S. RES. 232

Whereas Latinos are the largest ethnic group in the United States, with more than 56,600,000 Latinos making up 17.6 percent of the population of the United States;

Whereas the Latino community is projected to grow to nearly ¼ of the population of the United States by 2050;

Whereas Latinos should have greater representation in the decisionmaking process relating to, and management of, public land;

Whereas Latino conservation initiatives break down barriers, improve access to public land, and encourage outreach to, and new opportunities for, the Latino community to use public land;

Whereas Latino conservation efforts can range from outdoor activities, such as hiking and kayaking, to educational activities and community gatherings;

Whereas increased access to outdoor recreation opportunities encourages Latino families and youth to engage with the outdoors and demonstrate the commitment of the Latino families and youth to conservation;

Whereas each person should have the opportunity to discover his or her history, culture, and heritage by exploring and experiencing the public land of the United States;

Whereas access to green spaces provides for healthier and more active lifestyles, which helps address numerous health disparity issues facing the Latino community, such as diabetes, obesity, and cardiovascular disease;

Whereas the participation of Latinos in conservation efforts can encourage the interest and involvement of Latinos in careers in conservation;

Whereas the people of the United States must ensure that the public land and natural surroundings of the United States are protected for future generations; and

Whereas the members of the largest ethnic group in the United States, as the environmental stewards of tomorrow, will play a significant role in securing the future success and preservation of the public land of the United States, especially as that group continues to grow: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the role of Latinos in protecting and preserving the land, water, and wildlife of the United States;

(2) supports the inclusion and meaningful engagement of Latinos in environmental protection and conservation efforts; and

(3) encourages Latinos in the United States to participate in ceremonies, activities, and programs that engage the community in the outdoors and bring awareness to the importance of conservation.

SENATE RESOLUTION 233—DESIGNATING AUGUST 16, 2017, AS “NATIONAL AIRBORNE DAY”

Mr. REED (for himself, Ms. MURKOWSKI, Mr. BLUMENTHAL, Mr. VAN HOLLEN, Mrs. SHAHEEN, Mr. PETERS, and Mr. TESTER) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 233

Whereas the members of the airborne forces of the Armed Forces of the United States have a long and honorable history as bold and fierce warriors who, for the national security of the United States and the defense of freedom and peace, project the ground combat power of the United States by air transport to the far reaches of the battle area and to the far corners of the world;

Whereas, on June 25, 1940, experiments with airborne operations by the United States began when the Army Parachute Test Platoon was first authorized by the Department of War;

Whereas, in July 1940, 48 volunteers began training for the Army Parachute Test Platoon;

Whereas August 16 marks the anniversary of the first official Army parachute jump, which took place on August 16, 1940, to test the innovative concept of inserting United States ground combat forces behind a battle line by means of a parachute;

Whereas the success of the Army Parachute Test Platoon in the days immediately before the entry of the United States into World War II validated the airborne operational concept and led to the creation of a formidable force of airborne formations that included the 11th, 13th, 17th, 82nd, and 101st Airborne Divisions;

Whereas, included in those divisions, and among other separate formations, were many airborne combat, combat support, and combat service support units that served with distinction and achieved repeated success in armed hostilities during World War II;

Whereas the achievements of the airborne units during World War II prompted the evolution of those units into a diversified force of parachute and air-assault units that, over

the years, have fought in Korea, Vietnam, Grenada, Panama, the Persian Gulf region, and Somalia, and have engaged in peacekeeping operations in Lebanon, the Sinai Peninsula, the Dominican Republic, Haiti, Bosnia, and Kosovo;

Whereas, since the terrorist attacks of September 11, 2001, the members of the United States airborne forces, including members of the XVIII Airborne Corps, the 82nd Airborne Division, the 101st Airborne Division, the 173rd Airborne Brigade Combat Team, the 4th Brigade Combat Team (Airborne) of the 25th Infantry Division, the 75th Ranger Regiment, special operations forces of the Army, Marine Corps, Navy, and Air Force, and other units of the Armed Forces, have demonstrated bravery and honor in combat, stability, and training operations in Afghanistan and Iraq;

Whereas the modern-day airborne forces also include other elite forces composed of airborne trained and qualified special operations warriors, including Army Special Forces, Marine Corps Reconnaissance units, Navy SEALs, and Air Force combat control and pararescue teams;

Whereas, of the members and former members of the United States airborne forces, thousands have achieved the distinction of making combat jumps, dozens have earned the Medal of Honor, and hundreds have earned the Distinguished Service Cross, the Silver Star, or other decorations and awards for displays of heroism, gallantry, intrepidity, and valor;

Whereas the members and former members of the United States airborne forces are all members of a proud and honorable tradition that, together with the special skills and achievements of those members, distinguishes the members as intrepid combat parachutists, air assault forces, special operation forces, and, in the past, glider troops;

Whereas individuals from every State of the United States have served gallantly in the airborne forces, and each State is proud of the contributions of its paratrooper veterans during the many conflicts faced by the United States;

Whereas the history and achievements of the members and former members of the United States airborne forces warrant special expressions of the gratitude of the people of the United States; and

Whereas, since the airborne forces, past and present, celebrate August 16 as the anniversary of the first official jump by the Army Parachute Test Platoon, August 16 is an appropriate day to recognize as National Airborne Day: Now, therefore, be it

Resolved, That the Senate—

(1) designates August 16, 2017, as “National Airborne Day”; and

(2) calls on the people of the United States to observe National Airborne Day with appropriate programs, ceremonies, and activities.
