IN MEMORY OF FURMAN RAYMOND YOUNGINER

HON. JOE WILSON
OF SOUTH CAROLINA
IN THE HOUSE OF REPRESENTATIVES
Friday, May 19, 2017

Mr. WILSON of South Carolina. Mr. Speaker, on February 16, 2017, South Carolina lost a dedicated public servant with the death of Furman Younginer. As the Mayor of Irmo for 16 years, he was a crucial part of the modernization and transformation of the town from a sleepy village to one of America's fastest-growing communities. He was also a committed Christian, dedicated family man, and U.S. Army veteran. He will be greatly missed.

The following thoughtful obituary was published in The State on February 18, 2017:

Furman Raymond Younginer passed peacefully but eternally Thursday, February 16, 2017. Born November 14, 1923, in Irmo, SC, he was the son of the late Raymond Samuel Younginer and Gertrude Petty Younginer of Irmo. He was preceded by his wife of 62 years, Louise O'Sheal Younginer. A lifelong resident of Irmo, Mr. Younginer was educated in the Irmo schools and graduated from Irmo High in 1941. After graduation, he began working in the Accounting Department of Columbia, Newberry, and Laurens (CN&L) Railroad and continued in this position until he was drafted into the U.S. Army during World War II, from April 15, 1943 until he was honorably discharged December 14, 1945.

His years of service for his country began with basic training at Fort Jackson. He was sent to Washington, DC, for a short while and in September 1943 he was sent to Camp Patrick in Fort Benning, VA, where he boarded a Liberty ship. He traveled across the ocean for 17 days to begin his service in North Africa. He boarded a Liberty ship. He traveled across the ocean for 17 days to begin his service in North Africa. He was sent to Italy to serve in the Allied Command (Military Government for the Italy 2675th Regiment) under the command of General Mark Clark. Mr. Younginer was based in a number of Italian cities, but he was assigned to Rome for the majority of his time and while there, he attended classes at the University of Rome. He often recalled that while in Rome, he learned the good news of the war's end and that he would soon return home.

Following the end of World War II, he returned to Irmo, attended the University of South Carolina, and continued his work in accounting for the CN&L Railroad (now, part of CSX Railroad). His job position was Assistant Secretary/Treasurer and he was responsible for the finance and management of the railroad and the many junctions in the Columbia office of the CN&L. He was employed by the CN&L Railroad for 42 years and retired in March 1983. As a nod to America's Greatest Generation, Mr. Younginer's experiences in World War II gave him many insights which he related to the home-town of Irmo. He acknowledged the positive aspects of the many places to which he had been assigned or visited and sought to incorporate civics, leadership, and progress in the community. In 1951, Furman Younginer was elected to the Irmo Town Council and he remained on the Council until 1961, when he was elected Mayor of Irmo. He served as Irmo's mayor for 16 years (1961–1977) and during his administration many changes and improvements occurred in the town of Irmo. He acknowledged the positive changes that took place during his tenure and worked to ensure there are plenty of opportunities for members to volunteer their time and skills.

For the past 53 years, the club has run a spin art booth at the Iowa State Fair, and their website features a lengthy page listing all of the services and activities they are involved with, including food banks, eye care, scouting, veterans memorials, local law enforcement and local parks. It is surely hard to determine just how many people have benefited from the big hearts of Lions Club members over the last 70 years, but Altoona is undoubtedly a better place because of it.

Mr. Speaker, the volunteer spirit is alive and well in groups like the Altoona Lions Club, and I am honored to represent their members in the United States Congress. I ask that all of my colleagues in the United States House of Representatives join me in congratulating the Altoona Lions Club on 70 great years, and in wishing them continued growth and success in the years to come.

INTRODUCTION OF STOP DECEPTIVE ADVERTISING FOR WOMEN’S HEALTHCARE SERVICES

HON. CAROLYN B. MALONEY
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Friday, May 19, 2017

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, today, I rise to reintroduce the Stop Deceptive Advertising for Women’s Healthcare Services Act to make sure that women receive honest information about family planning services.

Expecting mothers should never be misled about critical health information and services. Yet that is exactly what is happening today all across the country. Commonly called crisis pregnancy centers (CPCs), these centers often have an anti-choice agenda and deliberately misinform or mislead pregnant women seeking information about family planning services.

These fake reproductive health clinics entice women with unintended pregnancies through their doors under the pretense of providing the full range of reproductive options and services. Instead, they peddle scientifically unfounded information claiming that abortion leads to adverse health outcomes or can affect chances of pregnancy in the future. CPCs should be held accountable if they deliberately mislead women who are seeking legitimate medical assistance and advice.
