker, I rise to honor the long career of public service pro-

vided by an outstanding educator in my region, Dr. Manuel Baca, who has served the students, staff, and faculty of Rio Hondo College with distinction for the past 32 years.

Dr. Baca has been an invaluable resource to me and my staff, and will be truly missed at Rio Hondo College. Dr. Baca has served in many capacities as Professor of Political Science, Director, Dean, Vice President, and Interim Superintendent/President of Rio Hondo College. San Antonio College, and is the immediate past President of the California Community Colleges Board of Governors.

I have been privileged to work with Dr. Baca in numerous areas that have improved educational opportunities for students and the needs of our region. We have worked together on expanding transit services to the student body and staff by offering free and reduced price transit passes and buying shuttle buses for enhanced connectivity. Dr. Baca has supported the growth of Rio Hondo College's police, fire and first responder training programs that have benefited the greater Los Angeles Community by providing a well-educated workforce for our public safety agencies.

I am particularly thankful for the work Dr. Baca has done to increase educational opportunities at Rio Hondo College for veterans. As a veteran of the United States Marine Corps, Dr. Baca understood the important role Rio Hondo College could play in helping post-9/11 veterans and all veterans receive workforce training and other services to start new careers and assimilate into civilian life. In addition, Dr. Baca has assisted in organizing veteran student summits throughout the State of California. Our nation is grateful for Dr. Baca's service as a Marine and his continued service to the men and women of our military.

Dr. Baca has been a role model and leader in opening up opportunities for Latino/a students by advocating for legislation at the state and federal level to support Hispanic-Serving Institutions.
